Once again, we have not been blessed with very good weather. Luckily we have had two weekends with pleasant weather for our rendezvous attendees. Let's hope that the rains will begin to go away and that more pleasant weekends are in store. I will be leaving on the 2 week cruise and I hope that those of you that remain on the bay have good weekends and go out in support of our host boats.

I am in the process of planning for the One Week Cruise Around the Bay. I will have hand outs ready to give out at the Champagne Breakfast, August 2nd in the "River" aboard della . calm. As always, this cruise begins the Sunday after the BLAST and I hope you are

planning to sail out for the week. The Eilbeck's are planning their picnic for Wednesday at Atlantique and I will host for the last meal of the week. So put the dates on your calendar and come on out, even if it's only for a few days.

And so my sailing friends, I'm off on the 2 week cruise with my sister and our other cruisers. I'll see you back on the bay hopefully for the July 11th "Anchored Racers" rendezvous.

And so my fellow sailors
"Come launch and sail!
Be free with me"

From the Regatta Captain

Despite the very wet weather this spring all of the races have taken place as scheduled. The first twilight after parties were a success. Attendance at Molly Malone's in Bay Shore was light. However, over 30 people showed up at Mary Carroll's, Conor took good care of us with two-for-one's all night. The next twilight parties are Tuesday June 30th and Thursday July 2nd; then Tuesday July 28th and Thursday July 30th

Fifteen boats raced in the first invitational race, the Babylon Cup, on June 12th, the wind was a little light but I think that just increased everyone's appetite. Back at the BYC the racers devoured 14 pizzas. July is a busy month for invitationals:

Commodores Cup is Sunday June 28th at noon

BYC July 4th Invitational is July 4 and 5th, check out their website

www.babylonyachtclub.org

West Cup July 17th, with an after Party at UCYC

East Cup July 18th, with an after party at Wet Pants

GSBYRA Race Week July 24-26

This year the West Island Race on Saturday July 25th is part of Race week. We expect some new competition from other GSBYRA members.

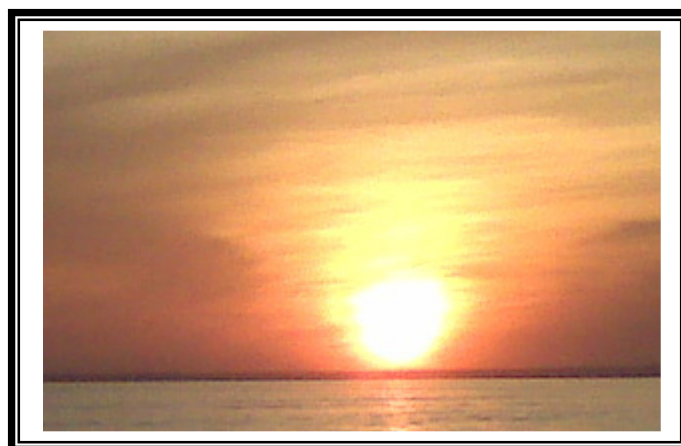

See you on the bay!

Report From Yacht Fiona

Ed Hopkins

Fiona departed Weeks Marina on the Patchogue River at 10:00 June 15th for her attempt to circumnavigate North American by way of the Northwest Passage. A small group of friends, family and former crew gathered on the dock to wish Eric and his crew good luck. Fiona was escorted out the Patchogue River and down the Great South Bay by Bob Lyons with his 1940 motor yacht "Fireplace." Other small vessels motored out to wish us well.

Here is a little information on Fiona and her crew:

Fiona is a 1975 Westsail 42. Eric purchased the hull and completed her in 1983. She displaces 37,000 lbs and has a full keel with 11,000 lbs of ballast. Fiona has a draft of 6'3" and a beam of 13 feet. When there is no wind she is powered by an 85 hp Perkins diesel with 135 gallons of fuel. The three water tanks hold a combined total of 200 gallons.

Fiona will have a three man crew for most of the cruise. The crew includes Captain Eric Forsyth, Joey Waits and myself.

Eric Forsyth has been a member of the SBCC since 1962 and has been blue water cruising for over 40 years. He circumnavigated the world in 1995-97 and again in 2002-03. During the 1998-99 cruises he sailed to the Antarctic and returned on the 2005-06 cruise. In 2000-01 Eric sailed to the Arctic. Eric was awarded the Blue Water Award by the Cruising Club of America for the Arctic cruise.

