COMMODORE'S MESSAGE

On this page, in 1970, Fred Eggerstedt marveled at the depth and breadth of this club's energy, the "hurricane of activity," and the multiplicity of choices each member has when he or she looks for something in which to *get involved*.

Bud Rosenberg, in 1976, was amazed at the synergism produced by the interaction of boat, family, friends and bay water.

Dick Nehring, Bill Dwyer, and Ken Kondor all asked that you join the fun and *get involved*.

Now, guess what we'd advise?!

A quotation from Samuel Johnson is apropos:

"If a man does not make new acquaintances as he advances through life, he will soon find himself left alone. A man, sir, should keep his friendship in a constant repair."

Leaf thru the following pages and see what you missed in '83, then, in '84 resolve to . . .

Right!

SOUTH BAY CRUISING CLUB

FLEET CAPTAIN'S MESSAGE

This is the 33rd year of "an organization formed to promote cruising under sail on Great South Bay and nearby waters." This central vein has withstood the test of time and is as true today as it was in 1951. However, the "nearby waters" has expanded a great deal further than our founders had envisioned. Consider for a moment that the first annual cruise consisted of a few boats on a one-week cruise to Block Island.

We have been fortunate to have sailed through a great period of time when navigational aids evolved from crude, to the highly sophisticated; a period when the quality of boat construction, sail material, engine designs and sailing gear improved more than any other given period of history.

Through this evolution our horizons have expanded such that our annual cruises have included such places as Salem, Boston, The Chesapeake, Delaware Bay and all points in between. It is not uncommon to hear of our boats having visited Nova Scotia, Maine, Florida, Bermuda and the Bahamas.

This year, however, will be one in which the annual cruise will not push those ranges any further. It is planned that our three-week cruise will be a leisurely affair with shorter distances and more relaxed days in the Buzzards Bay, Martha's Vineyard, Cape Cod area. The two-week cruise, starting a week later, will join the three-weekers in its final week. This should make for a great event.

The rendezvous, which are at the very core of our cruising and social events, have been scheduled so as to be in close proximity to a majority of the members. The schedule has also been integrated with the racing calendar so as to have participation by the racing fraternity as well.

Please accept this invitation to new members and old, cruisers and racers alike, to join with us to "Promote Cruising Under Sail on Great South Bay and Nearby Waters."

Bob Sheppard
Fleet Captain

RACING PROGRAM — ELIGIBILITY/HANDICAPS/CLASSES

ELIGIBILITY

All proper cruising sailboats owned or chartered by SBCC members are eligible to participate in Club races provided they have paid the racing fee and have requested and received a SBCC handicap.

SBCC family races, the Class Day Race, and other Yacht Club invitationals do not require payment of the SBCC racing fee. If members intend to enter these races they must apply for a SBCC handicap.

HANDICAPS

The SBCC fleet includes many widely differing types of sailboats. In order to make race participation attractive to as many members as possible, SBCC Handicap racing is offered. Under this system, every yacht in the fleet upon request to the Handicap Chairman is given a SBCC Rating based on its maximum speed potential.

The SBCC Handicap System rates each yacht according to its maximum speed potential, thereby encouraging each skipper to get the best performance from his yacht.

Maximum speed potential is established for each yacht through (1) statistical analysis of race data for consistently well-sailed boats of similar design, (2) comparison with data from other racing fleets and (3) speed-trending data from past performances.

Under the SBCC Handicap System all yachts of different design will have distinctive maximum speed characteristics from which individual handicaps are derived. Fine tuning factors are applied to yachts of the same design to account for differences in rig, prop type, sail complement, etc.

Each racing skipper is obliged to contact the Handicap Chairman in advance of his first race under the following conditions:

- (a) A particular yacht is to be raced in the SBCC fleet for the first time.
- (b) The skipper has raced another yacht bearing the same sail number during the season.
- (c) The sail complement has been changed.
- (d) The basic design of the yacht is modified in any way which could affect its speed potential.

A skipper who believes his yacht's handicap might deserve correction may request a handicap review by submitting a written request to the Handicap Committee stating the reasons he believes a review is in order.

SBCC HANDICAP CLASSES

Two classes, Spinnaker and Non-Spinnaker, are scored under the SBCC Handicap System:

- Skippers electing to race in the Spinnaker class may use their full sail complement, and any sail combination consistent with USYRU racing rules or special race instructions.

- It is the intent of the Non-Spinnaker class to restrict sail inventory use to only those sails that can be correctly flown on all points of sail. In the Non-Spinnaker class, only one headsail (either a jib or genoa of a minimum of 3 ounce cloth) may be flown in the foretriangle at any one time. Yachts handicapped as having permanent double head rigs will be permitted to fly their staysail when racing Non-Spinnaker.

