FROM THE HELM

Charlie Margeson

Fellow SBCC Members and Associates:

I hope you were able to get out and enjoy the weather last month—it was unusually nice. I got back into racing mode and did the Thursday night race series. I crewed for friends for two Tuesday BSIR races and we did the Annual Mayor's Cup race again this year. The winds were very light for all the Thursday night races which was challenging but the Mayor's Cup race on Sept 12th was very exciting. Strong winds made for a great race. There was also an "interesting" twist this year. A huge boat rally formed in Babylon Bay after the start of the race and all racers had to sail through the flotilla of powerboats to get to the finish line. It was quite a rush, including I'm sure for the rally boaters! It certainly was a fun day. See the pictures on the race website and in the article in this issue. Our own SBCC member Eric Winberry did a great job organizing this event for the 2nd year in a row. Nice job Eric! (He also has the best picture of the day- *Aleboat* on a spinnaker run and right on the edge).

Janie and I got out to two rendezvous last month. We missed the big Bellport race/RV on Labor Day weekend due to family obligations but we did join the Pizers for the Rodeo Roundup in Great River and the Hemlock Cove RV on Sept 26th. While the RV attendance has been understandably smaller this year due to Covid health concerns, I have to say I find them just as enjoyable. And I always sleep so well on the boat.

Upcoming Events

- 10/3—Great River RV
- 10/4—Louis Orv Invitational race
- 10/6, 10/13—BSIR races
- 10/10—Discoverer's race
- 10/10—"Fall Family Weekend" RV (Location TBD—check your email in the next few days)
- 10/17—Last Chance Race
- 10/17—Final RV at Davis Park
- 11/7—Boatyard Party at Cook's Boat Yard (Long Island Yacht Sales)
- 12/12—Holiday Party at Shandon Court

The SBCC season is not over yet. In October we still have three rendezvous planned, including the big Fall Family Weekend hosted by Jeff Mattera. There are also three weekend races including our biggest race of the season- the Discoverer's Race - a club favorite for both cruisers and racers. So come on out and let's enjoy the last and best weeks of the season.

See you on the Bay!

FROM THE FLEET CAPTAIN**Mara Liesegang**

I am finding it very hard to accept that the season is coming to a close. Despite all the challenges this year, we have had a fantastic summer. RVs have been well attended considering all that is going on. Our dinghy system has worked well, with people staying a bit further off or not partaking in sharing food if they were uncomfortable. The creativity in food sharing has been amazing! All in all, those that participated made their summers a little brighter!

We have only a few RVs left for the season, with some changes being made as they approach.

October 4th we are back in the river with Heather Dawson (using *Dust in the Wind* as a surrogate boat) for a "Moondance." It will be a marvelous night—and yes, we have an October sky! Glen will be racing a 470 at Oakcliff, and we all wish him luck!

Fleet Captain, Mara Liesegang

Bellport RV 9/5

October 10th - LOCATION CHANGE! - The RV portion of the Fall Family Weekend is being moved to Watch Hill or Davis Park. Atlantique is closed to non-residents due to the pandemic. Check your email in the coming days for information relative to location. Jeff Mattera on *Eagle's Wings* has some fun things planned for the weekend! Remember to bring masks. Covid rules apply and they must be worn as you are moving about the docks.

If you plan on attending and are bringing any kids, **please** let me know! We have some activities planned and don't want anyone left out. We want to be sure to have the appropriate amount of supplies, and again, things have to be done a little different this year. *Please send info to mizzmara@aol.com; subject line: Fall Family W/E.* If the weather cooperates we will hold a final RV on the 17th. The location was set for Davis Park but we may change that after just being at Watch Hill. Watch for an email!

MAYOR'S CUP RACE

Robyn Silvestri of "Save the Great South Bay"

A very special thank you goes out to Eric Winberry for reviving this great race. This was the second year the race has been run after having remained dormant for years. It was a fantastic day enjoyed by many. Below, please find the slightly modified press release, c/o Robyn Silvestri of the "Save the Great South Bay" organization describing the day's events.

