HONORARY LIFE MEMBERS (PAST COMMODORES)

The SBCC grants honorary life membership to all Past Commodores, in recognition of their devotion and duty to the Club. Each of them has contributed time, talent and friendship to help make the South Bay Cruising Club the success it is today.

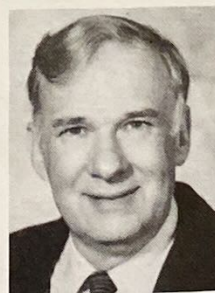

BILL DWYER
1980 - 1981

COMMODORE'S MESSAGE

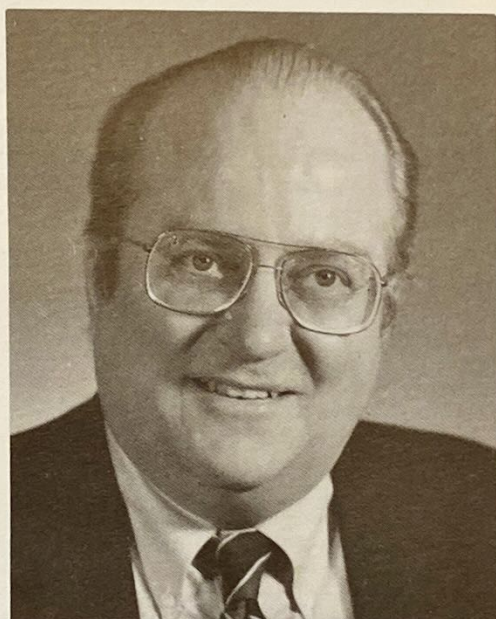

I look forward to this year as a way to say thank you to every member of South Bay Cruising Club. My family has enjoyed the efforts of past Commodores and the activities of the Club for so many years that we sincerely hope that we will contribute to your enjoyment of the Club's activities and the success of South Bay Cruising Club. The Flag Officers, Board and Committees all want to serve you. We will try to do everything that we traditionally have done in the past, and if possible, we will try to do it even better than before.

The integration of the activities of our Cruising Yachts with the activities of our Racing Yachts is an objective that will continue to receive our attention and that of all committees. We hope more members will participate in both our cruising activities and our racing activities. This may be partially accomplished by having more cruisers turn up at the start line for the Cruising Class. This Class will be participating in some of our major races this year. Over the years we have seen many of our racers become cruisers, as the ravages of weather and time fine tune the racer and his yacht into a good cruiser. It may be that we can reverse the trend and convert some of our good cruising families into Cruising Class racers.

This year Great River Week will be in July, commencing with the West Island Race on July 9 to the Blast on July 16. It is anticipated that this will be a "super," spectacular week and we will see double the number of boats in the River, double the activities and double the fun for each and every participant.

Finally, we intend to see our education program expand as well as activities that will support public interest groups that promote the safety of our members, the public and all who enjoy our wonderful natural resource, the waterways surrounding us.

Our past Commodore, Andy Davies and his predecessors have provided us with a club and organization that served us well. Your Flag Officers and Board will do their best to continue their work. Join us and we will continue to be the greatest Club on the Bay and maybe, even the biggest.

FLEET CAPTAIN'S MESSAGE

Cruising 1988

Tides of the New Season bring forth promise of enjoyment and fresh challenges to seamanship while proclaiming yet another anniversary of the South Bay Cruising Club as it draws near the dawn of a new century.

Under clear sky . . . On green water . . . the objective is pure fun and enjoyment resulting from the mix of family and friends with cruising or racing.

The burgee bears witness . . . the unit of sailor and sail upon which it is born . . . altho quiet in grace is ever alert for the unexpected.

Enjoy this and all future seasons.

Tom Gotard

—88—

SOUTH BAY CRUISING CLUB

An organization formed in 1951 to promote cruising under sail on Great South Bay and nearby waters.

OFFICERS

Commodore, Donald J. Zimmer

Vice Commodore, Robert J. Sheppard

Fleet Captain, Thomas Gotard

Corresponding Secretary, Thomas J. Tyler

Fleet Surgeon, Dr. Andrew Peters

Rear Commodore, Michael G. Smith

Treasurer, Thomas F. O'Connell

Recording Secretary, Norman Robertson

Chanteyman, Bob Finta

BOARD OF GOVERNORS

Anton F. Davies, Kenneth A. Kondor, Dorothy Max, Paul J. McGinnis
William M. Menger, Jules Rosen, Alexander G. Yaxis

NOTES TO RACING SCHEDULE

1. See SPECIAL RACE REQUIREMENTS
2. See SERIES Information (P. 16).
3. Time Limit 1230 for AM race.
4. Time Limit 2230.
5. Time Limit 1900.
6. No Time Limit.
7. Counts toward season class championship.
8. Alternates counting toward season class championship.
9. Winners in races shown in ALL CAPS qualify for Perpetual Trophies. Consult Race Information under TROPHIES for specifics.
10. Finish at Babylon Yacht Club dock.
11. No SBCC racing fee required.
12. GSBYRA INVITATIONAL—requires payment of entry fee to GSBYRA. (See GSBYRA year-book for entry form).
13. Start of second race to be announced by Committee Boat.
14. Series standings count as alternate toward season Class Championships.
15. To be scored separately for Race Week Wind-Up and for series race.
16. Course to be determined by regatta committee representative.

