Last week, Habanero was hauled out for the season, and today I'm writing my last column as the Commodore of the South Bay Cruising Club. I hope you've had as good a time these past two years as I have! It would not have been possible without the amazing support and hard work of your Board of Governors, the various Committee Chairs, the Committee members who make every cog of the Club's wheel's turn, and all the Club members who reach out to one another on shore and off.

We've had a record number of new members join our ranks these past couple of years, exciting programs and races, and friendly cruises and rendezvous.

We've also had our share of less than welcome news, from the passing of too many of our members, to those of our members whose lives have been forever altered by Superstorm Sandy in October 2012. Some have still not recovered, and some will never be made whole. I know the friendships people form in our Club can be particularly important at these times.

I hope you are all planning to join us at the Holiday Party at the Snapper Inn on December 14th. The Hospitality Committee has taken care of all the arrangements, including Della's famous cookie platters, and it promises to be a fun time for all.

By now you have received your dues renewal forms from our new Membership Committee. Please send your responses in as quickly as possible to minimize their having to send additional reminder mailings and otherwise follow up with you. I especially encourage everyone to do one small thing to get involved in the Club. Participate in a Committee, write up something for the Masthead, submit some great photos to the Yearbook Committee, sponsor a new member or associate. Our club is as wonderful as it is because of all of you.

I want to thank all the members who volunteered to serve on the Board, and those members who have gone out of their way to be so supportive of me during my watch at the SBCC helm these past two years. It has been quite an excellent journey for me, and I'm looking forward to my retirement!

Most sincerely,
Sue Montana

Should old acquaintance be forgot.....

Right now we are in the midst of Thanksgiving and Chanukah but there's still Christmas and the New Year ahead of us!

So if you're planning on staying home with family and friends on December 31st, then I have a menu that is easy to prepare, can be made ahead of time, and won't stress you out. It will allow you to enjoy the evening in good company while serving a wonderful holiday meal to your guests. I particularly love having this holiday celebration at my house because I have found a serving method that allows me to relax and enjoy it myself;

I serve the appetizers at 7 p.m., the first course at 8 p.m., the main course and side dishes at 9 p.m., the coffee and desserts at 10 p.m....and so on until the bubbly is served.

This allows your guests to enjoy one dish at a time, allows you the time to enjoy a round of conversation between servings, and it makes the night linger long in anticipation of MIDNIGHT!!!!

FRESH, CRISP FENNEL SERVED WITH NAVEL ORANGE MEDALLIONS AND BLACK OLIVES,
TOSSED IN AN ORANGE BALSAMIC VINAIGRETTE

PANDORO DESSERT

MOIST, SWEET STAR-SHAPED SLICES OF PANDORO

SERVED WITH CREAM AND CHERRIES

CHAMPAGNE RISOTTO Serves 4 to 6 people

1 LB. CARNAROLI OR ARBORIO RICE

½ STICK BUTTER

2 TABLESPOONS OLIVE OIL

SMALL YELLOW ONION, FINELY CHOPPED

1 CUPS PARMIGGIANO REGGIANO

2 CUPS VEGETABLE BROTH, SIMMERING

1 BOTTLE OF CHAMPAGNE (Choose from either a Brut which is dry and is the typical style of Champagne with no sweetness or an Extra-Dry which is still dry but with a hint of sweetness). You will use about ¾ of a bottle in this recipe.

SALT AND BLACK PEPPER TO TASTE

Make vegetable stock and bring to a simmer in a medium saucepan, then lower the heat so that the stock just stays hot. In a large, heavy-bottomed saucepan, heat the oil and half the butter over medium heat. When the butter has melted, add the chopped onion and sauté for 2-3 minutes or until it is slightly translucent. Add the rice to the pot and stir it briskly with a wooden spoon so that the grains are coated with the oil and melted butter. Sauté for another minute or so until there is a slightly nutty aroma. But don't let the rice turn brown.

Add the champagne and cook, constantly stirring, until the liquid is almost fully absorbed.

Add a ladle of hot vegetable stock to the rice and stir until the liquid is again almost fully absorbed. When the rice appears almost dry, add another ladle of stock and repeat the process.