It was a perfectly beautiful day for sailing and much befitting the prestigious 2020 Mayor's Cup Charity Regatta benefitting Save The Great South Bay which took place on Saturday, September 12th. Hosted by the [South Bay Cruising Club](#) and run by Race Committee Chair John Davis, the 7.86 nautical mile course was sailed by a total of eighteen boats in three classes – Spin, Non Spin and Cruising. The race was captured in awe-inspiring photographs by Michael Busch of Great South Bay Images.

This exciting race was memorialized at the Awards Ceremony held at the stunning Long Island Yacht Club located directly on the Bay in Babylon Village. Sumptuous delicacies were served up by Bill Zeller and the Captree Clam crew including mouthwatering tuna tacos and Bill's tasty pulled pork and cornbread. Omar was on fire at his shucking station serving up Long Island's finest clams and oysters on the half shell all washed down with ice cold "Drink the Bay Clean" provided by Blue Point Brewing.

A delightful awards ceremony was emceed by race organizer, SBCC's own Eric Winberry with Babylon Village Mayor Ralph Scordino presenting the awards. *Hooch*, captained by B. Kennedy took first place in the Spin Class with *Aleboat* close behind. In the Non-Spin, *Dark Star* captained by Rick LaTorre took first followed by *Merry Ann* (2nd place) and *Shadow* (3rd place). *Galatea*, captained by Andy

Mirchel took first place in the Cruising Class followed by *Sabbatical* (2nd place) and *Wanderlust* (3rd place).

At half past four, little Jack Winberry pulled the winning ticket for the amazing Paddleboard raffle donated by South Shore Paddleboard. And the winner was—Todd and Kristin Shaw! Congrats Shaw Family. We truly hope you enjoy that board out on the Bay.

Race organizer Eric Winberry in *Aleboat* on a down wind leg.

Event volunteers Karen Marvin, Director of Events at Save The Great South Bay, Dave Schradler, Lindenhurst Creek Defender, and KK Shaw created a beautiful set up under the Long Island Yacht Club's big top with the dedicated support of Long Island Yacht Club catering manager, Diane.

Save The Great South Bay is a local 501(c)3 non-profit that advocates for and implements real solutions that help protect and preserve the Bay, and with that, strengthen our South Shore communities. Our volunteer-driven activities include the Creek Defender creek clean up program, the Great South Bay

Oyster Project and a multitude of Habitat Restoration programs. It's our bay, our heritage — and our legacy. It is up to all of us to protect it for today and for future generations to enjoy.

To learn more about Save The Great South Bay, visit www.savethegreatsouthbay.org and follow us on social media. See you at the Mayor's Cup 2021!

"The cause began August 4th, 2012 as the Sayville Class of '77 celebrated their 35th at The (Late Lamented) Grey Horse Tavern in Bayport. We came back and saw what had happened to our bay and were shocked and disgusted. Howard Ryan and Marshall Brown, both 'Sayville 77's alumni, found that all they they could talk about that night was how the bay we had all grown up on was dying." - The previous statement was excerpted from the Save the Great South Bay web site. It prompted me to join! I encourage you all to join as well!

FROM THE REGATTA CAPTAINS**Duncan and Barbara Burns**

As the sailing year winds down, here are the last of the 2020 regatta events:

- Tuesday October 6th at 6PM in Bay Shore for the BSIR.
- Saturday October 10th at 12 noon in Bay Shore for the Discoverer's Race.
- Tuesday October 13th at 6PM in Bay Shore for the BSIR.
- Saturday October 17th at 1PM in Babylon for the Last Chance Race.

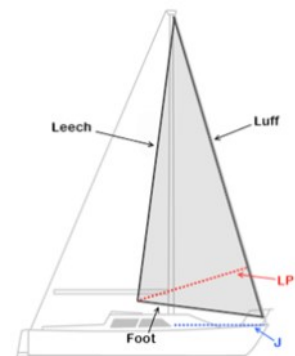

P.S. A warm welcome and a reminder that the Babylon Yacht Club is proud to hold the annual Louis Orr Invitational. The race will be on Sunday, October 4 at 1200. The start area will be Babylon. As with most events on the Bay this year there, sadly, there will be no after party or awards. If you place, we will be sure to properly recognize you and get you the proper award.