RACING PROGRAM — SCORING/SERIES

- Members may change classes as often as they desire except that no class change is permitted after the warning signal.

- The Novice class is a temporary Non-Spinnaker class designed to encourage new skippers (or others who have never won a trophy in previous seasons) to race in the early races of the season.

SCORING METHOD

SBCC races will be scored using the Time on Distance method. A yacht's time allowance is calculated by multiplying her SBCC handicap by the race course distance. The time allowance is then subtracted from the yacht's elapsed time yielding corrected time. The yacht with the lowest corrected time is the winner.

Race results are mailed to each participating skipper shortly after each race and official results are printed monthly in the "Masthead".

SERIES SCORING

Points for each race will be awarded on the basis of $\frac{3}{4}$ -point for first, two points for second, three points for third, etc. DNF and WDR boats will receive 1 point more than the number of boats in that class that started in the series. DNS and DSQ boats will receive 2 points more than the number of boats in that class that started in the series.

A starter in any one race of the series will be considered to have started in all the races of the series. Series position will be determined by the total points accumulated by each yacht, in inverse order. When there is a tie on points between two or more yachts the tie shall be broken in favor of the yacht or yachts with the most first places, and when the tie remains, the most second places and so on, if necessary, for such races as count for total points. If a tie still remains, it will be broken in favor of the boat which beat the other the last time they raced each other.

A yacht that serves as committee boat for one race of any series will receive credit towards series qualification for that race and points equal to the average of its finish positions in the other races of the series, DNS and DNF races included. This does not apply to the Family Race (which is not a series) or to the Class Championship.

SERIES INFORMATION

Tune-Up Series

This is a two-race series with no throw-outs. To emphasize tuning, no prizes will be awarded.

Twilight Series

These are three-race series (6 race series for Eastern Series). They will be scored on the basis of a yacht's best two races (4 races for the Eastern Series), except committee boat, as noted above. Non-Spinnaker class only.

The Western Twilight Spring Series includes an expanded start for novice racers.

RACING PROGRAM — SERIES/CHAMPIONSHIP/TROPHIES

Pursuit Series

These are two-race series with no throw-outs. There will be a raft-up in Secret Harbor between races. Non-Spinnaker class only.

Summer Series

This is a two-race series with no throw-outs. There will be a separate start for Novices (see Expanded start sequence).

Great River Week

This is a four-race series. It will be scored on the basis of a yacht's best three races. Racers traditionally join the Great River Week raft up after each race. To be scored for the fourth race of the series (Race Week Wind-up), a yacht must have participated (started or served as committee boat) in at least two of the other races comprising the series. Additionally, all yachts participating in the Race Week Wind-Up will be scored for the Saturday day race.

Sayville Yacht Club Invitation

See SYC start sequence (Page 20). No streamers required for catboats. No throw-outs. On Saturday, all boats will sail Nicoll Bay Course G.

On Sunday, Sp and NS classes will sail Sayville Course G; catboats will follow SYC instructions.

SBCC CLASS CHAMPIONSHIP

Class Championship trophies will be awarded to the yachts with the best scores in 10 races. The races or series selected are designated with note 7, 8 or 14 in the racing schedule, except that a maximum of any three alternates may be used, which are designated as Note 8 or 14 in the yearbook. Points for these races are computed on the following basis: 1st place yacht receives points equal to the number of starters in the race plus $\frac{1}{4}$ point; the 2nd place yacht receives $1\frac{1}{4}$ points less than the 1st place yacht; the 3rd place yacht receives $2\frac{1}{4}$ points less than the 1st place yacht, etc.

RACE TROPHIES

Perpetual trophies are awarded for one year only. They are awarded to the yacht with the best corrected time based on the SBCC Handicap rule.

Each year the club awards seven perpetual trophies, as follows:

Commodore's Cup — Best corrected time in the Commodore's Cup Race.

Foulke Trophy — Best corrected time in the Foulke Trophy Race (night race).

Smith Trophy — Best corrected time in the Smith Trophy Race.

Deale Trophy — Best corrected time in the West Island Race.

Governor's Cup — Best total score for the Commodore's Cup, West Island and Foulke Trophy Races.

Patricia A. Kelly — Best corrected time in the Ladies' Race by a yacht with an all-girl crew. Additional trophies will be awarded to yachts with an all-girl crew in accordance with the "number of starters" competing.