Continue adding ladles of hot stock and stirring the rice while the liquid is absorbed. As it cooks, you'll see that the rice will take on a creamy consistency as it begins to release its natural starches. Taste it frequently and remove it from the stove once it is al dente and cooked (rice should be tender but still firm...but not crunchy)

Stir in the remaining butter, the parmesan cheese and season to taste with salt/pepper.

Serve immediately.

EGGPLANT TOWERS Serves 4 people

2 ROUND, PURPLE EGGPLANTS, CUT INTO ½" THICK ROUNDS
SALT - OLIVE OIL – 1/2 TSP FRESH GARLIC, MINCED
4 TBSP. FRESH PARSLEY, CHOPPED - 1/4 CUP PARMESAN CHEESE
1 LARGE SMOKED MOZZARELLA, CUT INTO ½' THICK ROUNDS
THIN SLICES OF FRESH TOMATO, ABOUT THE SAME SIZE AS THE ROUNDS
1/2 CUP PESTO (OR USE YOUR FAVORITE TOMATO SAUCE INSTEAD)
PREHEAT OVEN TO 400 DEGREES.

Lay paper towel inside a colander and place colander in the sink
Lay eggplant on the paper towels in a single layer and salt.

Cover with double layer of paper towels and weigh down with a pot or something heavy and let the moisture release from the eggplants for 20 minutes. Wipe off salt.

Drizzle 1 tbsp. olive oil on a rimmed baking sheet. Add eggplant rounds in a single layer and drizzle with olive oil.

Bake for 10 minutes, and flip. Bake for 10 minutes more. Remove from oven.
If you prefer, you can grill the eggplant rounds until browned on each side instead to baking them.

Drizzle a large rimmed baking sheet with olive oil. Place 4 eggplant rounds on the baking sheet.

Begin to make layers so that each tower has 3 layers. Brush either the pesto or the tomato sauce on the eggplant round, follow by one round of the smoked mozzarella, a light sprinkle of garlic and parsley, a light sprinkle of Parmesan cheese and finally a tomato round. Repeat layer 2 more times. Do this for all 4 towers.

This can be made the night before and refrigerated.

Prior to serving, bake uncovered for 25-30 minutes.

For effect, make a pesto or sauce swirl on the bottom of the plate and center the eggplant round onto the swirl.

Serve Hot.

WINTER FENNEL SALAD

Serves 4

1 LARGE FENNEL CUT INTO THIN SLICES

2 NAVEL ORANGES, PEELED, WHITE AREA REMOVED & SLICED INTO ROUNDS

1/2 FRESHLY SQUEEZED BLOOD ORANGE

½ FRESHLY SQUEEZED LEMON

OLIVES, PITTED – I LIKE TO MIX SEVERAL TYPES OF BLACK OLIVES BUT YOU CAN USE YOUR FAVORITES IN ANY COMBINATION. KEEP IN MIND THAT TOO MANY OLIVES MAKE THE SALAD TOO SALTY.

SALT & PEPPER TO TASTE

OLIVE OIL AS NEEDED

CHOPPED FENNEL GREENS FOR GARNISH

Wash and slice fennel, place in salad bowl.

Add the orange rounds, making sure that you remove all pits and properly cut away all the white area, as this is the bitter part of the orange.

Add the olives, a pinch of salt (or not, olives may be already very salty), the chopped fennel greens and a little black pepper, to taste.

Using a hand blender to make the dressing, place orange and lemon juices into the blender. While blending, slowly drizzle the olive oil into the juices until you achieve a smooth consistency in the dressing. Adjust salt and pepper to taste. Pour over salad slowly and use only the amount necessary to flavor the salad. You want to avoid making the fennel taste greasy.

This salad can be dressed up to two hours ahead of time as the fennel will not wilt. Place in the refrigerator for up to two hours and take it out 15 minutes prior to serving to bring it to almost room temperature.

PANDORO DESSERT

This is an Italian classic available only during the holiday season.

As you can see from the photo, Pandoro (which translated means “Golden Bread”) is a tall, yellow cake-type dessert. It is purchased readymade and comes with its own powdered sugar packet. The aroma is heavenly and the flavor is sweet and buttery...perfect served either with coffee, champagne, spumante or an after dinner licquer. (Gemelli’s in Babylon carries it and so do most Italian specialty food stores).

