SOUTH BAY CRUISING CLUB

Some fifteen of our charter members will recall, as they read these words, a rainy Friday night at the Babylon Yacht Club in the late spring of 1951. A meeting had been called to talk about the need for organizing the orphans of the bay — the cruising sailboats. Skippers who could recognize the rig of each passing yacht from miles away now wanted to know her owner as well.

The meeting was successful. They counted 18 possible boats (15 later signed up) and approved a burgee design that one member happened to have in his pocket. The burgee was green on the bottom and white on top. You'll see it at the masts of 150 cruising sailboats this summer.

But to every South Bay sailor, the measure of that meeting seven years ago was far more than fifteen boats and a flag. That Friday night launched a new golden age of sailing on our bays. A strong claim? Let's examine it.

Today, there are more sailing people — more sailing families — cruising up and down the South Bay waters than ever before. The number of auxiliary sailboats in the Club has multiplied by ten, and the climb hasn't even leveled off. But — without the incentive toward sail provided by the Cruising Club — who knows how many of these new-boat skippers might now be vibrating around in power squadrons? Who knows how many backyard boat-building projects might never have begun? And, without that meeting seven years ago, who knows how many kids at Blue Jay tillers might be pounding up and down the bays in outboards instead?

This year 25 new boats were added to the fleet. At least ten boats are a-building by their owners. The Blue Jay building project, sparked last year by the Club, is adding 20 boats to the 25 they built in 1956. (Keep your eyes on those kids in that Blue Jay fleet. They're getting pretty hot.) And the annual cruise that began with four boats in 1951 drew 24 last summer.

Now — despite this startling history of success — we're not A Club With A Mission. We're a club for fun. There's fun in the S. B. C. C. for everyone — whether it's racing, rendezvousing, swimming, cocktail partying, or just plain "messaging around in boats." You see, the South Bay Cruising Club is not just him — or her — or them — or us.

It's for YOU.

The schedule for 1958 is, as usual, a full one and should contain enough varied events to suit all preferences. One activity we'd like to champion is the weekend rendezvous which has been somewhat neglected in the past. Toward this end a specific set of rendezvous points will be announced and as many skippers and their families as possible will be encouraged to turn to.

The Seventh Annual Cruise will take the fleet off shore this year to Block Island, with a number of craft continuing on to the Buzzard's Bay area for a second week. Cruising in company, however, is not limited to this event. A number of members have indicated their plans for vacationing at other times during the summer. These will be announced in the newsletter.

For example, the GSBYRA Regatta Week furnishes an excellent opportunity for a leisurely trip up the Bay from Westhampton to Babylon. The extent of the Club's Blue Jay fleet alone should mean a sizable number of green and white burgees aloft during this particular week.

Another cruising event which is rapidly becoming a fixture is the Commodore's Cup series and Children's Cruise at the East end of the Bay over Labor Day Weekend. Last year, this event attracted some two dozen boats, complete with what seemed like hundreds of life-jacketed small fry. This season, the weekend should be even more attractive, as the race for the Smith Trophy on Sunday will be sailed over a course from Bellport to Timber Point, eliminating the necessity for a long haul to the starting line.

The Foulke Trophy Race will be more of a sporting proposition this year with an 1800 start and a course leading into Bellport Bay and return.

RACING INFORMATION

As in the past, all races will be sailed under North American Yacht Racing Union rules (with the exception of the regulation banning burgees and flags on racing craft) which provide that a yacht's time will be taken when any part of her hull crosses a finish line.

Starting guns will be fired at five minute intervals, and the start will consist of WARNING Gun; PREPARATORY Gun; STARTING Gun; Class C; Class B; Class A; Class X.

Recall and other signals will be flown from the Committee Boat and will consist of two guns, followed by:

Signal flag "N" (blue and white checkered flag) — Race called off.

Signal flag "S" (white flag, blue square) — Course shortened; finish here.

Signal flag "P" (blue flag, white square) — Start postponed. Warning gun will be fired 30 seconds after this signal is lowered. Postponements will be for periods of 15 minutes.

Information on GSBYRA Regatta Week will be contained in the GSBYRA Yearbook.