Cruising Club Crock — Best corrected time in the Around Long Island Race.

Keeper cups are given to winners of these trophies and their names are engraved on the perpetual trophy. It is the responsibility of the winner of the perpetual trophy to return it by November 1 to the Trophy Chairman for engraving of the following year's winner.

RACING PROGRAM — RULES/PROTESTS

Trophies for individual SBCC races (when not part of a series) will be awarded to each class, according to the following schedule:

Number of Starters	Trophies for
2 or 3	1st
4 through 6	1st and 2nd
7 or more	1st, 2nd and 3rd

In SBCC series, the greatest number of starters in any race will govern the number of trophies awarded for that series. Only first place trophies will be awarded for the Class Race.

RULES

Racing rules of the USYRU shall be observed except as otherwise specified in these instructions. Burgees and other flags may be flown when racing. Government navigation buoys not stated to be marks of the course may be disregarded at the discretion of the skipper.

The Inland Rules will replace Part IV of the Racing Rules between the hours of sunset and sunrise. All required lights must be shown.

IDENTIFICATION

Racing numbers, either USYRU or SBCC, are required on mainsails, spinnakers and overlapping (LP greater than 130% J) headsails, in accordance with current USYRU rules.

Racing yachts are required to fly class streamers of the following colors from their standing backstays or the leach of the mainsails. Streamers should measure 4"x18".

Class	Color
Spinnaker	Red
Non-Spinnaker	Yellow
Novice (no Spin only)	Blue

West Island Race Only

Class	Color
Spinnaker #1	White
Spinnaker #2	Red
Non-Spinnaker #1	Yellow
Non-Spinnaker #2	Blue

Absence of a streamer or racing numbers will be cause for disqualification.

EQUIPMENT

The equipment required by USYRU for category 4 races and the minimum USCG safety equipment is strongly recommended for all races.

PROTESTS

The SBCC Protest Committee operates under Racing Rules of the USYRU, supplemented by published decisions of the USYRU Appeals Committee. In addition, it shall hear all protests arising from violation of the Inland Rules which replace PART IV of the USYRU rules between sunset and sunrise.

It will only entertain protests made in conformity to the USYRU rules including:

- Display of protest flag
- Notification of protested yacht
- Notification of Race Committee
- Submission of written protest within 72 hours
- Citation of rule or rules allegedly infringed

RACING PROGRAM — RACE PROCEDURE

Protest must be addressed to the Chairman of the Protest Committee and hand-delivered or postmarked within 72 hours of the conclusion of the race in question.

Written protests for the Ocean Invitational must be submitted immediately after the race.

SPECIAL RACE REQUIREMENTS

Single-Handed Creepstakes — Only Skipper is allowed on boat during race.
Two Classes: 30 foot LOA and over; and under 30 foot LOA.

Novice Day — Open only to members who have never won a trophy in previous seasons. The morning "race" will consist of a series of short windward/leeward "sprints." Succeeding warning guns will go off ten minutes after the last boat finishes. As many starts will be run as time permits. There will be no score for these practice "sprints." The afternoon trophy race will begin after a lunch time raft up in Secret Harbor. Experienced crew will be available on request.

Pursuit Races — This is a special "staggered start" series where "slower" yachts get a head start over "faster" yachts. Theoretically, all yachts should finish together, but the first yacht to finish wins. Start sequence lists will be mailed to racers prior to the Spring race. The list will give each yacht's start time and detailed instructions covering the conduct of these races. This list should be saved as it will also be used for the Fall series.

Smith Trophy and Summer Series — There will be a separate start for Novices after the Spin and No-Spin classes. (see expanded start sequence)

Family Race — Non-Spinnaker race to and from Watch Hill. Crews must sleep aboard Saturday night. A skippers meeting will be held Sunday at 0830 hours on the ferry dock at Watch Hill.

West Island Race — The Spin and No-Spin classes will be split into divisions for this race: Spin #1, Spin #2, No-Spin #1 and No-Spin #2. Yachts handicapped at 203 or under will be assigned to Spin or No-Spin Division #1 and yachts handicapped over 203 will be assigned to Spin or No-Spin Division #2.

Ladies' Race — Skipper must be a lady. Patricia A. Kelly Trophy for best in fleet with all-girl crew. Yachts eligible for this trophy must advise Race Committee prior to first warning signal.

Class Race — A one-design race for any class with three or more entries. Class racers are required to fly their Spin or No-Spin class streamers to signify which division they are racing in. Classes may hold both Spin and No-Spin races provided the minimum of three entrants are satisfied in *each* division (in this case both divisions will start together but will be scored separately). Ten minutes after the "other" classes start, there will be a General No-Spin start for all other SBCC yachts with valid handicaps. These yachts will be scored among themselves using the time on distance scoring method.