You can serve this right out of the box, as pictured, with a light dusting of powdered sugar on top. Cut the Pandoro into long, thin, vertical slices. Serve dry.

Another way to serve it is decorated and with a cream on the side.

The previous picture shows a Pandoro that has been gently laid on one side, and sliced horizontally into approximately 1" slices.

When you put the Pandoro back together again vertically and stagger the slices, a Christmas tree effect is created. Dust it with the powdered sugar to create the effect of fallen snow, and place Maraschino Cherries on the tips to simulate decorative balls. On the top of the Pandoro, if you don't have the time to create a star with dried fruit as shown in the picture, then do what I do...I cheat and place a real tree decoration on top for final effect!

Again, you can serve it this way, dry, or place a dish on the table with a sweet cream that guests can scoop onto their Pandoro slice. You can use any type of cream you like; vanilla custard, Chantilly cream, Mascarpone cream, Chocolate cream, fruit compote...there is no wrong way to serve this (crush some chocolate or pecans into the cream and add a surprise crunch!).

Your guests will be delighted not only with the festive way this dessert looks, but they can have fun customizing their slice with a delectable cream center.

**To All of you I send a sincere wish for a
Healthy & Happy New Year.**

"May Light always surround you;
 Hope kindle and rebound you.
 May your Hurts turn to Healing;
 Your Heart embrace Feeling.
 May Wounds become Wisdom;
 Every Kindness a Prism.
 May Laughter infect you;
 Your Passion resurrect you.
 May Goodness inspire
 your Deepest Desires.
 Through all that you Reach For,
 May your arms Never Tire."

A Lot to Celebrate at the Holiday Party on December 14th!

First of all, the price is a very affordable \$25 per person for a most enjoyable meal the Snapper Inn, the SBCC's official home port. Secondly, we had a most beautiful Autumn this year, with no hurricanes to recover from. So, there's no excuse not to be there, celebrating another wonderful sailing season with the club.

The holiday party starts at 6pm sharp in the new dining room of the Snapper Inn www.thesnapperinn.com with hot and cold hors d'oeuvres. The buffet dinner will include roast pork with rosemary Dijon mustard crust, tilapia with lemon caper sauce, eggplant rollatini, and sliced sirloin at the carving station. Jazz musician Peter Lauffer will once again provide piano music throughout the evening.

You need to RSVP by December 12th to our Hospitality Chair. If you send a check, make it out to the SBCC, but you can also pay at the door. No need to specify your meal choice ahead of time, as this is a buffet.

We look forward to seeing you there!

From the Membership Committee

We'd like to thank all of you in the Club who sponsored new members these past two years while we were in charge of Membership. In 2013 we had 13 new families join the South Bay Cruising Club, and 12 new families in 2012. Our Club continues to grow because of YOU.

Thanks also to all the new members who are jumping right in and volunteering on committees, hosting rendezvous, joining our cruises, and racing. They have become active participants in our Club and some are even now joining the Board. Without this participation, we would not have a Club. It takes all of us to make it all work.

Please continue to invite your friends and fellow sailors to our seminars and events throughout the winter so they can see first-hand what the SBCC is all about. This has been a wonderful way to introduce folks to our current members, and a great way to get new members to join us. Did you know that most new members join in the first half of the year?

As we step down from Membership, we hand it over to Jay & Stephanie Pizer, who only joined the SBCC less than two years ago. They have mailed out the dues letters to all of you, and we would appreciate you sending in your check and dues form to them in a timely manner (before January 31, 2014). Thanks Jay & Stephanie.

Joe and I will continue to serve on several committees in the Club, and I will become your Fleet Captain in January. With your help and participation, we will continue to make this a fun Club to be a part of. Any ideas and positive comments are always appreciated and will help make my job that much easier. Thanks again to all and keep up the good work!

From our Fleet Chaplain

To our friends who have become family and our family who have become friends- May we each be blessed with the same love and care we give to others. For those in our workplace, with whom we share more hours during the day than with our families, may we be family to each other, and look on each one with care and attentiveness. As we go through our day, may we be conscious of the sacred in each person we meet and smile a prayerful greeting. May we take a moment today to be thankful for family, friends and colleagues.

