In the poem "The Night Before Christmas" it says that the Holiday Season brings some kids visions of sugar plums dancing in their heads. As a big kid myself, I can't recall any such visions in my life. (Has anyone in these generations actually HAD a sugar plum?)

I prefer visions of warm summer nights, enjoying the companionship of sailing friends and relaxing on our sailboat - sometimes under the light of a full moon.... Those warmer sailing days are the highlight of the year for us, and the active involvement of the SBCC members makes it all the more enjoyable.

For those of you who haven't yet signed up to host an SBCC Rendezvous, the following dates are open as of now.

May 7 preferably at the Unqua Heading docks, near Gilgo Beach

May 14

July 2

Sep 24 Fall Family Weekend (needs to be at a marina)

Oct 8

If you're willing to be a Rendezvous host, you can pick the location.

The SBCC One Week Cruise in the Bay from Aug 14 to Aug 20 also has an opening for a Cruise Captain

There are tentative SBCC plans to have a two week cruise leaving the Great South Bay on June 25, spending a couple of days at Block Island, then heading to the Connecticut south shore as far as the Thimble Islands before heading back. The Thimble Islands are a unique collection of very large rocks, some of which have houses built on them - something you might expect of the Maine coastline, but much nearer to us. And the Connecticut south shore has enough wonderful destinations for the remaining days of the trip. This two week cruise is also seeking a Cruise Captain.

If you haven't yet hosted an SBCC Rendezvous or Cruise, feel free to contact me for more info

- it's easy and fun...

The 2010 season has come to an end...and what fun it was! Together, we ran 51 successful races, along with 6 other organization. I think that is a feat in itself. This could not have been accomplished without the help of all the volunteers. I want to personally thank each and every one of you!

I also want to thank everyone that came out week in and week out, bad weather or good, flat water or gales. It is the sailors of this great organization that makes the SBCC the best organization on the Bay. I never get tired of learning something new and interesting from each and everyone of you.

The Regatta Committee is already hard at work preparing for next year. As in all the years past, we can only make each year more successful than the last with your help. We need your suggestions, ideas and input! Please contact me via email to share whatever it is that's on your mind at ahemingway75@aol.com.

Lastly, please join us on February 8, 2011 at Farrell's, in West Islip on Higbie Lane. We will be holding the race awards and want you to be there. The cost of the evening will be a nominal \$20.00, for an incredible buffet. I know we are all looking forward to acknowledging the hard work of every sailor that evening.

Thank you all for an incredible 2010. It has been an honor and a pleasure to serve as your Regatta Chairman. I know I am looking forward to 2011! 

SBCC TO CELEBRATE 60 YEARS

Our club will be 60 years old in 2011 and a celebration is being planned to recognize the anniversary. We need you to help us with the historical content so we can look back into our past and see the events that have helped to shape us into the fun club that we all enjoy. Do you or someone you know who belonged to the club, have memorabilia prior to 1970? We are looking for 16 mm films (some of you probably have never seen those), photos-check those old albums, printed material and documents that will help us to take a look into our past. All material will be edited into a video and will be returned to the owner. I can pick up material that is within a reasonable distance or it can be sent to: 372 N. Hickory Street, Massapequa, NY 11758. I am also looking to complete the club's set of yearbooks and need a yearbook from 1954 and 1961. So before you decide to dispose of any yearbooks, please check to see if you have these years. So let's get ready to celebrate!!

Tom Gotard, Historian.

I want to be the very first one to wish you a HAPPY NEW YEAR.

Fee, toll, charge, fare, entrance, admission fee, cover charge, wharfage, mooring, anchorage, dockage, pilotage, storage, cellarge, brokerage, salvage, no matter how you want to say it dues are coming due for the 2011 season. These funds cover the cost of mailing out the Masthead, maintaining the website & databases, printing the yearbooks, buying the racing and cruising trophies, covering some of the cost of the fantastic parties we have and the general operation of the club.

Dues notices have been sent out. Please review them carefully! The information that is in this notice is the information that the South Bay Cruising Club has for you and is what is used to prepare the year book, along with where and how you want to hear the latest scuttlebutt about what is going on. If it is incorrect or incomplete on this notice it will be incorrect every where else. If you wait for 2011 you will be too late to make any corrections.

If you have any changes, new boat, the birth of a child, change in telephone number, home address, or email addresses you can send it to me at richardtesoroaia@verizon.net and I can make the revisions and get them out to the appropriate parties. Please provide changes in text, not by telephone so the most accurate data (spelling) is maintained.

We always welcome new members! If you know someone that would like to join in on all the fun we have sailing the Great South Bay please have them go to the SBCC web site sbccsail.org and down load the SBCC [Membership Application](#). Send it in with the letters of recommendation and fees and they too can fly the white and green burgee. 

Welcome New Members

I purchased a few of these shirts with the SBCC Burgee and found them to be good quality. I plan to purchase a few more during the month of February or March or when a sale is on. If you would like to add to my order a shirt for yourself please contact me at Richard.mourino@gmail.com.

The Shirt with the Burgee are only at the "Lands End Business" web site not the normal web site. There are many colors but White and Desert Khaki are the best with the Burgee in my opinion.
