I wanted to thank everyone for coming out for Commissioning Day. It was a lot of fun both on the water and off. What an exciting day! We had plenty of competitors for the **Creepstakes**, and plenty of wind to match. There were gusts well exceeding 25kts! Everybody looked great out there. I, on the other hand, had completely blown my sail selection. Who knew!?! We left the dock and it was blowing 8kts. Then the Wind Gods unleashed. I am not sure about the rest of you, but I was just praying for me to get to that #6 can. Although, I have to admit...it was pretty cool to hit 8.2kts on my way to #9. I was just hoping not to blow my #1 out.

On another note, I wanted to extend my congratulations to **Steve Delise**. I know some of you were worried that he hung up his racing gloves. That couldn't be further from the truth. Steve has traded **Warlock** for a beautiful Tartan 31. I can tell you that it is an absolutely amazing boat. I know he will be back on the race course and in addition will now be partaking in the fun at rendezvous. Looking forward to seeing you there, Steve!

Due to a conflict the **West Island Race** has been moved to July 24. Please mark your calendars appropriately.

This decision was in light of a conflict with the Leukemia Cup. The Regatta Chair from SYC has reached out to me and has graciously offered our members a reduction in the entrance fee to \$120.00/boat. That will include dinner for 4, a party, Mount Gay hats and two days of racing for a good cause. Please seriously consider taking advantage of this great event!

Please contact me via email or cell and let me know the interest level you may have for this event.

Hope to see you all soon!

LADIES DAY/BROADSIDE/PATRICIA A. KELLY RACE TO BE REINSTATED

An increase in the number of female skippers has revived interest in this race. It was first sailed in 1955 and the helmsman was required to be female. In 1966 Boyd Max donated the Broadside Trophy which was awarded to the boat with the best corrected time with an all female crew. In 1982 this trophy was renamed in honor of Patsy A. Kelly a noted skipper on the Bay and multiple winner of the race.

According to Historian Tom Gotard the last race was in 2000 and won by **Dragon Fly**, the yearbook states that Past Commodore Sally Eilbeck won in 2009 sailing **Njord**. As the Board is working to get this race on the schedule for the 2011 racing season it would be helpful to set the record straight and have the trophy available for the next winner. Please don't hesitate to forward any information you might have to my email.

Ladies! Hoist your sails!

The weekly Rendezvous are starting to get our sailboats out on the water and socializing!

What started as a Rendezvous at Unqua Heading on May 3rd ended up at Coast Guard Cove with 3 attending. **Miss Liberty II** became the host boat at Coast Guard Cove (thank you, Nancy Sherman!), with Della Bucher's **della.calm** rafted to her. Sue and I aboard **Fun Sway** arrived later (as usual) but were pleasantly surprised to see an even later arrival of Roger Daisley in **Blue Horizon**. We were treated to very nice weather.

The next Rendezvous on the schedule was cancelled due to repeated predictions gale force winds that came true. Sue Montana and Bob Bennett's host sailboat **Habañero** stayed home as did everyone else. I understand this is now the 5th time that Rendezvous has had gale force winds.

Just for the record: When a Rendezvous is scheduled and there is a forecast of gale force winds or maybe worse, the Rendezvous is assumed to be cancelled. As the Captain of your own sailboat, you have the option of deciding if you want to stay at home port or not, of course.

The Watch Hill Rendezvous on May 17th went according to plan with hosts Bill and Roberta Flynn of **Dodona** reporting great weather and a good time. Also attending that event were Belle Baxter (**Belle Free**), Alan & Elaine Sherman (**Elaine & Me**), Bill & Barbara Ludlum (**Esprit**), Sue Montana (**Habañero**), Margaret & Lee Christiansen (**Maggie Lee**).

Rendezvous Pictures Wanted!

OK, so you've got that nice digital camera and you've taken some 2010 Rendezvous pictures. Rendezvous hosts: Please send your favorite pictures to me, and please be sure to let me know where and when it was taken. If you can also list for us the names of the people who are in the picture, please do so.

Looking forward to warmer weather and seeing you-all with your boats in the water...

!! CRUISING UPDATES !!

THE TWO-WEEK CRUISE TO THE PECONIC AND BLOCK ISLAND

has been postponed indefinitely.

Those who wanted to participate are encouraged to join the Two Week Cruise to the Jersey Shore

THE TWO-WEEK CRUISE TO THE JERSEY SHORE

Dates have changed, please see the updated itinerary on page 9

THE ONE WEEK BAY CRUISE

planning meeting will be held

Monday June 21st, at 7:30pm at the Babylon Public Library,
24 South Carl Ave, in the Community Room.

The Cruise will start in Great River Sunday August 8th.

The best way to improve your sailing is to do it with a few dozen friends. You can join in for one night or the whole week. If you have not cruised before this is the place to start.