SOUTH BAY CRUISING CLUB

NOTES TO 1988 SCHEDULES

NOTES TO SOCIAL AND CRUISING SCHEDULE

1. Refer to Cruising Guide for directions to Rendezvous location.
2. Details to be published in "From the Masthead" or otherwise furnished at a later date.

AWARDS:

Cruising Award — This award is given for cruising off the bay as part of the club's cruises. To qualify, a yacht must anchor or tie up with the fleet for at least seven (7) nights (50%). The Cruise Captains will submit a list of the yachts eligible for this award based upon their records. The cruises will commence July 2nd.

Great River Week Award is given for attending Great River Week. A yacht must be present in Great River or designated harbor Monday through Friday in order to earn this award.

The Rendezvous Award is made at the Fleet Captain's discretion to a limited number of boats and for the best record for participating in the weekend rendezvous.

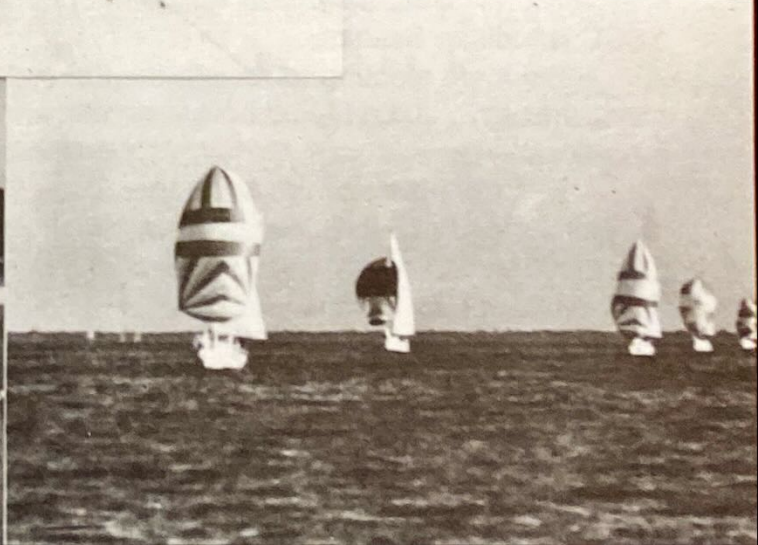

Green Water Award for a cruise of greater distance and duration than the official cruises.

Blue Water Award is made only as recognition for an extended cruise off soundings. A select committee, along with the Fleet Captain, will review candidates and make this award only when they deem the cruise to be an outstanding achievement.

An incomplete list of Blue Water Awards:

- 1952 — Jack Young (Doc Hamlin special award)
- 1953 — R.W. Bennett
- 1964 — Art Flynn
- 1965 — Stuart Baldwin (Ed Macy special award)
- 1966 — Ed Macy
- 1967 — Ed Forsyth
- 1968 — Jack Young (Don Streit & Ed Ricketts special awards)
- 1969 — Chet Phipps
- 1972 — Arthur Sternberg, M.D.
- 1973 — Bill Milligan
- 1979 — Bob Wissman
- 1980 — Edgar Sabbeth

SBCC — RACING PROGRAM

ELIGIBILITY

All properly equipped sailboats owned or chartered by SBCC members are eligible to participate in Club races provided they have paid the racing fee and have requested and received a SBCC handicap.

To encourage new competition, the SBCC Family Races from Watch Hill, the Class Race, the Ladies Race and all Yacht Club Invitationals do not require payment of the SBCC racing fee. All yachts participating, however, must obtain a proper handicap from the race committee.

HANDICAPS

The SBCC fleet includes many different types of sailboats. In order to make race participation attractive to as many members as possible, SBCC Handicap racing is offered. Under this system, every yacht in the fleet upon request to the Handicap Chairman is given a SBCC Rating based on its maximum speed potential.

The SBCC Handicap System rates each yacht according to its maximum speed potential, thereby encouraging each skipper to get the best performance from his yacht.

Maximum speed potential is established for each yacht through:

- statistical analysis of race data for consistently well-sailed boats of similar design,
- comparison with data from other racing fleets'
- speed-trending data from past performances.

Under the SBCC Handicap System all yachts of different design will have distinctive maximum speed characteristics from which individual handicaps are derived. Fine tuning factors are applied to yachts of the same design to account for differences in rig, prop type, sail complement, etc.

Each racing skipper is obliged to contact the Handicap Chairman in advance of his first race under the following conditions:

- A particular yacht is to be raced in the SBCC fleet for the first time.
- The skipper has raced another yacht bearing the same sail number during the season.
- The sail complement has been changed.
- The basic design of the yacht is modified in any way which could affect its speed potential.

HANDICAP APPEAL

A skipper who believes his yacht's handicap might deserve correction may request a handicap review by submitting a written request to the Handicap Committee stating the reasons he believes a review is in order.

