Don't think we're finished with you yet! Some of the SBCC events still lined up include, the Boat Yard Party on 11/2, Safe Boating Course on 11/9, Fall Series races on 11/10 (date change!) and 11/16, Turkey Race 11/23, our Holiday Party at The Snapper Inn on 12/14, Caribbean Odyssey program on 12/15, Ed Brooks Memorial Invitational Race on New Year's Day, Installation of new officers, Racing and Cruising Award celebrations in early 2014. I hope to see you all at one of more of these fun events.

I'm excited to be formally voting in our new slate of officers at the Annual Meeting at our Boat Yard Party. Our Nominating Committee has provided us with an outstanding selection of volunteers to take the SBCC helm for the next two years. It is my honor as Commodore, and Chair of the Nominating Committee, to announce the slate of Officers for 2014-2015. In accordance with our Constitution and By-Laws, this slate was selected by a Committee of Governors and Members-at-Large.

- Commodore Ed Pshedesky, Vice Commodore Dave Tedesco, Rear Commodore Roger Daisley
- Recording Secretary Charlie Margeson, Treasurer Corinne Conger
- Governors Sally Eilbeck, Bob Forman, Joyce Gotard, John Holst, Jeff Mattera, Sue Montana and Bob Van Tassel

I'd like to point out the Safe Boating Course our Program Committee has lined up for November 9th at the West Islip Library. It is open to the public, so please invite your friends, family, boatyard/dock neighbors. There's been a lot of speculation and confusion regarding requirements for boating training and certification in Suffolk County and New York State, but as our Regatta Captain Kevin Regan pointed out regarding a Safe Boating Course he recently took, "Regardless of whether its "required" or not I can tell you that it's a good course, a very good refresher on rules of the road, navigation, safety, hypothermia, heavy weather, etc. There is something for everyone to learn or brush up on. Yes, some of the material falls under basic common sense but overall I gained from the course and would recommend that anyone who spends a fair amount of time on the water or anyone who is acting in an official capacity in a sailing club should consider the course, whether "required or not." So consider joining us and taking advantage of the SBCC Member special pricing for this event. You know the lunch our Program Committee is putting out will be excellent!

Your Board has done an exceptional job these past two years of managing your Club's finances, and we'll be working with some of our Committees to make sure we don't wind up with too much of a surplus. In case you are wondering, the Board has established guidelines on quite a number of fiscal and procedural issues, and this is one of them. If you ever have any questions about the inner workings of your Club, please feel free to contact me directly. It's important that we maintain transparency with regard to Club operations.

Variations on Thanksgiving

In my house, holiday traditions are sacred. My Thanksgiving menu includes foods that we typically do not eat and that are in season only for a short while. However, there are appetizers and side dishes that can be reinvented, tweaked or changed altogether...just to add some surprise and fun to the meal. Here are some suggestions.

Baked Brie Appetizer

Ingredients:

¾ cup Roasted pistachios or hazelnuts, chopped small

¾ cup Dried Figs, chopped small (I also like using chestnuts that can be purchased cooked and shelled)

2 Tbsp. Honey

1 Round of Brie, cold

Using a sharp knife cut the rind off the brie while still cold. Place Brie on a non-stick surface and place in the oven for 5 to 7 minutes until very soft

In the meantime, combine figs or chestnuts with the honey, the roasted nuts and a pinch of salt in a saucepan and heat until honey melts. Remove Brie from oven and place on a serving dish, spread the honey mixture over the top of the cheese and serve immediately. Serve with baguette slices, apple slices and pear slices.

Goat Cheese Mashed Sweet Potatoes

Ingredients:

3 lbs. sweet potatoes, peeled and cubed

½ cup half-n-half

¼ cup butter + 1 tbsp. butter

½ cup roasted walnuts or pecans

2 oz. good goat cheese

1 tsp. sage – pinch of salt – pinch of pepper

In large saucepan cover the potatoes with water and cook just until tender.

Drain and return to pan. Combine $\frac{1}{4}$ cup butter and $\frac{1}{2}$ cup half-n-half and microwave until butter melts. Add to potatoes and mash. Once you obtain a homogeneous consistency, fold in the goat cheese, salt and pepper. In a small saucepan cook the roasted nuts with the tbsp. butter over medium heat until nuts are toasted. Sprinkle over the mashed potatoes. This dish can be prepared the day before, refrigerated and heated in the oven prior to serving.

Roasted Pear Dessert

4 Large ripe Bosch or Anjou pears

1 tbsp. lemon juice

1 tbsp. softened butter

$\frac{1}{4}$ tsp. salt

1 tsp. orange peel

2 tsp. orange liqueur

$\frac{1}{4}$ cup orange juice

1 tsp vanilla

2 tbsp. chopped almonds

$\frac{1}{4}$ cup Brown sugar

Preheat oven to 350 degrees – Cut pears in $\frac{1}{2}$ and scoop out the center creating a 1" depression in the middle. Brush cut side of pears with lemon juice to prevent browning.