Race Week Wind-Up — This is a separate day race and also serves as the last race in the Great River Week series. This race will be double scored, once for those yachts having participated in at least two of the prior Great River Week series races, and scored again using all of the participating yachts to arrive at the standings for the Race Week Wind-Up and class championship points.

RACING PROGRAM — RACE PROCEDURE

STARTING

Signals will be made at five minute intervals with each signal lowered one minute before the hoisting of the next. The visual signal governs; the gun merely calls attention to it.

STARTING SEQUENCE

Abbreviations:

warn - warning signal
 prep - preparatory signal
 S/ - start signal
 TBA - to be announced

Sp - Spinnaker Class
 NS - Non-spinnaker Class
 Nov - Novice (No Spin only)

:35	Blue		Prep		
:40	Red		S/NS - General		

When, after a starting signal, all the yachts of the class or classes involved have properly started, the Race Committee will, if practicable, announce "all clear."

RECALLS

The Race Committee will endeavor to notify any yacht starting early by means of a Recall signal. The signal will be one blast of a horn or whistle for each yacht over early. The committee will also hail the yachts being recalled individually. Nearby yachts are requested to pass the hail. Any yacht failing to hear or heed such a recall will be penalized by having one-half hour added to her elapsed time.

General Recall: If there should be a number of unidentified premature starters, or if an error is made in the starting procedure such as significant inaccuracy in the interval between signals, the Race Committee will make the General Recall signal. The starting sequence will resume with the Warning signal for the class that was recalled.

RACING PROGRAM — RACE PROCEDURE

STARTING LINE ETIQUETTE

Racing skippers are reminded to stay clear of the starting line until the Preparatory Signal for their class. Failure to do so may result in disqualification.

The Preparatory Signal for each class is given five minutes prior to the Starting Signal. Yachts starting with the wrong class may be disqualified.

Skippers electing to change class after arriving in the starting area (but before the warning signal) *must* notify the race committee of that change.

TIME LIMIT

Regardless of time of start, the time limit for the first class to start will expire at 1800 for all races except as noted below:

Eastern, Western, Babylon and Wind-Up Twilights — 2230

Foulke Trophy — No time limit

West Island — 1900

Tune up, Summer & Pursuit Morning Race — 1230

The time limit for classes starting after the first class will be extended so as to permit all classes to have the same amount of racing time. If any yacht finishes within the time limit for her class, it is a race for her class. Yachts finishing after the committee boat has left its station should take their own time and report it to the Race Committee as soon as possible.

SPECIAL SIGNALS

Code flags A through K are used to designate courses (see Course Instructions).

Code flags below apply to all SBCC-conducted races:

L — One of the designated MARKS is missing; come within hail for instructions.

M — ROUND or pass the object displaying this signal instead of the mark it replaces.

N — ABANDONMENT, race called off (accompanied by three guns).

R — Sail the designated course in the REVERSE direction, Leave all marks to opposite hand.

S — Sail the SHORT course prescribed in the course instructions. When flown after the start (accompanied by two guns), finish between the committee boat and the nearby mark of the course.

T — Sail the designated course TWICE around.

Answering Pennant — POSTPONEMENT signal (accompanied by two guns). Starts postponed fifteen minutes. Warning signal will be made 1 minute after Answering Pennant is lowered.

1st Repeater — GENERAL RECALL signal (accompanied by two guns). Starting sequence resumes with the Warning signal for the class being recalled.

VHF COMMUNICATIONS

VHF radio communications may be maintained during a race utilizing channel 16 for calling and channels 9, or 68 thru 72 for communication. Radio communications may be utilized to relay information on unusual situations during races such as postponements, recalls, withdrawals, etc. However, Race Committees are not required to use radio. Racers should **not** communicate with the Race Committee from the time of the Warning gun to the time of the last class start.

RACING PROGRAM — RACE PROCEDURE

COURSE INSTRUCTIONS

SBCC courses in the Bay have been grouped by starting area as follows:

Babylon	Ocean
Bay Shore	Sayville
Heckscher Park	Watch Hill
Nicoll Bay	

For each of these areas, a variety of courses is described below, each bearing a distinguishing letter. The choice of course available to the Race Committee on any given day is shown in the Race Schedule. The course selected will be signaled from the Committee Boat by the appropriate letter code flag. (Letters A through K may be used).