SBCC HANDICAP CLASSES

Three classes, Spinnaker and Non-Spinnaker and Cruising are scored under the SBCC Handicap System.

—Skippers electing to race in the Spinnaker class may use their full sail complement, and any sail combination consistent with USYRU racing rules or special race instructions.

—It is the intent of the Non-Spinnaker class to restrict sail inventory use to only those sails that can be correctly flown on all points of sail. In the Non-Spinnaker class, only one headsail (either a jib or genoa of a minimum of 3 ounce cloth) may be flown in the foretriangle at any one time. Yachts handicapped as having permanent double head rigs will be permitted to fly their staysail when racing Non-Spinnaker.

SBCC — RACING PROGRAM

—The Cruising class, a modified Non-Spinnaker class, will be restricted by the rules of Non-Spinnaker and be open to the skippers who believe their boats are in the "cruising state."

—Members may change classes as often as they desire, as long as it is done before the first warning signal.

SCORING METHOD

SBCC races will be scored using the Time on Distance Method. A yacht's time allowance is calculated by multiplying her SBCC handicap by the race course distance. The time allowance is then subtracted from the yacht's elapsed time, yielding corrected time. The yacht with the lowest corrected time is the winner.

Race results are mailed to each participating skipper shortly after each race and official results are printed monthly in the "Masthead."

SERIES SCORING

Points for each race will be awarded on the basis of $\frac{3}{4}$ -point for first, two points for second, three points for third, etc. DNF and WDR boats will receive one point more than the number of boats in that class that started in the series. DNS and DSQ boats will receive two points more than the number of boats in that class that started in the series.

A starter in any one race of the series will be considered to have started in all the races of the series. Series position will be determined by the total points accumulated by each yacht, in inverse order. When there is a tie on points between two or more yachts, the tie shall be broken in favor of the yacht or yachts with the most first places, and when the tie remains, the most second places and so on, if necessary, for such races as count for total points. If a tie still remains, it will be broken in favor of the boat which beat the other the last time they raced against each other, throwouts included.

COMMITTEE BOAT

A yacht that serves as committee boat for one race of any series will receive credit towards series qualification for that race and points equal to the average of its finish positions in the other races of the series, DNS and DNF races included. This does not apply to the Class Championship. Being the committee boat for a race is an important responsibility. It is a job not to be taken lightly. If a skipper changes his assignment date, he should inform the Regatta Committee.

SERIES INFORMATION

Tune-Up Series

This is a two-race series with no throw-outs. To emphasize tuning, no trophies will be awarded.

Twilight Series

These are a three race series. They will be scored on the basis of a yacht's best two races, except committee boat, as noted above. These races will alternate between regular start and non-spinnaker split. The non-spinnaker split class will be split into two divisions:

No-Spin #1 for yachts handicapped at 179 or less.

No-Spin #2 for yachts handicapped at 180 or more.

The final Wrap-up series will be non-spinnaker.

Pursuit Series

These are two-race series with no throw-outs. There will be a raft-up in Secret Harbor between races. Non-Spinnaker class only.

SBCC — RACING PROGRAM

Summer Series

This is a two-race series with no throw-outs.

Babylon Yacht Club July Invitational Series

This is a three-race series sailed over a two day period. There will be one throw-out. The courses, starting sequence, and other race instructions will be provided by the Babylon Yacht Club and handed out by the committee boat on station prior to the first race.

Great River Week

This is a four-race series. It will be scored on the basis of a yacht's best three races. Racers traditionally join the Great River Week raft up after each race. To be scored for the fourth race of the series (Race Week Wind-up), a yacht must have participated (started or served as committee boat) in at least two of the other races comprising the series. However, all yachts participating in the Race Week Wind-Up will be scored for the Saturday day race. A special Cruising class will be added for all four races.

Sayville Yacht Club Invitational Series

This is a two race series sailed over two days. See SYC START SEQ. for more information or the SYC Race Committee.

SBCC Class Championship Series

Class Championship will be awarded to the yachts with the best scores in nine races. The races or series selected are designated with note 7, 8 or 14 in the racing schedule, except that a maximum of any three alternates may be used, which are designated as note 8 or 14 in the yearbook. Points for these races are computed on the following basis: 1st place yacht receives points equal to the number of starters in the race plus $\frac{1}{4}$ point; 2nd place yacht receives $1\frac{1}{4}$ points less than the 1st place yacht; the 3rd place yacht receives $2\frac{1}{4}$ points less than the 1st place yacht, etc. Points for the West Island Race will be awarded by first merging non spin 1 and 2 in order of corrected time.

SPECIAL RACE REQUIREMENTS

Single-Handed Creepstakes — Only skipper is allowed on boat during race. Two classes: 30 feet LOA and over; and under 30 feet LOA.

Crew Day — This is a chance for the crew to yell at the captain for a change. Captain cannot skipper the boat. The morning "race" will consist of a series of short windward/leeward "sprints." Succeeding warning guns will go off ten minutes after the last yacht finishes. As many starts as time permits will be run. There will be no score for the practice "sprints." The afternoon trophy race will begin after lunch time raft up in Secret Harbor. The crewmember who does best in the "sprints" will probably skipper the boat.