Joey Waits is a remarkable young man. He has been working in and around sailboats since he was 17 years old.. Joey left his current job as a sail maker and rigger to join the cruise. He has crewed on yacht deliveries across the Atlantic and from Newport to Key West. He crew on Fiona during the Antarctic cruise.

On the Greenland to Alaska leg Eric, Joey and I will be joined by a forth crew member, Russ Roberts a Delta Airlines pilot.

Our first port of call was Block Island. Fiona made in through Fire Island Inlet by 2:00. The winds were light and from the East. We motored several miles off shore and set our sails. We were able to sail for about 90 minutes but because of the light winds we had to motor sail. At 17:00, in the tradition of all Fiona cruises, we had our first happy hour. Mount Gay Rum, Motts Apple juice and a slice of lemon with snacks.

We continued to motor sail along the South Shore of Long Island. At 19:00 Eric prepared our first dinner spaghetti and meat sauce. The meal was great. In addition to being the captain, Eric is also our cook.

Eric set up our watches for the night, two hours on four hours off. The motorsail through the night was uneventful. I had the 4:00 to 6:00 watch. We made Montauk at 5:00 and I changed course for Block Island. By 8:00 we were settled in on our CCA mooring and Eric prepared pancakes for breakfast.

Eric, Joey and I took the dinghy ashore for lunch. We walked to Old Harbor and had lunch. After

Thanks to SBCC's Webmaster, Richard LaBella, the [SBCC OnLine Forum](#) is now in operation.

What, may you ask, is the OnLine Forum? It's a place where SBCC members (ONLY!) can connect with each other via the computer. Here you can post comments, questions, and links to photos, videos or other websites. Forums currently available include:

- * Cruising - chat with other members planning cruises, be it official SBCC cruises, or other off-bay adventures.
- * Racing - want to know what's brewing with US Sailing rules? Tips for Race Committees? Some of those famous video clips? Scoring discussions?
- * Rendezvous - who's hosting? Special instructions on getting to the weekend destination. Want a recipe from a favorite dish?
- * Yacht Maintenance/Hardware - no explanation needed. Something always needs to be worked on when you own a boat!
- * Sail Trim - how about some tips?
- * Crew Wanted/Available - want to get involved in racing, but not brave enough to bring out your own boat? Want to learn tactics, tips and tricks from a more seasoned racer? Looking for crew?

How do I start? Go to our website (www.sbccsail.org) and click on the **SBCC On-Line Forum** link. SBCC members can follow the instructions to register & participate.

One note to keep in mind. These forums are for friendly & civil communications, not to vent & prolong controversy. So if you've got a potentially sensitive or provocative topic, contact the appropriate SBCC Committee Chair, or one of the officers or governors, whose contact information is available on the website and in your yearbooks.