Any course can be reversed by code Flag "R" or shortened by code flag "S" as described under "SPECIAL SIGNALS" above.

Course I: Start established by committee boat in Nicoll Bay; to Can No. 5 off Nicoll Point, leaving it to starboard; to Nun No. 2 in North Channel; leaving it to starboard; to Flasher No. 31 off Blue Point, leaving it to port; to finish line in Nicoll Bay. Course distance: 16.2 nm.

Course J: Start established by committee boat in Nicoll Bay; to Can No. 5 off Nicoll Point to Flashing Green No. 29 in Nicoll Bay; return to finish line in Nicoll Bay. Leave all marks to port. Course distance: 3.3 nm.

OCEAN COURSES

Ocean Course A: Start between committee boat and Red Whistle Buoy No. "4FI" off Fire Island Inlet; to Black and White Gong Buoy No. "J1" off Jones Inlet and return, leaving No. J1 to port. Course Distance: 26.5 nm.

Ocean Course B: Start between committee boat and Red Whistle Buoy No. "4FI" off Fire Island Inlet; to Nantucket Sea Lane White/Orange "NA" and return, leaving Buoy "NA" to port. Course distance: 22 nm.

Ocean Course C: Start between committee boat and Red Whistle Buoy No. "4FI" off Fire Island Inlet. Course description to be provided by the Regatta Committee prior to race. A numeral pennant (1-9) will be flown by the committee boat to denote particular "C" course. Course distance to be determined after placement of SBCC buoys.

Notes on Ocean Race:

1. Harbor start from Sore Thumb one hour prior to Warning Gun.
2. If adverse weather conditions necessitate cancellation of the Ocean Race the committee boat will signal abandonment at Sore Thumb one hour prior to the Warning Gun.
3. If the Ocean Race is abandoned, there will be a "Bay Race" if wind and weather conditions permit.
4. If the committee boat is unable to remain on station at the finish line, finishing yachts shall pass No. 4FI to port for course A or to starboard for Course B. Yachts shall record their own finish times when the buoy bears abeam of the stern of the yacht. Such finishing times shall be reported to the R/C. Observers may be stationed on the beach to verify finishing times.

Bay Race Course A: To Red and Black Quick Flasher off Saltaire; to Flashing Red No. 8, leaving it to starboard; to Flashing Green No. 15 off Point o'Woods; to Can No. 5 off Nicoll Point; to finish line between committee boat and Nun No. 2 in North Channel. Leave all marks except No. 8 to port. Course distance depending on start locale.

Bay Race Course B: To Red and Black Quick Flasher off Saltaire, leaving it to port; to Nun No. 10 off Bay Shore, leaving it to starboard; to Can No. 3 off Heckscher Park, leaving it to port; to finish line between committee boat and Flashing Green No. 11 off Brightwaters. Course distance depending on start locale.

Course E: Start established by committee boat ½ mile South-East of Brown Point; to Flashing Green No. 1 off Lone Hill, leaving it to port; to finish line off Brown Point; Course distance: 4.3 nm.

Course F: Start established by committee boat ½ mile South-East of Brown Point; to Flashing Red No. 18 off Point o' Woods; to Can No. 5 off Nicoll Point; to finish line off Brown Point. Leave all marks to starboard. Course distance: 9.1 nm.

Course G: Start established by committee boat East of Blue Point; to Flasher No. 31, leaving it to starboard; to Can No. 5 off Nicoll Point, leaving it to port; to SYC inflatable mark ½ nm north of Flashing Green No. 1 off Lone Hill, leaving it to port; to Flasher No. 31 leaving it to port; to finish line east of Blue Point. Course distance: 12.9 nm.

If short course is signalled, substitute Nun No. 30 for Can No. 5. Short course distance: 9.7 nm.

WATCH HILL COURSE

Course A: Start in vicinity of North end of channel to Watch Hill; to Nun No. 2 in North Channel, leaving it to port; to finish at or near Nun 10 at the entrance to the West Channel. Distance: 10.1 nm.

SBCC SAFETY INFORMATION

The safety of a vessel and her crew is the sole and inescapable responsibility of the skipper, who must do his best to ensure that the yacht is fully found, thoroughly seaworthy, and manned by an experienced and physically-fit crew. He must be satisfied as to the soundness of hull, spars, rigging, sails and all gear. He must ensure that all safety equipment is properly maintained and stowed, and that the crewmembers know where it is kept and how it is to be used. He must have all safety equipment required by the U.S. Coast Guard and, if racing, he must have the racing equipment suggested by the United States Yacht Racing Union (USYRU). The South Bay Cruising Club disclaims any liability for the seaworthy condition or operation of a yacht or the safety of its crew, for which the owner has sole responsibility.

