I have to keep reminding myself that it is still spring because the beautiful weather we have been having makes it feel like summer. Let's hope it will continue.

What a great Memorial Day Weekend! The superb warm weather was enjoyed by many of our members with a total of 18 boats rendezvousing in Great River on Saturday, a Corinthian Race on Sunday, a raft up and cookout at Sharon and Jeff Bieselin's home after the race, and Commissioning Day at Babylon Yacht club on Monday. A full weekend indeed!

Commissioning Day kicked off with 22 boats participating in the annual single-handed Creepstakes Race. It was one of the largest turnouts of racers in years. Official ceremonies began at 1400 hours with the presentation of the colors by the USCG Auxiliary, the National Anthem and a minute of silence in remembrance of our fallen veterans. The Invocation and Fleet Blessing was provided by our Fleet Chaplin, Reverend Dick Parker. This was followed by a general meeting, and

presentation of the Ken Kondor award to Mike Duffy and presentation of the Creepstakes awards.

Special recognition was given to Joel Becker and the Pump Out Committee for their success in working with Brookhaven and Islip Towns to improve land based pump out facilities and getting three new pump out boats on The Bay. A plaque from the SBCC was presented to Joel to recognize his outstanding effort and success.

Thanks to all who worked hard to make this Commissioning Day a success including Carol Sheppard and her Salty Sam Auction committee, Sue Montana who had many new store items for sale, Sue and Rich Troy with our new year books, Joel Mullé and his Race Committee, Della Bucher for the awards and Flori Grottoli and the Hospitality Committee.

Thanks are due to the DOT and bridge contractor who completed the center span work and removed the scaffolding on the Robert Moses Bridge one week ahead of schedule.

The Sailing Season is now in full swing!! It never seemed like the weather would ever improve, but Commissioning Day Weekend ushered in the kind of weather we sailors love! June & I sailed back from the Babylon Yacht Club to West Sayville under warm, sunny balmy conditions in just over 2 hours, hitting speeds under sail alone of over 7 knots!

So far, our rendezvous are being well-attended, and our first cruise is underway in the Chesapeake. Don't forget about the other cruises!

- Sat - June 30 - Commodore Bob Van Tassel leads two-week cruise to Marblehead, MA
- Sat - July 7 - Rich Troy leads two-week cruise around Long Island

- Sun - August 12 - Della Bucher & Nancy Sherman lead one-week Bay Cruise

There is still time to participate in our cruises, so give the Cruise Captains a call even if you are just slightly interested in participating in one.

Don't forget that there are rendezvous scheduled every weekend from now until October, so come on out and meet your sailing friends on the Bay.....

.....because it's all about Sailing!!

Greetings Racers,

WOW and WOW

At Bay Shore first Twilights we had 7 boats and 20 knots of wind. Babylon's first twilight had 8 in spinnaker boats and 7 in non spin. WOW.

The second set of twilight saw 10 boats on the starting line in Bay Shore. Babylon had 9 spinnaker boats and 6 non spins boats.

This is the first series of the year and we have had more boats out racing than we have had in years. It's going to be a great year. Have fun racing and for those new to spinnaker keep trying. It is fabulous seeing Dan McMillan's *That's All*, Rick LaTorre's *Radio Flyer* and maybe even Conor flying a chute.

We even have a few new boats racing Andrew Hemingway's *Hadley* and John Bartow's *Southbound*. Welcome.

GSBYRA

This year the *Vintage Boat Show* held annually at the Long Island Maritime Museum will include the traditional *Old Timers Regatta* on Saturday, July 14, at 1100hrs with a renewed emphasis on fun. The LIMM will be our host and all PHRF boats are welcome regardless of the age of the boat or skipper. Following the race there will be a gathering on the Museum grounds for some food, beverages and awards presentation. Other attractions will include classic boats, antique engines & outboards, wood carvers, pirates, and ship models.

