

From The Masthead

SOUTH BAY CRUISING CLUB

August 1963, No. 6.

Dear Commodore Beinert:

The Officers and Governors of the Narrasketuck Yacht Club wish to extend a cordial invitation to all members of the South Bay Cruising Club to participate in a race for cruising boats to be held on Saturday, September 28, 1963. The course will be from Amityville to Blue Point and return giving a race of about equal length to the Foulke Trophy Race, but sailed in the daytime. The start will be at high tide, and it is anticipated that the tide will be well on the way up for the finish.

The start will be near Narrasketuck Race Buoy "A" in the middle of the bay with the first warning gun at 9:00 A.M. Timing of guns and order of Classes will duplicate the Foulke Trophy Race. Boats will cross the line in an easterly direction, proceed to Black Flasher "31" off Blue Point which they will round leaving it to port, and return to the finish located in the vicinity of the start. No other marks whatsoever need be observed as marks of the course. Cruising Club handicaps will be used to determine finish positions in each class.

It is hoped that with the large number of SBCC members in the Amityville area that this race will become an annual invitation fixture on your schedule. We would be very pleased if this invitation is extended to your membership in your next newsletter.

Cordially,

Roger C. Kersey
Secretary

This is the fifth invitation race for Cruising Club Yachts that is offered to us this year. It is a very fine invitation and one that all racing types should honor. We are aware that the late summer weather is unusually fine and bracing. Many of our members in the Amityville area have expressed enthusiastic endorsement for this long distance event and many members to the east have endorsed it as well. Let us honor a fine club with the best possible attendance.

COMING EVENTS

Don't forget the following second half of the season events. The Club's had splendid turnouts at events thus far this year. Details on races can be found in the Yearbook.

August 31 -- Commodore's Cup, Nicoll Bay to Howell's Point.
Rendezvous at Smith's Point. Labor Day Weekend
Regatta, Bellport.

September 7 -- Children's Day joint-rendezvous with Babylon Yacht Club
at Sore Thumb.

September 8, 14, 15 -- Babylon Yacht Club Fall Invitation Series.

September 21 -- Clambake and Single Handed Creepstakes, Babylon.

BILGINGS...For Sales, Gull, 36'6" ketch, draft 3'7", sleeps six, fully found,
Windslow design, call Bud Picken, JU 7-3466.

RACE RESULTS

WEST ISLAND RACE -- July 27, 1963

WIND: SW moderate to nothing, 42 starters - 15.5 miles.

Charley Collis' "Melide" took overall honors under the Off-Soundings Formula and becomes the winner of the new fleet trophy the "William Deale Cup". Ev Siedenberg's "Errant" struggled over the line to cop the Schnurr Trophy. Special thanks to the Regatta Committee for waiting out the longest West Island race in history.

G.S.B.Y.R.A. RACE WEEK

The fleet attending this year's Race Week was somewhat smaller than last year. We surmise that the reason is because it started at the beginning of the week and that fewer people could attend. Next year's crop should be substantially larger. The Cruising Club gives it's thanks to George and Margaret Smith for their cooperation on the Regatta Committee. The Regatta Committee thanks Captain Boettger for a spectacular finish on the second day whereby he demonstrated how to pick up two overboarders twenty feet from the finish line and within seconds of each dunking. "Mighty Mac" we shall call him.

FOULKE TROPHY RACE -- August 10, 1963

WIND: NW-N, moderate, 36 starters - 34 miles

Some were fortunate enough to reach and reach and others just reached and waited. This was typical of the Foulke Trophy nights and those who laid to the east come dawn had the worst of it. Skip Shaw's "Marine Lady" had the best corrected time to take the trophy and "Kiddie Ketch" was the last boat to finish, more power to it. The overall winner is computed on the Off Soundings Base. We wonder if someone would like to donate a "last to finish" trophy for this grind? We need it.