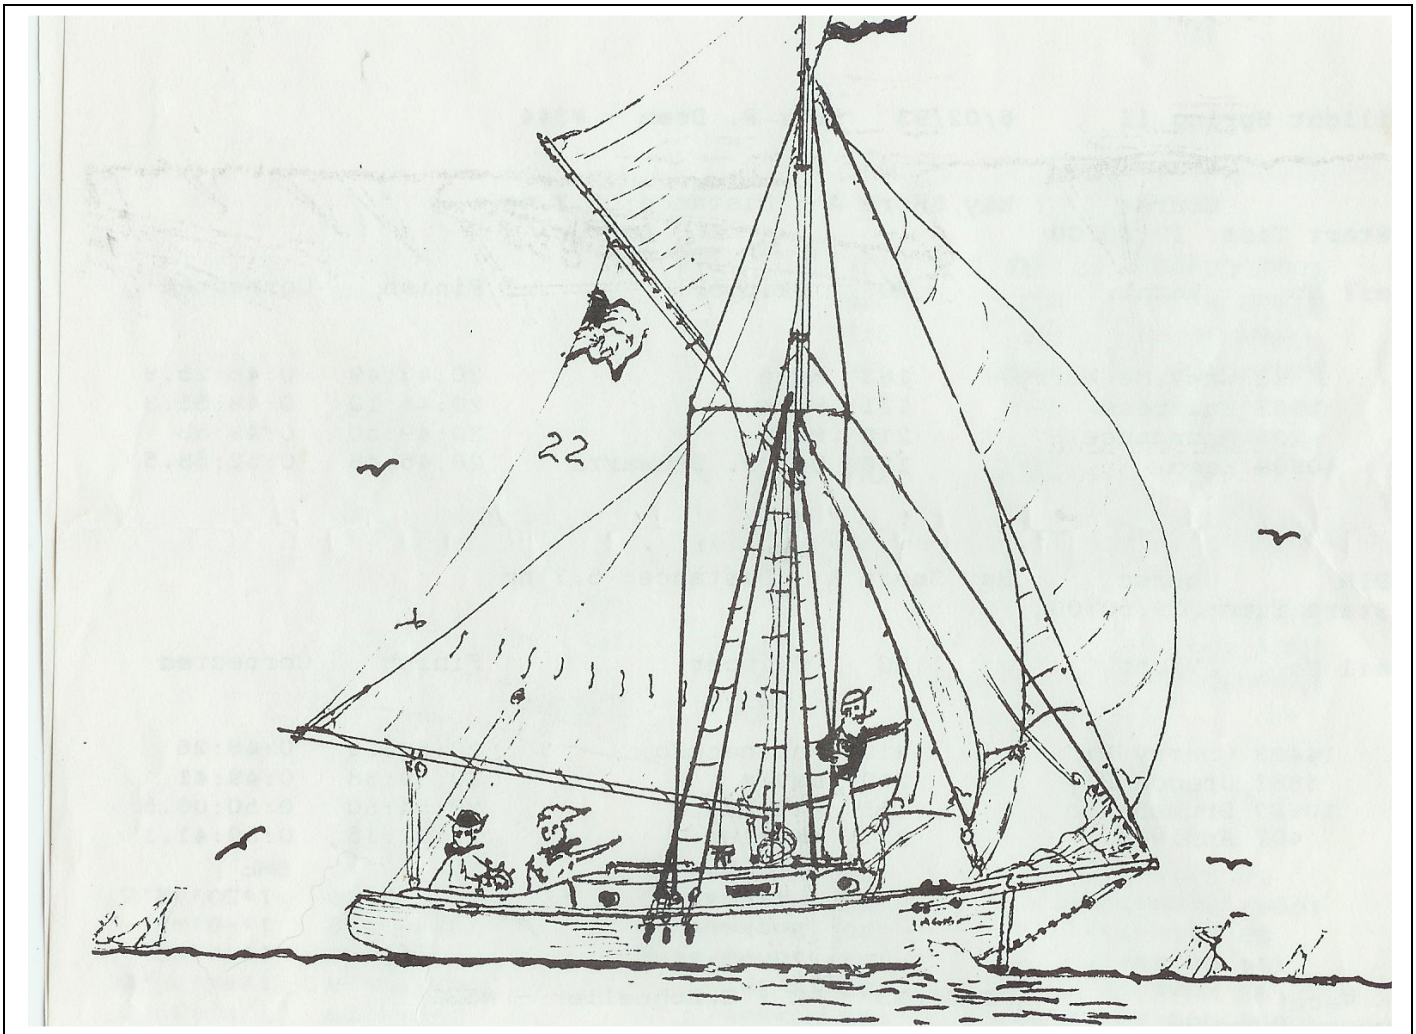

Now turn off the computer and get out on the water!

lunch we walked to the lighthouse and then to the bluffs. Eric challenged us to a race down all the stairs to the beach and back up. We all made it down and back up in close to record time. Our walking tour continued and we returned New Harbor and a stop at the Oar for a couple of Narragansett's.

On our return to the dinghy we met an old friend Doug Gould. Several years ago Doug crewed with Eric. Doug now operates the BoatUS towboat at Block Island. We invited Doug to join us on Fiona for happy hour. Promptly at 17:00 the red towboat rafted up to Fiona for happy hour. We shared Fiona's traditional cocktail, smoked oyster on crackers, sea stories and good company. Doug wished us a good cruise and left to rescue boaters this summer.

On Wednesday June 17, 2009 at 8:00 Fiona left Block Island headed for P-town. We are currently underway.

Join The Leukemia & Lymphoma Society® for The Leukemia Cup Regatta.

Sailors all over Long Island raise their sails for a cure!

On Saturday, August 15 and Sunday, August 16, Sayville Yacht Club will once again host The Leukemia Cup Regatta. In this sailing competition, skippers and crew members collect donations to help fund research to find a cure for blood cancers. The weekend will include great sailing, prizes, entertainment, fun and fundraising.

If you are not a member of Sayville Yacht Club, but would like to attend the Regatta, you are welcome to participate in their event weekend.

As participants, you can help turn something you love - *sailing* - into something that will make a difference in the lives of people fighting cancer. For more information on The Leukemia Cup Regatta, please contact Laura McDowell at (631) 752-8500 or laura.mcdowell@lls.org. To register, visit www.leukemicup.org/li.