Pursuit Races — This is a special "staggered start" series where "slower" yachts get a head start over "faster" yachts. Theoretically, all yachts should finish together, but the first yacht that crosses the finish line wins. Start sequences will be published in the "Masthead" prior to the race. The list will give each yacht's start time and detailed instructions covering the conduct of these races.

Watch Hill Family Race — A Non-Spinnaker race leaving from Watch Hill Sunday morning. Crews must sleep aboard their yacht Saturday night. See racing program for further information and starting time.

SBCC — RACING PROGRAM

West Island Race — This race will be split into four divisions: Spin, No-Spin #1, No-Spin #2 and Cruising. Yachts handicapped at 203 or under in the No-Spin division will be assigned to No-Spin #1. Yachts handicapped over 203 will be assigned to No-Spin #2.

Ladies' Race — A non-Spinnaker race. Skipper must be a lady. The Patricia A. Kelly Trophy will be awarded to the yacht with best corrected time with an all girl crew. Yachts eligible for this trophy must compete in the ALL GIRL category.

Class Race — A one-design race for any class with three or more entries. Class racers are required to fly their Spin or No-Spin streamers to signify which division they are racing in. Classes may hold both Spin and No-Spin races provided the minimum of three entrants is satisfied in each division (in this case both divisions will start together but be scored separately). Ten minutes after the "other" classes start, there will be a General No-Spin start for all other SBCC yachts with valid handicaps unable to make a class. No trophies will be awarded in the General No-Spin division.

Race Week Wind-Up — This is a separate day race and also serves as the last race in the Great River Week series. This race will be double scored, once for those yachts having participated in at least two of the prior Great River Week series races, and scored again using all of the participating yachts to arrive at the standings for the Race Week Wind-Up and Class Championship points.

Races Trophies — Trophies for individual SBCC races (when not part of a series) will be awarded to each class, according to the following schedule:

Number of Starters	Trophies for
2 or 3	1st
4 through 6	1st and 2nd
7 through 14	1st, 2nd and 3rd
15 or more	1st, 2nd, 3rd and 4th

In SBCC series, the greatest number of starters in any race will govern the number of trophies awarded for that series. Only first place trophies will be awarded for the Class Race.

Perpetual Trophies — Perpetual trophies are awarded for one year only. They are awarded to the yacht with the best corrected time based on the SBCC Handicap rule.

Each year the club awards seven perpetual trophies, as follows:

Commodore's Cup — Best corrected time in the Commodore's Cup race.

Foulke Trophy — Best corrected time in the Foulke Trophy race (night race).

Smith Trophy — Best corrected time in the Smith Trophy race.

Deale Trophy — Best corrected time in the West Island race.

Governor's Cup — Best total score for the Commodore's Cup, West Island and Foulke Trophy races.

Patricia A. Kelly Trophy — Best corrected time in the Ladies' Race by a yacht with an all-girl crew. Additional trophies will be awarded to yachts with all-girl crews in accordance with the trophy schedules.

Cruising Club Crock — Best corrected time in the Around Long Island Regatta scored with the SBCC Handicap rule.

Keeper cups are given to winners of these trophies and their names are engraved on the perpetual trophy. It is the responsibility of the winner of the perpetual trophy to return it by November 1 to the Trophy Chairman for engraving of the following year's winner.

SBCC — RACING PROGRAM

RACING RULES

Racing rules of the United States Yacht Racing Union (USYRU) shall be observed except as otherwise specified in these instructions. Burgees and other flags may be flown when racing. Government navigation buoys not stated as being marks of the course may be disregarded at the discretion of the skipper.

The Inland Rules will replace Part IV of the Racing Rules between the hours of sunset and sunrise. All required lights must be shown.

PROTESTS

The SBCC Protest Committee operates under the Racing Rules of the USYRU, supplemented by published decisions of the USYRU Appeals Committee. In addition, it shall hear all protests arising from violation of the Inland Rules which replace Part IV of the USYRU rules between sunset and sunrise.

The Protest Committee will only entertain protests made in conformity to the USYRU rules including:

- Display of protest flag
- Notification of protested yacht
- Notification of Race Committee
- Submission of written protest within 72 hours
- Citation of rule or rules allegedly infringed

Protest must be addressed to the Chairman of the Protest Committee and hand-delivered or postmarked within 72 hours of the conclusion of the race in question.

Written protests for the Ocean Invitational must be submitted immediately after the race.

ANTI-BARGING MARK

The committee boat may use an "anti-barging mark." If this mark is used racers shall not pass through the line formed by the anti-barging mark and the committee boat at any time — even while "starting." The penalty for infringing on this restricted line (at any time) or for touching (while starting) the anti-barging mark, is disqualification. The anti-barging mark does not change the starting line. The starting line is determined by the "X" mark (or buoy) and the white line marker on the committee boat.

STARTING LINE ETIQUETTE

Racing skippers are reminded to stay clear of the starting line until the Preparatory Signal for their class. *Classes not starting are to remain clear of all yachts in the division before them.* Failure to do so may result in disqualification.