Firefighters of the SBCC: THANK YOU!

Fire! I yelled, and then used the air horn to execute 5 short blasts. Gerry Holwell, Dennis Krug, Charlie Becker, Jay Pizer, and Jack Tinnelli were the first to arrive along with Richard.

Wow! What a response by our amazing SBCC captains. In seconds, and I mean mere seconds, there were SBCC captains inside the smoke filled cabin of NAIAD as she floated in her slip at the Atlantique Marina. They were searching for the source of the fire and it was not readily apparent as the entire cabin was filled with smoke but there were no flames. My husband, Richard came running down the dock, I handed him the fire extinguisher and after the battery compartments were found to be ok, he located the source which was in the bilge pump area. A quick discharge from the extinguisher and the fire was out. What happened, you ask?

After a lovely early afternoon enjoying the ocean beach and greeting SBCC members as they arrived for the weekend at Atlantique on 05 October, I was chatting with Gerry Holwell as we stood on the dock. Richard was down at the picnic tables beginning to take photos of the children and adults starting pumpkin carving and party beginnings. I noticed a wisp of smoke exiting the main companionway sneaking up through the doors which were closed. Without a word to Gerry, I just about flew from the dock to the companionway, realizing it was a fire, I ran down holding my breath & quickly looked around for flames, being unsuccessful, I grabbed one of our 3 fire extinguishers mounted on board, ran up on deck, grabbed the air horn and sounded the alarm.

Five brave souls immediately appeared ready for battle with extinguishers and flashlights. It was quite thrilling to see what a fast response we had and both of us are so thankful for your help and generosity. After an hour

or so of initial cleanup in the cabin, we prepared to join the cocktail party at the picnic tables. The smoke was nasty and black and it went everywhere. Uggh! Gerry lent us a nice big fan to help air out the boat which we used all night long. We had several offers to sleep on board other boats and we thank you all for your kindness and generosity. Bob and Carole Sheppard had us over in their boat for dinner with the Krugs where they kept us as late as possible so we didn't have to spend too much time in our smoky smelling cabin. As it turned out, the weather cooperated, allowing us to keep all of the ports and hatches open, and with the borrowed fan from Galatea running, the forward bunks were sleep-able.

To top that weekend off, after I had finished cleaning out the bilge area and packed up our things to bring home, I slipped and broke a bone in my foot. That's why you haven't seen me at any SBCC events or in West Marine West Islip lately. I have only just returned to work!

Again, to all of you who came to our aid, our deepest and most heartfelt gratitude. Please know that we will never forget this. It's wonderful to be in yacht club with so many caring and considerate sailors.

PS: Please check your copy of Chapman's Piloting or the Navigation Rules for the correct use of 5 short horn blasts. While this strictly means imminent collision, the overarching use as "dangerous situation is developing" is why I used it.

If you or a vessel that you are approaching feels that a dangerous situation is developing, the danger signal should be sounded. The signal is 5 short horn blasts.

See http://www.boatus.com/foundation/guide/navigation_3ce.html#sounds for a really nice little video with sound.

Some of the Winning Dessert Recipes from the Boatyard Party

NANA'S APPLE PIE *by Jean Holwell*

1 1/2 cups sugar
3 tblsp. Cornstarch
1 1/2 tsp. cinnamon
9 cups sliced, pared, cored apples (I usually use 1/2 Granny Smith & 1/2 MacIntosh)
1 tblsp. lemon juice
2 tblsp. Margarine

Make pie crusts for 2- crust pie (I use boxed Betty Crocker Pie Crust Mix) & put bottom crust in 10" pie plate. Mix all ingredients except margarine, & put in shell. Put on top crust, slit & put pats of margarine on each slit. (I also sprinkle some sugar on top crust.) Bake in 425 degree oven for about 1 hr. 5 min.