Just under two weeks later, the Bay Shore Yacht Club will host the GSBYRA Race Week. All PHRF races will start 1/3 mile south of the Brightwaters Canal beginning with the Thursday evening Twilight, July 26, and ending on Sunday, July 29. To make it easier for boats traveling a distance to join in, we have arranged for dock space just east of the Brightwaters canal at the home of Michael Simon. We will be sending additional information along with sailing instructions and entry forms to SBCC skippers early in July. If you would like to arrange for dockage or have any questions about Race Week please contact me any time at (631)422-2242 or Jdavisfly@aol.com

Hospitality

Flori Grottoli

On Commissioning Day....the weather was beautiful, the sandwiches were big and the beer was plentiful! Good job to my volunteers that came to the rescue and made the day a success. An honorable mention goes to Jack Nielsen, who patiently followed me from store-to-store picking up all the things I had ordered...to Nancy Sherman who is now our official Art Director and Head of Decorations...and to Della Bucher, who's relentless energy is the driving force behind every party. Kudos to everyone else I didn't mention but who's help I always appreciate very, very much!

Looking forward, THE BLAST IS NEXT....and volunteers are desperately needed for set-up, serving and clean-up. If we have enough people, everyone can take a turn helping and then return to the party. In this manner, no one needs to work the entire party and everyone can enjoy the day. Please contact me at my office 631-789-0555 or by e-mail cavalieri@mindspring.com and I will put you on my list.

Bakers needed too!

Happy Sailing and see you all on the Great South Bay!

Member Development Committee

Ed Pshedsky

The Member Development Committee has been meeting on a regular basis to formulate strategies for increasing the visibility of the Club and promoting awareness of the many advantages of Club membership. We have discussed numerous ideas, and we have a budget in place in order to implement the best of those ideas.

The Committee has designed a revised handout which summarizes information about the Club, and points the way to our website. We have also updated the very well designed existing poster showing a Club race, and we have added a second poster showing a raft up. These can be posted at boatyards for anyone interested in contacting the Club.

Our most visible step has been the purchase of two 16' banners that say "South Bay Cruising Club" in green letters on a white background, one to be draped alongside the committee boat during a race, the other on the host boat's raft during a rendezvous. Any boaters wondering, "Who are those guys with the green and white burgees?" will easily find out from a half mile away.

The Board will be advised of further efforts on a regular basis.

Eric Forsyth returned to Patchogue aboard Fiona on May 6. The 11 month cruise included the Azores, Canaries, Brazil, Uruguay, Argentina, The Falklands, Antarctica, Chile, Ecuador, Panama, Bahamas, and Bermuda for a total of about 19,800 nm. Mickey Forde and Mike Duffy crewed at various times. For more details and pictures go to www.yachtfiona.com.

Robin Hilbert and I agree with Kermit the Frog - **It's not easy being green**. We've been striping Belle Free's bottom (oooo sounds naughty doesn't it?) and on more than one occasion have driven out of Bayport Marine looking like, well, looking like we've been working on the boat bottom. We're sure we've convinced all the men in the yard we know what we're doing! This is an apology for the lateness of this issue - just trying to get the boat in the water.

Dinghy Requirements

A reliable source has reported our good friends in the Islip Town Harbor Patrol are once again making sure we can safely go from one boat to another in The River and have asked we repeat the following from the September 2006 MASTHEAD. There will be updates from other towns in future issues. For Coast Guard regulations please go to <http://www.uscgboating.org/safety/fedregs/equipment.htm> Ed.

Required Dinghy Equipment - Town of Islip

Joel Becker

There is no longer a separate category for tenders. Our dinghies fall under the category of power boats under 16' when their engines are operable and they are under power. Federal and state requirements vary slightly with signals.

Islip Requires:

- 1 PFD for each person (a throwable is not required according to the person I spoke with, but is recommended)
- Anchor and rode.
- Visual distress signal (flag OK) when operating during the day or night - (No flares required at night)
- Whistle or horn
- Power Boat Running lights when under power at night
- White light available for use when rowed at night
- Registration and numbers/stickers visible port and starboard - recommended placards to prevent peeling. They will pull boats over with stickers on transom.

Boats were dressed for commissioning Day at Babylon Yacht Club

Commissioning Day Color Guard - Fleet Captain Dave Tedesco, Vice Commodore Bill Grauer, CGA Gene Turner and Past Commodore Bob Sheppard

Race Results

All requests for changes/corrections to race results must be made directly to the Race Committee for that race with a copy to the Scoring Committee. The Scoring Committee will correct scoring errors, but has no authority to change information reported by the Race Committee. A participant who disagrees with the Race Committee's response may request redress from the Protest Committee.