During the Bay Shore Spring Twilight 1 a collision occurred which resulted in damage. Since the damage was believed to be substantial I thought best to have this protest heard by US Sailing Judges. In a rarity for the Great South Bay, (*Even more so for the SBCC*) three Judges traveled to the South Shore to preside over the case. Accepting an offer to sit in on the hearing as a non-participating observer turned out to be a fantastic learning experience; Pre- and post-hearing the Judges graciously spent a considerable amount of time answering the numerous questions I peppered them with and offered suggestions to improve our protesting procedures.

In light of these discussions effective 7 June 2010, the Protest Clause within the 2010 SBCC Sailing Instructions is amended to:

VIII. PROTESTS AND REDRESS

The Protest Committee will only entertain protests made in conformity with U.S. Sailing Rules 61, 61.1, 61.2 and 61.3. Requests for redress must conform to Rules 62, 62.1, and 62.2. Rule 61.2 Protest Contents, "A protest shall be in writing," is amended to "A protest shall be in writing using only a U.S. Sailing Protest Form". Requests for redress shall also be submitted in writing on a U.S. Sailing Protest Form, which amends Rules 62.2 to the extent it presently provides "the request shall be in writing." The time limit for protesting or requesting redress is 24 hours after the last boat in the race finishes, except where the rules provide otherwise. The protest/request for redress is to be submitted to the Protest Chairman within the time limit. The Protest Committee will attempt to hold a protest/redress hearing by the second Monday after the time limit has expired. If a party to the hearing of a protest or request for redress does not come to the hearing, the Protest Committee may nevertheless decide the protest or request. A party may appear at a hearing through its representative by telephone conference provided arrangements to do so are made with the Protest Chairman 24 hours prior to the scheduled hearing date.

I would like to express my sincere gratitude to US Sailing Senior Judges Eric Johnson, Timothea Larr and Phil Pape for hearing a protest that went till midnight and to the Babylon Yacht Club for providing a locale for the hearing. And if you have any questions about protest or redress procedures please contact me.

On a side note –

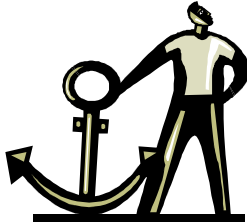

I have been receiving numerous comments about possible Rules infractions while racing. While it is upsetting to be hearing this, it is more so when I hear no one took any action about this lack of sportsmanship. If you feel you have been fouled by one not adhering to the Racing Rules of Sailing you have a responsibility to yourself and your competitors to enforce the rules. By not stepping up and enforcing the Rules you are condoning such actions, which I am positive no one, not one of us - like or want to see.

Our sport is one of the extremely few that is self-policing where adherence to the Rules and Sportsmanship must be paramount; by not taking any action to enforce the rules you are as culpable as the alleged violator of the Rules. By adhering to the Rules you will quickly find competitors would rather have a good fair race within the Rules than a race in which one has gained an advantage from a rules infraction.

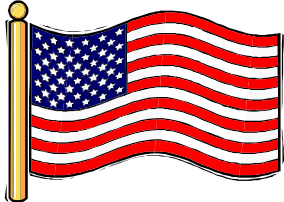

If you are unsure of the rules there are numerous books providing great explanations; at a minimum you should get a copy of and read US Sailing's Racing Rules of Sailing, (*There are only 7 pages that apply when boats meet - Rules 1-23*) or please ask someone a question! You will be pleasantly surprised by the amount of assistance provided.

Looking forward to a fun filled protest-free season!!!!

Flotsam & Jetsom

Are you like me? During the winter I cruise the online marine sources or just take a wander through a West Marine store and buy all kinds of items I think will be great upgrades for **Belle Free**. Of course it's winter and too cold to do much work so when spring finally arrives and I get going on all my projects I discover I've got way more stuff than I need and I have no idea where the receipt is, much less where the junk came from. My thanks to Charlie Becker who sent in the following:

Have you discovered the new marine consignment "garage" in Brightwaters that is now public knowledge. You may have seen their feature article on-line at: www.lisail.com. You can take marine items there that you want to "pass on" AND/OR just go and browse and possibly find a marine item or tool that you can't live without. Remember, these are used items but there are also brand new items in the mix. It is almost like the old Triangle Sea Sails in Greenport -- for those of you who remember "wandering" thru their store and yard.

If you haven't subscribed to **lisail** (it is a FREE on-line sailing magazine that has done articles on many of OUR club members and races) it is well worth it. To view their feature article on Marine Consignment of Long Island go to:

1. www.lisail.com
2. (sign up if not already a subscriber-it's free)
3. April 2010--(click)
4. Turn page (click-bottom right corner)
5. On page 4 click on "Pg 88-93 Previously Owned...."
6. Turn pages by clicking on bottom right page corner

ENJOY the article AND the entire magazine. Check out the previous editions for SBCC members and boat pictures.