Please register by emailing regatta@babylonyachtclub.com. Please find a copy of the NOR and SI on the BYC website. We are happy to answer any questions you may have. Looking forward to seeing you out there.

FROM THE HANDICAP CHAIR**Ted Drossos**

There are going to be some changes in the "2021 SBCC Handicap Regulations and Rules" that will affect your present handicap rating. If you are planning on doing any racing in the 2021 season, you must fill out a new handicap form. More information on that will follow. Now is the perfect time to gather some important information that we will need to calculate your largest headsail size. Before you store your sails for the off season, spend a few minutes now to measure the size of the largest headsail that you will use while racing in the 2021 season. Lay your sail flat on the lawn and put a screwdriver or similar object through the ring or webbing at the tack, head and clew of the sail. Pull each edge of the sail reasonably tight then measure the luff, leech and foot. Record these dimensions because you will need them when you fill out your new PHRF rating form. The "LP" and "J" dimensions shown in the drawing below are not necessary.

New handicap forms will be available in a few weeks. The sail dimensions must be included on your form. Measure it now before there is snow on the ground. The 2021 rules will include changes to the handicap credits. To be fair to everyone who races, new handicap ratings will be issued. I sincerely appreciate your cooperation as we reevaluate the handicap ratings for the entire fleet.

At the finish of the September 8th BSIR race, *Czech Mate* barely inched out *Pandemonium* for one of the most exciting finishes anyone could have imagined in six knots of wind. In light winds, excitement was found by four boats battling it out on the last leg, with a dozen position changes and oftentimes only a half boat length's separation.

As promised in the September issue, the following article was provided to me by our Webmaster, Rich Mourino. It is a fantastic look back into the early history (1951-1971) of SBCC. I have included the first two pages of the document produced by Ev Seidenberg, who was the SBCC Historian at the time. These two pages provide a good look at the names of those who laid the groundwork for what has become a long lasting example of excellence, as well as how the membership base grew over the first twenty years. The entire document may be accessed at the following link:

SBCC HISTORY (Con'd.)**Rich Mourino/Joe Werkmeister**

I recently came across this photo that I took while spending a weekend at Watch Hill on my power boat in 2007. I grew up walking along Shore Road in Lindenhurst while visiting my aunt, and could not wait to stroll down to the canal to look at the boats! My love of boating began at a very early age. My passion for sailing developed much later but I have never lost the desire to “walk the docks and look at the boats.” Perhaps this day was the spark that ignited my decision to convert from a power boater to a sailor! Little did I know at the time, that these were all SBCC boats attending possibly the final RV of the season and that I would one day be a member of that club. It is clear to see *Della.calm* in the foreground and I wonder if any members can recognize their boats as well. Additionally, having shared this photo with a few members, it was discovered that Jay and Stephanie Pizer were married on this very day, and were dancing the night away as this picture was taken. So, might any of you have similar photos you’d like to share from your early boating lives? As Peg Daisley noted upon viewing the photo, hopefully this little blurb will inspire others to search their archives for interesting photos and/or stories from their past boating experience. I look forward to featuring your story!

SBCC HISTORY**Glen Bernichon**

This article ran in the NY Times in 1964 and was presented to me by my cousin who now lives in Florida. There are several names that I recognize as SBCC members of the past including: Clay Bernichon, John Titterington and Paul Rosenweig. I'm sure there were more in this list. The Signets were introduced to the Long Island Yacht Club in 1964. Our boat was named "Jig Time" because my Dad, Clay, built the jigs used to speed the project along which allowed them to be available for the summer of '64. It really brings back fond memories from my early sailing years.

ON THE LIGHTER SIDE!

Joe Werkmeister

This month's column is dedicated to those that came before us to make SBCC the great club that we all enjoy today! These four cartoons were extracted from the "The Past 20 Years" article highlighted in previous pages of this Masthead edition.