LUSCIOUS LEMON MERINGUE PIE *by Dave Tedesco*

Pastry (or skip this and use prepared crust)

1 cup Gold Medal® all-purpose flour
1/2 teaspoon salt
1/3 cup plus 1 tablespoon shortening
2 to 3 tablespoons cold water

Filling

4 egg yolks
1 1/2 cups sugar
1/3 cup plus 1 tablespoon cornstarch
1 1/2 cups water
3 tablespoons butter or margarine
2 teaspoons grated lemon peel
1/2 cup lemon juice

Meringue

4 egg whites
1/4 teaspoon cream of tartar
6 tablespoons sugar
1/2 teaspoon vanilla

Directions

In medium bowl, mix flour and salt. Cut in shortening, using pastry blender (or pulling 2 table knives through ingredients in opposite directions), until particles are size of small peas. Sprinkle with cold water, 1 tablespoon at a time, tossing with fork until all flour is moistened and pastry almost cleans side of bowl (1 to 2 teaspoons more water can be added if necessary).

Gather pastry into a ball. Shape into flattened round on lightly floured surface. Wrap in plastic wrap; refrigerate about 45 minutes or until dough is firm and cold, yet pliable. This allows the shortening to become slightly firm, which helps make the baked pastry flakier. If refrigerated longer, let pastry soften slightly before rolling.

Heat oven to 475°F. With floured rolling pin, roll pastry into round 2 inches larger than upside-down 9-inch glass pie plate. Fold pastry into fourths; place in pie plate. Unfold and ease into plate, pressing firmly against bottom and side. Trim overhanging edge of pastry 1 inch from rim of pie plate. Fold and roll pastry under, even with plate; flute as desired. Prick bottom and side of pastry thoroughly with fork. Bake 8 to 10 minutes or until light brown; cool on cooling rack.

Reduce oven temperature to 400°F. In small bowl, beat egg yolks with fork. In 2-quart saucepan, mix sugar and cornstarch; gradually stir in water. Cook over medium heat, stirring constantly, until mixture thickens and boils. Boil and stir 1 minute.

Immediately stir at least half of hot mixture into egg yolks; stir back into hot mixture in saucepan. Boil and stir 2 minutes; remove from heat. Stir in butter, lemon peel, lemon juice and food color. Pour into pie crust.

In medium bowl, beat egg whites and cream of tartar with electric mixer on high speed until foamy. Beat in sugar, 1 tablespoon at a time; continue beating until stiff and glossy. Do not under beat. Beat in vanilla. Spoon onto hot pie filling. Spread over filling, carefully sealing meringue to edge of crust to prevent shrinking or weeping.

Bake 8 to 12 minutes or until meringue is light brown. Cool away from draft 2 hours. Cover and refrigerate cooled pie until serving. Store in refrigerator.

Guest Speakers

Charlie Flagg, Ph.D, Research Professor, School of Marine and Atmospheric Sciences(SoMAS) at Stony Brook [SOMAS](#)

Prof. Flagg will share his perspective as a research scientist and will provide a slide presentation of images of the breach at Old Inlet taken during his numerous observation flights over the area. Mr. Flagg has been studying the circulation of the costal lagoons of southern Long Island using a combination of numerical modeling and observation. Currently, he is looking at the impact that breaches in Fire Island might have on circulation, sea level, and salinity distribution in Great South Bay. Pof. Flagg will share data collected at the Bellport marina and by the SoMAS research buoy in Great South Bay that show some noticeable changes since Sandy. [Most recent report](#)

Christopher Soller, Superintendent, Fire Island National Seashore (FINS)

Mr. Soller will provide a brief update of the Seashore's involvement in the implementation of a 1997 multi-agency Breach Contingency Plan [BCP](#). This plan calls for the immediate filling of breaches on Fire Island which do not occur in federally-designated wilderness. For a breach within the Otis Pike Fire Island High Dune Wilderness, a more conservative response is prescribed, and includes inter-agency monitoring of the behavior of the breach, while initially allowing it to close naturally. If the breach is determined to have adverse impacts on water levels in surrounding communities, it will be closed immediately. Supt. Soller will share data gathered by the National Park Service and partner agencies at the breach at Old Inlet.