SUMMARY OF 1957 ACTIVITIES

Perhaps it was a good omen, but the 1957 season opened with a cloudless Commissioning day, attended by a fleet of more than 50 craft, seven bushels of clams, and Miss Rheingold; and it proved to be one of the most successful years of Club activity to date. The Blue Jay fleet was launched with 25 boats, the Annual Cruise took the fleet sightseeing down Mystic way, the Children's Cruise initiated more youngsters to the joys of cruising, a Cold Weather Cruise brought together a hardy handful over the Columbus Day Weekend, and all races turned out large fleets.

BAY SHORE INVITATION REGATTA – JUNE 22

A record turnout of 40 cruising boats, plus 24 Blue Jays, opened the season off Bay Shore in well-nigh perfect, light sailing weather. Results were: Class A: 1. Golden Eagle, 2. Tradewinds, 3. BABYLON INVITATION REGATTA – JULY 6

The booming southwester during the Babylon Yacht Club's annual Independence Day series proved to be traditional South Bay weather, and helped 46 boats to stage one of the liveliest races of the season. Results were: Class A: 1. Diana, 2. Golden Eagle, 3. Morning Star, 4. Snark, 5. Lorelei, 6. Extra Dry, 7. Maumac, 8. Sparkling Waters, 9. Sassenach, 10. Jacqueline.

SIXTH ANNUAL CRUISE – JULY 13 to 21

The sight of 19 Cruising Club yachts – a number of them under full sail – passing in review under the stern of the Joseph Conrad at Mystic Seaport, Connecticut, highlighted the Club's Sixth Annual Cruise, which saw a total of 24 boats participating, a number of them for the first time.

The itinerary for the majority of the fleet led through Shinnecock Canel to various old-familiar spots in the Peconic Bays (including the lobster flap at Threemile Harbor) and across the Sound to Mystic. Other skippers made it a two-week trip and explored Block Island. Winner of the Windjammer Trophy, for the boat that sailed all the way, was Ira Levy in Jack O' Th' Beach.

Craft on the Cruise were: Katinka Sr., Sassenach, Lady Lou V, Extra Dry, Morning Star, Ruth, Halcyon, Amberjack, Jack O' Th' Beach, Whimsey, Sea Witch, Golden Eagle, Windsong, Chico, Sparkling Waters, Chance, Sumaka II (chartered by Bill Cain), Bear of Babylon, Teezim, Cygnet, Judy, Wahoo II, Edput III and Brandy.

COMMODORE'S CUP SERIES – LABOR DAY WEEKEND

This late season event combining a race from Timber Point to Bellport, the Children's Cruise at Smith Point and the race for the Smith Trophy again proved to be one of the most popular activities for the skipper and his whole family. A course mix-up in the Smith Trophy race, however, made necessary a sail off of

the second race in the series in October. A number of entrants did not finish both official races; thus, the results list a fairly small number of craft competing in both races for the Cup: Class A: 1. White Cap, 2. Reverie, 3. Maumac.

Class B: 1. Lady Lou V, 2. Spindrift.

Class C: 1. Diana, 2. Errant.

Class X: 1. Knot, 2. Three Sisters.

LADIES' RACE – SEPTEMBER 28

For the first time the gals competed under regular racing rules and handicaps, and even more, they competed with a flukey norwester that seemed to delight heading boats all over the Bay. Nonetheless, 28 craft, skippered by erstwhile galley slaves, completed the Babylon course with the following results: Class A: 1. Maumac, 2. White Cap, 3. Golden Eagle, 4. Sassenach, 5. Nor'Easter, 6. Extra Dry, 7. Morning Star, 8. Sparkling Waters, 9. Reverie, 10. Hispaniola.

Class B: 1. Sumaka, 2. Lady Lou V, 3. Sea Witch, 4. Refrain, 5. Cataumet, 6. Semiramis, 7. Spindrift, 8. Windsong, 9. Finisterre.

Class C: 1. Whimsey, 2. Chico, 3. Brandy, DNF, Errant.

Class X: 1. Knot, 2. Allegro, 3. Gail, 4. Papoose, 5. Alabab.

COLD WEATHER CRUISE – OCTOBER 12

The final regular event of the sailing season saw nine boats basking in a surprisingly warm October sun on Columbus Day Weekend at Hamlock Heading. The weekend was voted a large success, including several swimming parties, some inadvertent and some vertent. Yachts making all or portions of the rendezvous included: Bear, Amberjack, Chico, Wooden World, Windsong, Sparkling Waters, Ruth, Tondelayo, Brandy.