NAUTICAL TIDBITS

Joe Werkmeister

Many common terms used in every day life have nautical origins. Try to think of their origins the next time you use them in conversation!

Long Shot— Early ships' guns tended to be inaccurate. If a shot made impact from a great distance, or a "long shot," it was considered out of the ordinary.

Feeling Blue—If a captain or officer of a ship died while at sea, the crew would fly blue flags and paint a blue band along the ship's hull. Over time, this symbol of grieving was equated with feeling sad or melancholy.

Pipe Down—Ship crews received a variety of signals from the boatswain's pipe. One signal was "piping down the hammocks," which instructed the crew to go down below decks and prepare for sleep.

Toe the Line—Members of the British Royal Navy were required to stand barefoot and at attention for inspection. While at attention, they lined up along the seams of the planks of the deck with their toes touching the line. This became known as "toeing" the line.

FROM THE HOSPITALITY CHAIR**Scott Gesele**

The Boat Yard Party is on! The Masthead Committee—Joe Werkmeister, Peg Daisley and Susan Moran—are the party planners and have started getting ready for our annual event at Cooks Boatyard (Long Island Yacht Sales), starting at noon on November 7. The current COVID situation will result in a few changes, so please keep an eye out for the invitation around mid-October.

Please mark your calendar for the final hospitality event this year. More information to follow as we get closer to December:

The Holiday Party: December 12 at Shandon Court in East Islip, starting at 5:00 PM

PASSING OF PAST MEMBER Tom Potter**Peg Daisley****In Memoriam – Tom Potter**

We were very much saddened to hear the news that Tom Potter passed away September 18th. This is just on the heels of his wife, Christie Edwards, passing in March of 2019. Christie, who grew up on Fire Island, was the sailor in the family, racing every week and attending rendezvous, but Tom indulged her passion, keeping their boat in shape and trailering it to St. Petersburg in Florida, where they spent many winters. Christie was also an artist, and one of her paintings is on the front cover of this year's SBCC yearbook.

The news of Tom's passing was shared by his daughter Donna, who wrote, "I am sorry to share this news with you, though am confident that Dad has found relief and is in ultimate glory, reunited with my Mom, his family and friends who have gone before, and above all - God. They are sailing on the most beautiful seas, I'm sure of it."

Tom was a proud veteran of the United States Marine Corps. He was also the devoted father of Thomas A. (Kristen) Potter, Daniel S. Potter and Donna M. (Charles Stucklen) Potter. Cherished grandfather of Emily and Andrew. Dear brother of Fran (Michael Morabito) Colletti and Steven (Denise) Potter. Loving uncle to Jennifer, Joseph, and many other nieces and nephews. Tom will be greatly missed and will continue to be a source of inspiration to those who knew him for his incredible strength, resilience, faith, and gratitude.

SCUTTLEBUTT**DJ Greco/Stephanie Pizer/Joe Werkmeister/Donald Sweeney**

- After 36 years, Charlie and Barbara Becker decided it was time to sell their beloved sailboat, *Becky*, and the first person that looked at it bought it! That was good news/bad news but more good news, as he wanted them to show him everything about sailing this size boat. So they have been on the boat quite a bit. The best part now is that when they return to the dock, they get off and say, thanks for the sail and leave; nothing to put away or hose down. They are liking that part! You won't see the name on the bay anymore, but you can't miss the colorful jib when it's out! The new owner said he may be joining the club. The boat will be staying in the Bay Shore area.
- Jeff and Elizabeth Frederick are celebrating their eleventh wedding anniversary. The gift for eleven years is steel, so his gift to her was a new transmission for their beautiful boat *Cambria*! Now that's romantic!
- Congratulations to Rich and Ann Mourino on the birth of their new granddaughter, Astrid Lynne. Hoping she'll be out on their boat next summer.

- Congratulations as well to Joe Werkmeister on the birth of his TWO granddaughters. Joe's son and daughter have both just brought two beauties, (Amelia Victoria and Winnie Elizabeth) into the world.