[FINS Most Recent Observations](#)

Jim Gilmore, Director, Bureau of Marine Resources, New York State Department of Environmental Protection [NYSDEC](#)

Mr. Gilmore will provide and update of the decision making process with regard to if the inlet will be closed manually or allowed to remain open. The NYSDEC works with its partners to monitor the breach, ensuring that data is available to inform management decisions. No monitoring results to date have triggered the immediate closure of the breach.

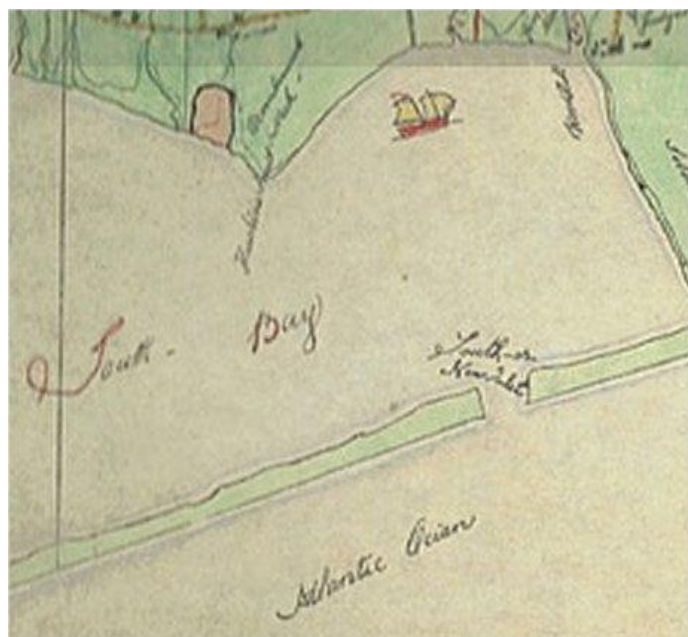

Anthony L. Graves, Chief Environmental Analyst, Town of Brookhaven, Department of Planning

Mr. Graves will discuss the implications of water quality impairments in Great South Bay for local governments, and beneficial effects on water quality of the new inlet. The additional flushing provided by the new inlet appears to be decreasing the concentrations of pathogens and other pollutants, and also reducing the impacts of Brown Tide blooms within Bellport Bay. [Report on Brown Tide Densities 10/8/13](#)

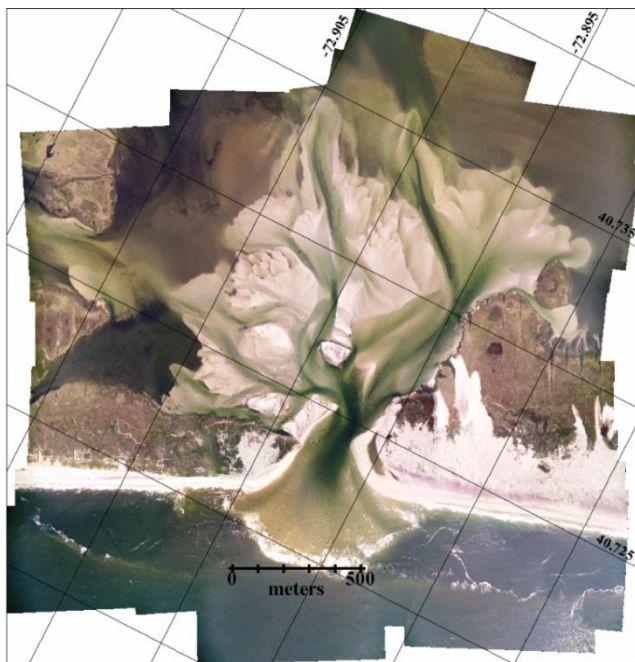

Kevin McAllister, President, Peconic Baykeeper

Mr. McAllister, president of [Peconic Baykeeper](#), will provide a perspective with regard to the ecological advantages of additional sustained flow between the ocean and Great South Bay. Peconic Baykeeper is the only independent not-for-profit advocate solely dedicated to the protection and improvement of the aquatic ecosystems of Peconic and South Shore estuaries of Long Island. As sprawl development continues to harden the island's landscape, pollution threatens the vitality and

health of our bays. Their recovery depends on kinds of enlightened coastal management policies and responsible development practices that can be adopted when citizens and communities are informed and engaged in decision making.