It is the exclusive responsibility of each skipper to decide whether or not to start, continue, or drop out of any event. The South Bay Cruising Club does not assume any liability for the decision of any participant. Because of the increased costs of all vessels and the tendency to litigate all accidents, whether liability exists or not, the Board of Governors of the South Bay Cruising Club recommend that all owners and skippers carry liability as well as hull insurance to protect all parties from the financial consequences of an accident.

YEAR IN REVIEW

Following the tradition of the past several years, the first SBCC event of the season occurred before the new year was much more than twelve hours old. That, of course, was the Ed Brooks Non-Memorial New Year's Day Regatta. New Year's Day 1983 was a beautiful, sunny blue sky day, with unseasonably warm weather. Fifteen boats came out for the semi-formal race, which would not be a bad showing for a summer race.

This event was shortly followed, on January 6th, by a very informative diesel engine seminar arranged by Education Chairman Bill Menger. This was conducted by Mack Boring in Farmingdale and was attended by 90 SBCC members.

With summer still far away, 150 of us put on our finest duds and danced the night away at the Annual Dinner Dance at LaGrange on February 5th. Music was provided by the Sagarese Swinging Sextet and the permanent racing trophies were distributed to the deserving recipients. This year, the Commodores Cup and Smith Trophy were replaced with beautiful new cups and the old Broadside Trophy was replaced with the new Patricia A. Kelly Trophy in honor of Pat Kelly who has established herself as one of the premier lady racers in the club and winner of the Ladies Race no less than six times.

The season rolled on with a good deal of cruise planning, including a three weeker to Marblehead and others to nearer ports. On March 13th we returned to LaGrange for a dinner meeting and a brace of excellent talks by Paul Steinberg of the Coast Guard Auxiliary and Rod Bowles, Commander of the Fire Island Coast Guard Station.

As winter passed into spring the monsoons started, and seemed to intensify on weekends as we tried to get our boats ready for launching. The club, however, still offered plenty of indoor activities, such as the racing seminar held on April 25th.

A total of 172 people turned out for the Spring Cocktail Party at the Bay Shore Y.C. and at last it appeared that the sailing season was at hand. This was confirmed on May 30th at the Babylon Y.C. The fog rolled in, but the docks were full of boats and happy people as we officially opened the SBCC sailing season on Commissioning Day.

Before long, July was here and no less than six official cruises set sail for points far and near. These are described below.

YEAR IN REVIEW (Cont'd.)

THE MARBLEHEAD CRUISE by Judi Van Tassel

The 1983 cruise to Marblehead was a huge success, averaging 17 boats most of the time. Reverend Dick Parker of Charisma said a prayer for a safe cruise at Cormorant Point on the first evening out and he certainly did a fine job. Although broken water pump impellers, ruptured hoses and other mishaps tried to dampen the good time, it couldn't be done. The weather was fantastic, although we could have used a LOT more wind. We had only two days of fog and one of those days as a lay day in Newport. A good time was had by all, fishing; whale watching; sightseeing in Boston, Plymouth, Newport, Marblehead and Salem; exploring Fort Adams; drinking and socializing; swimming; having water balloon wars; attending a giant cocktail party aboard the Judi on Pickering Wharf; and yes, sometimes, if the wind was there and in the right direction, SAILING. The worst part of the cruise was that it had to end. I can't wait until July 1984.

THE CON-PORT CRUISE by Ralph Scharr

On Friday, July 8th, loaded to the waterline, we departed Bayport and joined up with the fleet in Tiana Bay on the 9th. We cleared the inlet early Sunday and after stopovers in Lake Montauk and Coecles Harbor, arrived in Essex/Hamburg Cove. The fleet spent four delightful days exploring and enjoying all the sights of the beautiful Connecticut River, including a performance of "Miss Liberty" at the Goodspeed Opera House. We departed Essex on Saturday the 16th for West Harbor, Fishers Island, where lobsters for \$3.00/lb. are still available. As the Captain of Black Petrel proclaimed, "They are sweet, super and superb." After a great sail to Point Judith, we motored to Wakefield for dinner ashore at the Larchmont Inn.

YEAR IN REVIEW (Cont'd.)

We arrived at the Treadway in Newport on Monday after a long, hot motor. Tuesday, on Dialectics, we motored out to the Cup race course and watched Defender and Liberty race.

