

SOUTH BAY CRUISING CLUB LETTER #7 - 12 August 1953

NEXT MEETING THURSDAY AUGUST 20 at BROOKLAWN HOTEL BABYLON

-----+
Enclosed is your 1953 Yearbook. We hope you like it since it finally represents a real "Lloyd's of Great South Bay". The Editor (that's me) apologizes for the misspelling of a few names in the Roster. This was due to the fact that the copy went to the printer (with a sigh of relief) the day before we left for Maine and we were not available for proof reading before final printing...the veritypist seemed to have a weakness for "o" instead of "a". The photos came out quite well considering the various tones and focus they represented.

Now we have to pay for it...if you haven't made your "contribution" of .50¢ or paid your \$3.00 for a photo, please do so immediately to Treas. Jack Held, Hewlett Ct. Babylon. He also has a new stock of burgees in for those who need them. Incidentally we have additional copies of the Yearbook available @ .50¢ if you wish to give one to your mother-in-law.

JOYCE won the Schnur Memorial Perseverence Trophy for being the "last yacht to drag its weary stern across the finish line in the time allotted" unquote. Great credit is due Rusty Davison and the designers of Stout Folla...this is a cruising auxiliary but is so fast that it must race in Class X. Its performance against ex-racing boats was outstanding...WELL DONE RUSTY. It is reported that about 23 boats stayed for the rendezvous. Their comment "Its good the next day was Sunday" speaks for itself.