The Preparatory Signal for each class is given five minutes prior to the starting signal. Yachts starting with the wrong class may be disqualified.

Skipper electing to change class after arriving in the starting area (but before the warning signal) must notify the race committee of that change.

IDENTIFICATION

Racing numbers, either USYRU or SBCC, are required on mainsails, spinnakers and overlapping (LP greater than 130% J) headsails, in accordance with current USYRU rules.

SBCC — RACING PROGRAM

CLASS STREAMERS

Racing yachts are required to fly class streamers from their standing backstays or the leach of their mainsail. Streamers should measure 4"x18".

Twilight No-Spin/Split

Class	Color
No-Spin #1	Red
No-Spin #2	Yellow

West Island Race

Class	Color
Spinnaker	Red
No-Spin #1	Yellow
No-Spin #2	Blue
Cruising	White

Creepstakes

Class	Color
LOA 30 ft +	Red
LOA under 30 ft	Yellow

Ladies Race

Class	Color
Mixed Crew	Red
All Girl	Yellow

All Other Races

Class	Color
Spinnaker	Red
No-Spin	Yellow
Cruising	White

Failure to display the appropriate streamer may be considered grounds for disqualification.

STARTING

Signals will be made at five minute intervals with each signal lowered one minute before the hoisting of the next. The visual signal governs; the gun merely calls attention to it.

STARTING SEQUENCE

Abbreviations:

warn - warning signal
 prep - preparatory signal
 S/ - start signal

Sp - Spinnaker Class
 NS - Non-spinnaker Class
 CRU - Cruising Class

Time	Shape	Regular	No-Spin	No-Spin Split	SYC	Expanded
:00	White	Warn	Warn	Warn	Warn	Warn

:25	Red	Prep	S/other classes		
:30	White	S/NS #2	Prep		
:35	Blue	S/Cru	S/General		

When, after a starting signal, all the yachts of the class or classes involved have properly started, the Race Committee will, if practicable, announce "all clear."

SBCC — RACING PROGRAM

RECALLS

The Race Committee will attempt to sound one blast of a horn or whistle and announce the sail number of each yacht starting prematurely. Near by yachts are requested to pass the hail. The onus of making a fair start lies on each yacht, and failure to hear or heed a recall will not prevent the premature starter from being penalized. Responsibility for determining compliance with the rules rests with the Race Committee. Yachts making an improper start will be penalized by having one-half hour added to their elapsed time, whether or not they have been notified.

General Recall: If there should be a number of unidentified premature starters, or if an error is made in the starting procedure such as significant inaccuracy in the interval between signals, the Race Committee will make the General Recall signal. The General Recall signal is the First Repeater code flag accompanied by two guns. The starting sequence begins with the recalled classes Warning signal.

SPECIAL SIGNALS

Code flags A through K are used to designate courses (see course instructions). Code flags below apply to all SBCC-conducted races:

- L** — One of the designated MARKS is missing; come within hailing distance for instructions.
- M** — ROUND or pass the object displaying this signal instead of the mark it replaces.
- N** — ABANDONMENT, race called off (accompanied by three guns).
- R** — Sail the designated course in the REVERSE direction, Leave all marks to the opposite hand.
- S** — Sail the SHORT course prescribed in the course instructions. When flown after the start (accompanied by two guns), finish between the committee boat and the nearby mark of the course.
- T** — Sail the designated course TWICE around.

Answering Pennant — POSTPONEMENT signal (accompanied by two guns). Starts postponed fifteen minutes. Warning signal will be made 1 minute after Answering Pennant is lowered.

1st Repeater — GENERAL RECALL signal

TIME LIMIT

Regardless of time of start, the time limit for a boat in the first class to finish will expire at 1800 except as noted below:

Twilights — 2230

Foulke Trophy — No time limit

West Island — 1900

Ocean Races — 1900

Tune-up, Summer and Pursuit morning races — 1230

Time limit for all classes starting after the first class will be extended so as to allow all classes to have the same amount of racing time. If any yacht finishes within the time limit for her class, it is a race for her class. Yachts finishing after the committee boat has left its station should take their time and report it to the Race Committee as soon as possible.

SBCC — RACING PROGRAM

VHF COMMUNICATIONS

VHF radio communications may be maintained during a race utilizing channels 9, or 68 thru 72 for communication. Radio communications may be utilized to relay information on unusual situations during races such as postponements, recalls, withdrawals, etc. However, Race Committees are not required to use radio. Racers should **not** communicate with the Race Committee from the time of the Warning gun to the time of the last class start.

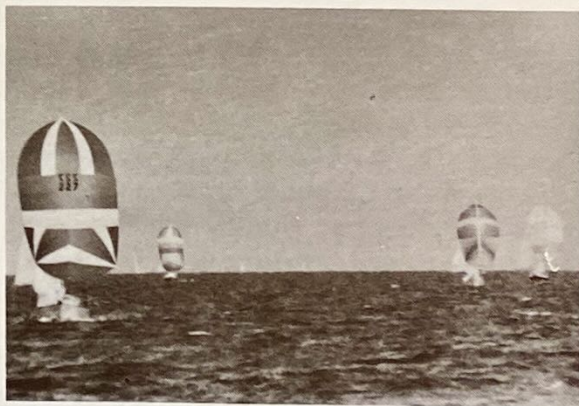

COURSE INSTRUCTIONS

SBCC courses in the Bay have been grouped by starting area as follows:

Babylon	Ocean
Bay Shore	Sayville
Heckscher Park	Watch Hill
Nicoll Bay	

For each of these areas, a variety of courses is described below, each bearing a distinguishing letter. The choice of course available to the Race Committee on any given day is shown in the Race Schedule. The course selected will be signaled from the Committee Boat by the appropriate letter code flag. (Letters A through K may be used).

