We are rapidly approaching that time of year when we have a lot going on - in our personal lives (Thanksgiving, Holidays, etc) and with our sailing club. We also had some very noteworthy things that have already been accomplished - notably - a great 'Jack's Trophy' party at Sayville Yacht Club (a special thank you to Carole Sheppard and her committee), and the 'Blast' (incredible job by Bill Eilbeck and the Hospitality committee). And although the weather conspired to upset the timing of some races and important rendezvous - these were only delayed. Congratulations to Aileen Eppig who won the West Island race - twice. And, speaking of racing, this past week, Babylon Yacht Club hosted the very special Louis Orr Regatta. This regatta is very special because Louis was a long time member not only of the BYC but also of the SBCC. Over twenty boats raced and Babylon put on a very nice after-race party. Thank you Joe Mulle; your team, and the Babylon Yacht Club.

Coming up, real soon, is the Annual meeting / Boatyard Party on November 1st at Bill Cook's

boatyard. It may be a little chilly that day so Mark Romaine has planned a little contest to heat things up. He has designed a 'Chilly-Chile' contest. Anyone can enter - just bring a pot of your favorite Chile to the Boat Yard Party. And for those tending more to the sweet side, there is also a 'Desert' contest. Suitable awards of course for first-second-etc.

And please mark your calendar for Saturday (not Friday), December 13 for the Holiday party at the Sayville Yacht Club. Bill Eilbeck promises a gourmet meal at 'Target' prices.

Heard on the street - Dan and Jane Glinski are looking for a C&C-25 or a Pearson-26, and they want to do some serious racing. More about racing - October and November is the best racing season and Regatta Captain, John Holst, has scheduled the Discover's race (Oct 18), Last Chance race (Oct 25) and Turkey race (Nov 29 with a party at the Pier 44).

And our Fleet Captain, Della Bucher, has a full rendezvous schedule, with the "On Your Own" for Oct 11 (Hemlock) and the "Hot, Hot, Hot" for Oct 25 (Watch Hill).

From the Regatta Captain

John Holst

This year has gone so fast. I can't believe the holiday season is 6 weeks away and Whitecap will be out of the water soon. The day they lift her out is always the saddest day of the year for me. We have had a great season despite Mother Nature hitting us with lots of lightning and storms.

The reschedule Smith Distance Race started out very wet (my foul weather gear no longer needs a washing) but ended dry. The Mayor's Cup was well attended by the racers and we had a great time despite the Mayor's no-show. The LIYC pulled out all the stops and threw a terrific party. The BYC Orr Cup was also well attended by everyone but the wind. RC abandoned the race and we all returned to the BYC for yet another excellent party.

The Twilight Series have concluded and as I write this article, scoring is busy putting together the season results. We will have them shortly. The End of Season party at Mary Carol's was enjoyed by over 50 racers. Thank you Conor for your hospitality!

We still have some great fall racing so don't put your boats away just yet. And for those that have not raced this season the fall is a great time to either crew or bring your boat out.

The following races are coming up:

Sat Oct 18 Discoverers Race,
Championship Invitational

Sat Oct 25 Last Chance Race, Last
Championship Invitational

Sun Nov 2 BYC/SBCC Fall Series 1, just
for the fun of it, party afterward at BYC

Sat Nov 15 Fall Series 2

Sat Nov 29 Turkey Race, After Party at
Pier 44

Racing Spinnaker this season has become more competitive as several boats have joined the Spin Class. The Non-Spin class also saw several new comers joining the

fun. There are rumors that some cruisers are looking for competitive boats to join the racing fleet. Obviously I am partial to the Pearson 26, but there are many great boats to get started with. They mentioned to me that it was hard to break into racing. My response was nonsense. (I don't think I would ever actually say the word nonsense, but it sounds better the no way) I suggested that it was very easy to get started. Just volunteer to crew! So many skippers are in need of crew. It's a great way to get involved and see the action up close. Nothing is more thrilling and terrifying than 15 boats going full speed, fighting for position on the start line. Also we have a tremendous knowledge base in the club, call a few people and ask lots of questions. We all love talking about our boats and experiences. Don't be disappointed or discouraged when you don't win your first time out. My first race on Whitecap was a humbling experience. We were dead last and behind the winner by 20 minutes. We have some great sailors who do an excellent job of campaigning their boats. Racing against them has made me a much better sailor and I have grown beyond what I conceived was ever possible. Bottom line, call me or one of the other skippers, we would love to help you get started. And if you have been racing and are getting frustrated with your lack of success, get some one to jump on your boat and help you figure it out. It is that simple! See you on the Bay!

John

Vince Piazza and his team are gearing up for another fantastic Yearbook, but it can only be fantastic if you send him your photos of the past years events. Please.

As a final note, Bob DeSimone has sent along links to two very interesting web sites. The first, <http://demo.geogarage.com/noaa/> is a site where you can zoom in to any chart in the US. You can switch between chart view and satellite view. He also recommends <http://www.sailboatowners.com/>. Try it out.
