The following officers were elected at the 15th annual meeting:

Commodore	Everett Seidenberg
Vice Commodore	Roger Ramsdell
Rear Commodore	Winslow Palmer
Treasurer	Harry Klesick
Recording Secretary	Alexander G. Yaxis
Corresponding Secretary	David Henderson
Fleet Captain	Arthur Flynn
Fleet Surgeon	Dr. Theodore Hangarter
Board of Governors	Eugene Peck
	Robert Schafer
	Stuart Baldwin
	Robert Paterson
	Fred Eggerstedt
	Frederick Becker
	William Brayshaw

At the Annual meeting the membership discussed at length, voted and passed the proposition of charging a fee of \$5.00 a season for all boats participating in races. At the Board of Governors meeting this was approved. The fee will be included in the dues notice. Like everything else the cost of trophies has gone up. Now the "mug hunters" will be paying their own way.

Another inflation note: Cost of cap disc raised to \$1.75.

Congratulations to Cecil B DeMille Paterson on his Cruisin' Boozin epic shown at the Annual meeting. We were particularly impressed with his direction of the raw native talent. And some of the talent was pretty raw. We think this calls for a new club officer. Vice Producer and Director. (of films that is)

The first casualty of this rugged winter was Captain Hervey Garret Smith's 'Morning Star'. Glub! Fortunately the tide was low. Hervey may be in the market for a good used generator and starter.

The next regular meeting will be in March. Date to be announced later. Bring your movies and slides you took last summer. This is the night you have a captive audience. No baby pictures allowed. Unless she is over eighteen.

See you all at the Dinner Dance. We understand it is going to be a real swinger.