- Looks like Larry and Irene Novak have decided to keep *Summerhome II* after all and have it re-stored. Larry removed the floor boards and found an engagement ring! No kidding. Could this be a sign? So hopefully next year we will be seeing them back on the Bay with Irene wearing a new ring.
- Congratulations to Todd and Pam McCarthy on their new engine for *Bleu Moon*. Todd is taking on the task of installing the new heart with the help of a fellow SBCC member.  Sweet! Several members have stopped by to lend a helping hand and check on Todd's progress.
- The day after the Rodeo Roundup rendezvous in Great River, Fred and Mara Liesegang on board *Dust in the Wind* and Jay and Stephanie Pizer aboard *Rising Tide* headed over to Sailor's Haven for a few days together. They felt the effects of Hurricane Teddy a bit with some high winds – the boats were rocking and rolling. But nice cool temperatures and clear skies allowed for walks on the beach, a walk through the Sunken Forest and a walk to Cherry Grove. Cherry Grove was not crowded and was very quaint. Everyone there had masks on, including the guy in thigh-high stiletto patent leather boots and panties! Back at the marina, the wind calmed down and Jay went swimming in the ocean while the others enjoyed relaxing on the beach. They barbequed, played rummikub and cribbage. On Thursday, Bob OBrien sailed over to Sailor's Haven on *Kyla Marie*, anchored off and waded to shore. He came over to *Rising Tide* for a social distancing visit. Steve Conner, the dockmaster at Sailors Haven, couldn't have been nicer or more helpful! It was a great mini-vacation and they hope to do this again next year. All are welcome!
- Fly the Burgee proudly! Donald and Ellen Sweeney were on a fall cruise to Martha's Vineyard and mooring overnight at Block Island when Richard and Adrienne Tesoro came by in their dink to say hello after they saw the SBCC Burgee flying high off the Sweeney's spreaders.

Pumpkin Seafood Tacos

Flori Grotoli

What do shrimp, scallops and pumpkin have in common? They are the delicious ingredients in:

Pumpkin Seafood Tacos

The combination of oven roasted pumpkin ('tis the season!) and pan seared scallops gives this soft taco recipe a sweetness that is sublime. The shrimp cooked in roasted garlic butter adds a level of flavor and texture that works well with all the other classic ingredients of a taco; cilantro, lime, and avocado. I like to make the avocado salsa and the sour cream drizzle about two hours in advance, at the same time I marinate the seafood.

Ingredients:

For the marinade:

Olive oil, onion powder, 1/2 teaspoon ground cumin, lime juice

For the Sour Cream Drizzle:

1/2 cup Sour Cream
Fresh lime juice and chopped cilantro to taste

For the Avocado Salsa:

- 1 tomato seeded and chopped
- 1 avocado peeled, seeded and cut into chunks
- jalapeno seeded and chopped (to taste)
- 1/2 teaspoon salt
- 1/4 teaspoon black pepper
- cilantro to taste
- juice from one fresh lime

Instructions:

1. Marinate scallops and shrimp at least two hours before cooking. Keep refrigerated.
2. Toss pumpkin cubes and garlic clove in olive oil to coat thoroughly. Place in 350 degree oven and roast both the pumpkin and the garlic until soft. If garlic is done before the pumpkin, remove and allow to cool. Remove skin and mash.
3. Make the avocado salsa. Combine tomato, avocado, jalapeno, salt, pepper, lime juice, and cilantro in a small bowl and stir to combine. Refrigerate.
4. Make the sour cream drizzle. Stir sour-cream with cilantro and lime juice in a small bowl. Refrigerate.
5. Heat a large heavy-duty pan or cast iron skillet on high heat for 2 minutes. Add the olive oil, butter and mashed roasted garlic (enough to taste). Stir ingredients well and when butter begins to sizzle, add scallops first and brown one side for about one minute. Turn scallops and add shrimp, maintaining high heat. Cook until scallops are browned and shrimp are pink. Turn off heat and finish with a squeeze of lime. Put aside.

To assemble:

Spoon avocado salsa generously over warm tortillas, then top with shrimp, scallops, pumpkin chunks and drizzle with sour cream sauce. Serve tacos with lime wedges on the side. Enjoy!!