We arrived in Block Island after a windy, wavey and choppy crossing. Little did we know what lie ahead. Thursday was a lay day, with onimous predictions from the weatherman. We bounced all night. Friday found small craft flags flying and the wind howling at 30-35 knots with gusts to 40. The wind finally died down, tossing us around for 36 hours.

At 0600 hours on Saturday we departed Block and I sailed and motored all the way to Bayport, arriving well after dark. The remainder of the fleet made it home safely on Sunday.

THE PORT-GANSETT CRUISE by Jules Rosen

The cruise started with a group rendezvous at Cormorant Point on July 9th. On July 10th we went out of a calm Shinnecock Inlet to Block Island. July 12th saw us sail to Newport, where we stayed three days and enjoyed the frantic, hectic but exciting America's Cup scene. The next port of call, Potters Cove, was quite a contrast to Newport. It was secluded, quiet and beautiful. On July 16th we sailed to Battleship Cove in Fall River. The heat rivaled the Sahara Desert at midday! Most of us left after an hour and arrived at Bristol Bay where we received a hospitable welcome from the yacht club. We visited the Bristol Yacht Co. and the Herreshoff Museum. On July 19th, Rags to Riches broke down soon after departing Bristol. A friendly Bristol Yacht Club member drove us to New Bedford (65 miles away) for the replacement part. Dick Healy installed it and we were on our way after a six hour delay. We arrived in Dutch Harbor at 2000 hours. After this the fleet broke up into small groups with some going to Fishers Island and others to Block Island.

"SANDY HOOK — THE EASY WAY" by Charlie Parker

This cruise, which never weighed anchor until the sun was over the yardarm, consisted of six sail and one BSYC power boat. We visited Lake Montauk and then Three Mile Harbor where a mussel feast was enjoyed by all. Then on to several Shelter Island stops which included a birthday bash for Janet Fisher.

The cruise continued down Long Island Sound, through the city to Sandy Hook and back home. A great time was had by all.

YEAR IN REVIEW (Cont'd.)

THE AMERICA'S CUP CRUISE by Ed Petroske

The saga begins uneventfully with the usual head — on east wind when going east and not enough water underneath. The fleet arrived in Newport, and by using a 1980 cup racers placemat, Sunchaser led our intrepid group to the race scene. The 12 meter boats, picket boats and enormous spectator fleet made for a truly exciting experience. We followed our sea adventures with two days of on-shore happenings at Newport Offshore.

We departed Newport for the Townsend Manor Marina in Greenport, with intermediate highlights being; six foot seas off Point Judith, \$15 for less-than-a-mile hansom cab rides to the Larchmont Inn in Wakefield and having Arcady's spreader repaired by a phone company cherry picker in Fishers Island.

We spent a delightful day at West Neck Harbor, shell collecting, swimming and wind surfing. It all ended with a cocktail party and sing-along accompanied by a fiery red, pink and purple sunset.

Our close-knit group met at Cappaccinos in Sag Harbor for an "Awards" dinner created by the crew of Jubilation. Here the fleet split up for the "inside" or "outside" journey home. A truly happy time was had by all!

THE NANTUCKET CRUISE by Lowell Deutsch

This started out as a three boat (Kathleen L, Integrity, Moonraker) cruise to Cape Cod. The addition of Star and Ricochet made it an official cruise. It started with an overnight motor-sail from Fire Island Inlet to Block Island. Then on to Cuttyhunk where we happened upon one of the America's Cup Trial Races just as they were starting. After several ports in the Elizabeth Islands and Cape Cod, it was over to Nantucket where we weathered a 55 knot blow in the harbor.

After this, we visited Edgartown, Newport, Fishers Island, Montauk and home. But not the easy way, we went through NYC. All in all, it was great, a real "memory maker."

YEAR IN REVIEW (Cont'd.)

In 1983, each weekend became an event to those who participated in the rendezvous'. It is impossible to describe all of the things that took place at these events, but a few of the more memorable are noted. Pancakes were served at one; snacks at another; mussels at another; a full course dinner at one rendezvous in Hemlock Cove, featuring bratworst, sauerkraut and potato salad; and homemade ice cream at another.

One hundred ninety-nine boats showed up at one or more rendezvous, making the task of determining who came the most (the Rosens) a monumental task for a Fleet Captain without a computer. The thanks of every member of our Club is extended to each and every rendezvous chairman who made 1983 a memorable year on the bay.

YEAR IN REVIEW (Cont'd.)

Sunday, August 7th saw the start of our Great River Week with Father Hal Langley conducting services on the Snapper Inn lawn. This was shortly followed by the colossal raft-up for the Champagne Breakfast, which, as usual, was one of the highlights of the SBCC year.