Any course can be reversed by code Flag "R" or shortened by code flag "S" as described under "SPECIAL SIGNALS" above.

RACING PROGRAM — RACE COURSES

BABYLON COURSES

Course A: Start established by committee boat off Willetts Creek; to Flasher No. 7 off Oak Island Channel, leaving it to port; through the center span of Robert Moses Causeway to Flashing Green No. 11, leaving it to starboard; to Flashing Green No. 1 off Bayberry Point, leaving it to starboard; to Can No. 5 off Nicoll Point, leaving it to port; to Red and White (GC) Mo(A) in Great Cove, leaving it to port; return through center span of the Causeway to finish line off Willetts Creek. Course distance: 16.5 nm. Short Course * distance: 15.6 nm.

Course B: Start established by committee boat off Willetts Creek; to Flasher No. 7 off Oak Island Channel, leaving it to port; through the center span of Robert Moses Causeway to Flashing Green No. 11, leaving it to starboard; to Flashing Green No. 1 off Bayberry Point, leaving it to starboard; to Can No. 3 off Hecksher State Park, leaving it to port; to Red and White (GC) Mo(A) in Great Cove, leaving it to port; return through center span of Causeway to finish line off Willetts Creek. Course distance: 13.2 nm. Short Course * distance 12.3 nm.

Course C: Start established by committee boat off Willetts Creek; to Flasher No. 7 off Oak Island Channel, leaving it to port; through the center span of the Robert Moses Causeway to Flashing Green No. 11, leaving it to starboard; to Flashing Green No. 1 off Bayberry Point, leaving it to port; to Red and White (GC) Mo(A) in Great Cove, leaving it to port; return through center span of the Causeway to finish line near Willetts Creek. Course distance 9.7 nm. Short course * distance: 8.8 nm.

Course D: Start established by committee boat off Willetts Creek; to Flasher No. 7 off Oak Island Channel, leaving it to port; through the center span of the Robert Moses Causeway to Nun No. 6, leaving it to port. Return through center span of the Causeway to finish line off Willetts Creek. Course distance: 4.3 nm. Short Course * distance 3.4 nm.

Course E: Start established by committee boat off Willetts Creek; to Flasher No. 7 off Oak Island Channel leaving it to port; through the center span of Robert Moses Causeway to Nun No. 6, leaving it to port; Return through center span of the Causeway to the starting line "X" mark, leaving it to port; to Flasher No. 7 leaving it to port; to finish line off Willetts Creek. Course Distance: 6.0 nm. Short Course * distance: 5.0 nm.

Course F: Start established by committee boat in vicinity of Willetts Creek to Flasher No. 7 off Oak Island Channel, leaving it to port; through center span of the Robert Moses Causeway to Flashing Green No. 11, leaving it to starboard; to Nun No. 2 in North Channel, leaving it to port; to Flashing Green No. 1 off Bayberry Point, leaving it to port; to Red and White (GC) Mo(A) in Great Cove, leaving it to port; return through center span of the Robert Moses Causeway to the finish line off Willetts Creek. Course distance: 10.9 nm. Short Course * distance: 10.0 nm.

Course G: Start established by committee boat in vicinity of Willetts Creek to Flasher No. 7 off Oak Island Channel, leaving it to port; through center span of the Robert Moses Causeway to Nun No. 6, leaving it to port; to Red and White (GC) MO(A) in Great Cove, leaving it to port; return through center span of the Robert Moses Causeway to the finish line off Willetts Creek. Course distance: 8.3 nm. Short Course * distance: 7.4 nm.

**For Babylon Races, if short course is signaled, omit Flasher No. 7 on first leg and proceed directly to center span of Causeway.*

RACING PROGRAM — RACE COURSES

BAY SHORE COURSES

Course A: Start established by committee boat $\frac{1}{3}$ mile south-east of Brightwaters Canal; to Flashing Green No. 11 east of Robert Moses Causeway, leaving it to port; to Flashing Green No. 1 off Bayberry Point, leaving it to port; to Red and White (GC) Mo(A) in Great Cove, leaving it to port; to Flashing Green No. 11, leaving it to starboard; to finish line off Brightwaters Canal. Course distance: 5.2 nm.

If Short course is signalled proceed directly from Flashing Green No. 1 to finish line. Course distance: 3.7 nm.

Course B: Start established by committee boat $\frac{1}{3}$ mile south-east of Brightwaters Canal; to Flashing Green No. 11 east of Robert Moses Causeway; to Nun No. 2 in North Channel; to finish line off Brightwaters Canal. Leave all marks to port. Course distance: 4.7 nm.