Spread the butter at the bottom of a 2 quart rectangular baking dish and sprinkle with the brown sugar and the salt. Add the orange juice and place the pears, cut side up in a single layer in the baking dish. Bake for 20 to 30 minutes, spooning cooking liquid over the pears several times while baking, until pears are just tender.

Remove from oven. Stir the vanilla and orange peel into the baking dish and allow to stand until completely cooled. Turn pears face down into liquid and chill for at least 2 hours (up to 24 hours). To serve, bring pears to room temperature or heat in oven until warmed, sprinkle with almonds and juice from the baking dish.

TIP – Try a splash of Cointreau for a fabulous ending!!!!

HAPPY THANKSGIVING TO ALL !!!!!

Caribbean Odyssey – Event Chair: Bill Danilczyk. On Sunday December 15th at 1 PM at the West Islip Library, Bill and Maureen will present the story of their 12 month exciting adventure sailing down to the Caribbean and visiting many of that regions islands. Maureen did the entire adventure with Bill and therefore should qualify for the "Wife of the Year" award. Here is Bill's description of their adventure:

We left the Chesapeake and during the next week sailed directly to Virgin Gorda heading east toward Bermuda and then south to the BVI. Over January and February we toured the BVI (Tortola, Anagada, Jost Van Dyke, Norman Island, Cooper Island and Peter Island). We also went to St Thomas and St John for a week.

We then sailed to St Martin in March followed by a few days at St Bart's then back to St Martin.

Then in April we sailed from St Martin to Nevis then Montserrat, then Antigua, Guadeloupe, The Saints, Dominica, Martinique, St Lucia, Bequia, Mayreau, Tobago Cays, Union Island, then

Grenada. We hauled the boat at Grenada Marine on the south east side of Grenada for the summer. We missed much of the Grenadines which we hope to explore in November this year.

Maureen sailed every leg of this trip with me. We had a few friends and family on some of the weeks we sailed but most of it was just the two of us.

There were many great places and some exhilarating times for us sailors. But most of the trip was very smooth and beautiful. My only regret is not spending more time at each island. A major mistake is presetting your itinerary and having to keep to a schedule.

### ***Report of the Fleet Captain—Roger Daisley***

The last few rendezvous of 2013 were as you'd expect—lots of great fun!

Dave and June Tedesco of *Phoebe Rose* hosted a rendezvous at the Oak Island Lead with 14 boats in attendance. And as usual, it was hard to get to all the boats and sample all the fantastic food. We've had lots of good songs at many of our events, but this time Nadia serenaded us from *NAIAD*.

The next weekend was somewhat unique as the rendezvous hosts couldn't get their boat, *Heart of Gold*, moving! Fred and Betty Golder had some prop issues, but finally managed to get to the rendezvous with all the multitude of food they'd prepared, and eight boats were there to enjoy the Golder-hosted Oktoberfest.

That was followed by a substitute host at Davis Park. Jeff and Sharon Bieselin of *Dream Voyager* volunteered to fill in for Rich and Sue Troy, and once again we had a great turnout on a beautiful sun-filled Autumn day, a total of 17 boats. And by the way, if you haven't been there this year, Davis Park is so much better than I had remembered from years past, and we all had a great time as we've come to expect of all our rendezvous.

There were 25 boats that made it to Fall Family Weekend at Atlantique, where we enjoyed resident rates even for the non-residents among us. There was pumpkin decorating and the kids had fun with paint and stickers. As you have come to expect, all the kids won a prize for their very creative designs. But there was a special award for Della Bucher for her creating a frog out of her small pumpkin.

And we ended the year with another 20 boats at Atlantique for the joint BSYC/SBCC joint rendezvous that followed the Discoverer's and Ray Terry race. It was a very windy weekend, and the last weekend the ferry made the Bay Shore to Atlantique trip. The usual scrumptious pitch-in dinner was followed by music by many of the SBCC band members at Atlantique's Shack—a perfect end to the rendezvous season.

Now that the scheduled rendezvous are finished for the year, I'll start counting up all the boats that participated in all of our rendezvous and cruises. We started the season without knowing what marinas and coves would be available and navigable, but everything worked out. It was without a doubt another great year season for our sailors both on and off the Great South Bay.

*Harry Manko used a drone to take aerial pictures of the BSYC – SBCC gathering, and several others took pictures from ground level.*

### ***The Ray Terry Race / Discoverers' Invitational & Rendezvous Weekend***

***Roger Daisley***

What a great weekend! On Columbus Day weekend, once again the Bay Shore Yacht Club joined with the South Bay Cruising Club to compete in the annual Ray Terry Race (BSYC) and Discoverers' Invitation Race (SBCC), followed by a combined rendezvous at Atlantique. There were 20 boats starting the Bay Shore to Atlantique race, with most spending the night Saturday night at Atlantique and joining in the food, fun, and music.