The Krugs and Spivacks were GRW co-chairmen and did a superb job of providing great events, including brunch on the 9th, the Commodore's Dinner on the 11th and sails to the beach with fun and games for all. The week was capped by the Great River Blast with tent, music and good food provided by the Harris' and their hard working Entertainment Committee.

There was, of course, racing each day and a Race Week Wind-up on Saturday. Unfortunately, though, only eight boats participated in more than three races of the series. This lack of turnout started the wheels turning in some of our Regatta Committee heads, and plans are underway to increase participation in 1984.

Each year, more and more SBCC boats are found in races off the bay. This year twelve were entered in the Newsday Around L.I. Regatta. Force 10 took a second in division and sixth overall, and Wild Rover and Aries both captured fourth in their respective divisions.

The SBCC was also well represented in the Governor's Cup in New York Harbor. Ailanthus and Heather both took first in division, Ricochet took second and Blithe Spirit, Antares, Aires and Merry Ann captured divisional third, fourth, fifth and sixth spots respectively.

In the Atlantic Ocean Racing Conference, Heather won the non-spinnaker division and Aries and Merry Ann bagged a second and third in the spinnaker division.

YEAR IN REVIEW (Cont'd.)

As summer faded into fall, the club activities moved ashore, where, on November 5th, we gathered at the Sayville Y.C. for the Fall Cocktail Party. This was the usual fun affair and included no less than a turkey dinner! On December 10th the Annual Christmas Party was held at the Bay Shore Y.C. Merriment and good cheer abounded, as we gathered together to share the holiday joy.

The year end brought to a close the term of the club officers and committee chairmen. Our thanks to Commodore Ken Kondor and all the crew who worked with him to give us a *SUPER* (and thanks to past Commodore Dick Nehring for providing us with that adjective) 1983.

Kathy, get the shampoo!

It floats good, but I keep running into the tables.

Which way to the Santa Claus contest?

For my next number...

FLAGS AND SHAPES

Flag Etiquette

The correct display of flags, signals, and ensigns is one of the more obvious marks of a yachtsman. This code is steeped in the tradition of the sea and promotes uniformity in communication and identification between yachts. The following flag etiquette covers the signals that are used daily on small or medium sized sailing yachts.

THE ENSIGN

The ensign is displayed between morning and evening colors (0800 and sunset) only:

1. At anchor or under power at a stern staff.
2. Under sail, at a stern staff when not racing; at the after-peak of gaff-rigged yachts, or $\frac{2}{3}$ of the way up the leach of the after-most sail.

THE BURGEE

The club burgee is displayed whenever the ensign is displayed, but may also be displayed separately, between morning and evening colors, or by day and night, while at anchor or under way on:

1. The masthead of single-masted yachts.
2. The forward masthead of 2-masted yachts.

FLAG ETIQUETTE (Cont.)

THE PRIVATE SIGNAL

The owner's private signal may be displayed by day and night on:

1. The masthead of single-masted yachts in place of the burgee.
2. At the after masthead of two masted yachts, at anchor or underway.

FLAG OFFICER' FLAGS

A flag officer shall display his flag both day and night in place of his private signal.

RACE COMMITTEE FLAG

The race committee flag shall be displayed at the main truck, in place of the flag otherwise there displayed, only while acting as the committee boat.

SIGNAL FLAGS

The starboard main spreader is to be used only for signal flags and specific flags, such as owner absent flag and guest flag.

DRESSING SHIP

When dressing ship on commissioning day, Independence Day, and on other special occasions, the following order of international code flags is recommended (starting from forward): AB2, UJ1, KE3, GH6, IV5, FL4, DM7, PO 3rd repeater, RN 1st repeater, STzero, CX9, WO8, ZY 2nd repeater. Ensigns, burgee, private signals etc. should not be included.

REQUIRED SHAPE DISPLAYS (Daylight)

1. When anchored in an area other than a designated anchorage, sailing vessels must display a single, black spherical shape. For lesser craft (those under 20 meters) the size of the shape should be "commensurate with their length."
2. When under sail and power (motorsailing), vessels are required to fly a black cone with the apex down.

THANK YOU . . .

To the Yearbook Committee; Jean, Bill and Barbara, Kathi, Mike and Ginny and Charlie and Arlene for all of the long hours of creating, typing, checking and proof reading.

To Tony and Kathy Baroni as well as the committee for two long nights of updating the membership lists.

To the SBCC officers and committees who submitted material.

To Arnold Lake for the cover photo and everyone else who sent in their pictures.

To Col-Pal Press for another fine printing job.