Course C: (Should not be reversed for Twilight Races) Start established by committee boat $\frac{1}{3}$ mile south-east of Brightwaters canal; to Nun No. 6 east of Robert Moses Causeway; to Flashing Green No. 1 off Bayberry Point; to finish line off Brightwaters Canal. Leave all marks to port. Course distance: 5.7 nm.

Course D: Start established by committee boat $\frac{1}{3}$ mile south-east of Brightwaters Canal; to Nun No. 6 east of Robert Moses Causeway, leaving it to port; to Flashing Green No. 11, leaving it to starboard; to Flashing Green No. 1 off Bayberry Point, leaving it to starboard; to Flashing Red No. 4 off Nicoll Point, leaving it to port; return to finish line off Brightwaters Canal. Course distance: 11.6 nm.

Course E: Start established by committee boat $\frac{1}{3}$ mile south-east of Brightwaters Canal; through the center span of Robert Moses Causeway; to Flasher No. 7 off Oak Island Channel, leaving it to port; return through center span; to Flashing Green No. 11 east of Robert Moses Causeway, leaving it to starboard; to Flashing Green No. 1 off Bayberry Point, leaving it to port; to finish line off Brightwaters Canal. Course distance: 9.1 nm.

Course F: Start established by committee boat $\frac{1}{3}$ mile south-east of Brightwaters Canal; to Nun No. 6 east of Robert Moses Causeway, leaving it to port; to Red and White (GC) Mo(A) in Great Cove, leaving it to starboard; to Nun No. 2, in North Channel, leaving it to starboard; to starting line "X" mark, leaving it to port; to Nun No. 6 east of Robert Moses Causeway, leaving it to port; to finish line off Brightwaters canal. Course distance: 10.9 nm.

If short course is signaled, leg from Nun No. 2 to stake boat is last leg. Course distance: 7.4 nm.

Course G: Start established by committee boat $\frac{1}{3}$ mile south-east of Brightwaters Canal; to Nun No. 6 east of Robert Moses Causeway, leaving it to port; to Red and White (GC) Mo(A) in Great Cove, leaving it to starboard; to Nun No. 30 in Nicoll Bay, leaving it to starboard; to Flashing Red No. 18, leaving it to port; to Flashing Green No. 15 off Point o'Woods, leaving it to starboard; to Can No. 5 off Nicoll Point, leaving it to port; to Nun No. 2 in North Channel, leaving it to starboard; to finish line off Brightwaters Canal. Course distance: 20.3 nm.

RACING PROGRAM — RACE COURSES

Course H: Start established by committee boat $\frac{1}{3}$ mile south-east of Brightwaters Canal; to Flasher No. 31 off Blue Point, leaving it to starboard; to Flashing Red No. 18 off Point o'Woods, leaving it to port; to Flashing Green No. 15 off Point o'Woods, leaving it to starboard; to Flashing Red No. 8 SE of West Fire Island, leaving it to port; to RB Quick Flasher off Saltaire, leaving it to starboard; to RW (GC) Mo(A) in Great Cove, leaving it to port; through center span of Robert Moses Causeway; to Flasher No. 7 off Oak Island Channel, leaving it to port. Return through center span of Robert Moses Causeway to finish line off Brightwaters Canal. Course distance: 30.1 nm.

Course I: Same as Course H, except round Can No. 5 off Nicoll Point leaving it to starboard, and omit Flasher No. 31 and Flashing Red No. 18. Course distance: 20.7 nm.

Course J: Start established by committee boat $\frac{1}{3}$ mile south-east of Brightwaters Canal and finish between committee boat and Flasher No. 31 off Blue Point. Course distance: 9.8 nm.

Course K: Start established between committee boat and RW (GC) Mo(A) in Great Cove; through center span of Robert Moses Causeway; to Flasher No. 7 off Oak Island Channel, leaving it to port; return through center span to Flashing Green No. 1 off Bayberry Point, leaving it to starboard; to Flasher No. 31 off Blue Point, leaving it to port; return leaving Flashing Green No. 11 to port, through center span of the Robert Moses Causeway; to the finish line between the "X" mark and the flagpole at the end of the Babylon Yacht Club dock (which should not be used as a rendezvous for this race). Course distance: 29.9 nm.

HECKSCHER PARK COURSES

Course A: Start established by committee boat 100 yards south of Can No. 3 off Heckscher State Park; to Nun No. 2 in North Channel; to Flashing Green No. 1 off Bayberry Point; to finish line 100 yards south of Can No. 3. Leave all marks to starboard. Course distance: 3.7 nm.

Course B: Start established by committee boat 100 yards south of Can No. 3 off Heckscher State Park; to Nun No. 10 off Bay Shore; to RW (GC) Mo(A) in Great Cove; to finish line 100 yards south of Can No. 3. Leave all marks to starboard. Course distance 6.4 nm.

If short course is signalled, substitute Flashing Green No. 1 off Bayberry Point for RW (GC)Mo(A). Short course distance: 5.6 nm.