The pursuit start on Saturday morning seemed to get going smoothly, and we all headed south to "Crazy Charlie." Approaching and rounding Charlie, the fleet was starting to catch up with the starters ... and then things started to get a little crowded, as well as very, very windy. Several boats ran aground, and two had to be towed off the shallows south of Fire Island West.

But there was a great finish with two boats almost nose to nose as they crossed the finish line, with Della Bucher being the North end of the finish line.

At noon, Harry Manko of *Full Circle*, who managed all the promotion and organization of the race and the acquisition of trophies for it, as well as participating in the race, gave out the awards. Dave DeRuvo sailed Lady Adele to Win the Ray Terry Cup and 1st Place Combined Race, Bill Wheeler sailed Annie B to Win the

Discoverers' Race and get 2nd Place Combined, and Bryan McLoughlin sailed Windswept to a 2nd Place Discoverers' and 3rd Combined.

We then had a brief welcome by both Commodore Russell Pearson from Bay Shore Yacht Club (*Buccaneer*), followed by the South Bay Cruising Club's Sue Montana – who had also raced with her *Habanero* Hot Chicks crew – and then everyone enjoyed some very welcome drinks and food.

For the rendezvous, hosted by Jerry Holwell and Roger Daisley, the group did its best to create a wind block against the increasingly stronger winds, in order to share a pot luck dinner safe from the blowing sand. And, at the end of the very windy afternoon, the group moved to The Shack at Atlantique, and Harry Manko (*Full Circle*), Gaspare Messina (*Laurie Jean*), Charlie Margeson (*Shadow*, winner of last year's race), and Mark Romaine (*Lettuce Buy*) played guitars, and everyone (who knew the words) sang along, with several solos performed by DJ Greco (*Tanzanite*). All have been performing in the SBCC's band, The Old Salts, the last few years.

The wind did not abate until late Sunday evening, and some boats stayed, rather than braving the elements. And so, on Sunday evening, the remaining boat captains and crew members were all were invited aboard Jerry and Jean Howell's *Galatea* for a pitch-in dinner. More great food, drink, company, and stories!

### **YEARBOOK COMMITTEE by Peg Daisley**

The first meeting of the Yearbook Committee will held **Wednesday, November 13th at 7pm** at Peg Daisley's house, 309 Asharoken Blvd in Bay Shore. New members are most welcome, especially if you have an interest in writing, editing, proofing, and photography and book production. Bob Bennett will serve as the Photo Editor again this year, and we will be making a special effort to gather photos from as many members as possible for inclusion in the 2014 Yearbook. We have so many great photographers in the SBCC, and also artists working in other mediums. Please don't be shy about sharing your ideas and your work!

# Out And About

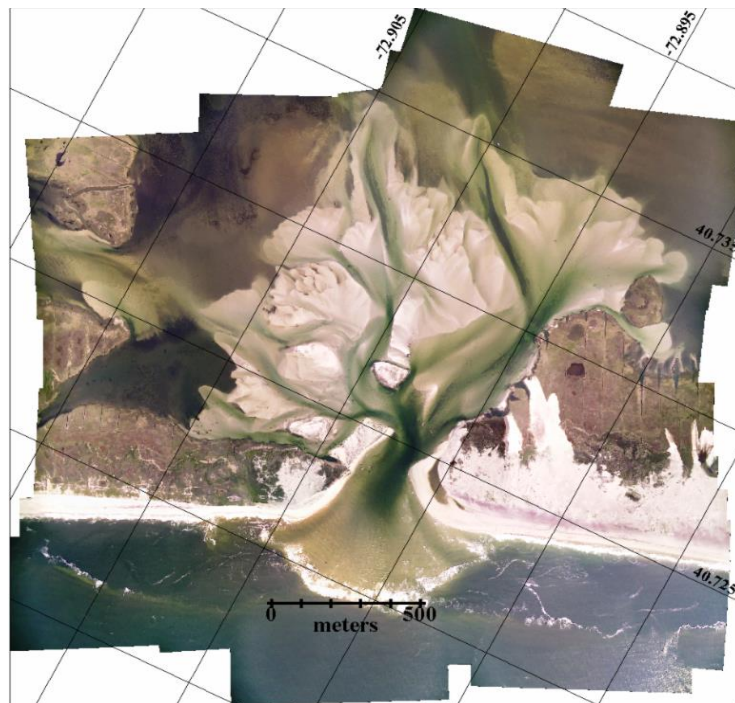

Fiona crossed the Atlantic sailing double-handed to the Azores. Unfortunately my crew got word that his son was seriously ill and he left from La Gomera in the Canaries. I sailed single-handed to the Cape Verde islands and across the Atlantic to Salvador in Brazil. Here I picked up a cruising couple who sailed with me to Santos. When they left another crew joined me for the leg to Punta del Este in Uruguay. Fiona is there now. When I return on 4 November I will have a crew of three for the trip along the coast of Antarctic continent to Cape Town, South Africa.