RACING PROGRAM — RACE COURSES

NICOLL BAY COURSES

Course A: Start established by committee boat in Nicoll Bay; to Flashing Green No. 15 off Point o'Woods, leaving it to starboard; to Can No. 5 off Nicoll Point, leaving it to port; to Nun No. 2 in North Channel, leaving it to port; to Nun No. 10 off Bay Shore, leaving it to starboard; back to Nun No. 2 leaving it to starboard; to Can No. 5 off Nicoll Point, leaving it to port; to finish line in Nicoll Bay. Course distance: 15.7nm.

Course B: Start established by committee boat in Nicoll Bay; to Can No. 5 off Nicoll Point leaving it to starboard; to Nun No. 2 in North Channel, leaving it to port; to Nun No. 10 off Bay Shore, leaving it to port, to Red and Black Quick Flasher off Saltaire, leaving it to port; to Flashing Red No. 8, leaving it to starboard; to Flashing Green No. 15 of Point o'Woods, leaving it to port; to finish line in Nicoll Bay. Course distance: 14.5 nm.

For the West Island Race only, this course may be sailed in the opposite direction with all marks left on the opposite hand.

Course C: Start established by committee boat in Nicoll Bay; to Flashing Red No. 4 off Nicoll Point, leaving it to port; to Flasher No. 31 off Blue Point, leaving it to starboard; to finish line ½ mile north of Sailor's Haven. Course distance: 12.2 nm.

Course D: Start established by committee boat in Nicoll Bay; to Flashing Red No. 18 off Point o'Woods; to Flasher No. 31 off Blue Point; to finish line in Nicoll Bay. Leave all marks to port. Course Distance: 11.7 nm.

Course E: Start established by committee boat in Nicoll Bay; to Flashing Red No. 4 off Nicoll Point; to Flasher No. 31 off Blue Point; to finish line in Nicoll Bay. Leave all marks to port. Course distance: 11.9 nm.

Course F: Start established by committee boat in Nicoll Bay; to Can No. 5 off Nicoll Point, leaving it to starboard; to Nun No. 2 in North Channel, leaving it to port; to Can No. 3 off Point o'Woods, leaving it to port; to Nun No. 28 in Nicoll Bay, leaving it to port; to finish line in Nicoll Bay. Course distance; 9.5 nm.

Course G: Start established by committee boat in Nicoll Bay; to Flashing Red No. 18 off Point o'Woods, leaving it to port; to Flasher No. 31 off Blue Point, leaving it to port; to Can No. 33 off East Patchogue, leaving it to port; to finish line east of Blue Point off Sayville Y.C. Course distance: 12.4 nm.

If short course is signalled proceed directly from Flasher 31 to finish line. Course distance: 9.2 nm.

Course H: Start established by committee boat in Nicoll Bay; to Flashing Red No. 4 off Nicoll Point, leaving it to port, to Nun No. 30 off Green Point, leaving it to starboard; to Flashing Red No. 18 off Point o'Woods, leaving it to starboard; to Nun No. 2 in North Channel, leaving it to starboard; to Can No. 5 off Nicoll Point, leaving it to port; to finish line in Nicoll Bay. Course distance: 13.2 nm.

Course I: Start established by committee boat in Nicoll Bay; to Can No. 5 off Nicoll Point, leaving it to starboard; to Nun No. 2 in North Channel; leaving it to starboard; to Flasher No. 31 off Blue Point, leaving it to port; to finish line in Nicoll Bay. Course distance: 16.2 nm.

RACING PROGRAM — RACE COURSES

Course J: Start established by committee boat in Nicoll Bay; to Can No. 5 off Nicoll Point to Flashing Green No. 29 in Nicoll Bay; return to finish line in Nicoll Bay. Leave all marks to port. Course distance: 3.3 nm.

Course K: Start established by committee boat in Nicoll Bay. Course description to be provided by the regatta committee prior to race. A NUMERAL PENNANT (1-9) will be flown by the committee boat to denote particular "K" Course. Course Distance to be determined after placement of SBCC Bouys.

OCEAN COURSES

Ocean Course A: Start between committee boat and Red Whistle Buoy No. "4FI" off Fire Island Inlet; to Black and White Gong Buoy No. "J1" off Jones Inlet and return, leaving No. J1 to port. Course Distance: 26.5 nm.

Ocean Course B: Start between committee boat and Red Whistle Buoy No. "4FI" off Fire Island Inlet; to Nantucket Sea Lane White/Orange "NA" and return, leaving Buoy "NA" to port. Course distance: 22 nm.

Ocean Course C: Start between committee boat and Red Whistle Buoy No. "4FI" off Fire Island Inlet. Course description to be provided by the Regatta Committee prior to race. A numeral pennant (1-9) will be flown by the committee boat to denote particular "C" course. Course distance to be determined after placement of SBCC buoys.

Notes on Ocean Race:

1. Harbor start from Sore Thumb one hour prior to Warning Gun.
2. If adverse weather conditions necessitate cancellation of the Ocean Race the committee boat will signal abandonment at Sore Thumb one hour prior to the Warning Gun.
3. If the Ocean Race is abandoned, there will be a "Bay Race" if wind and weather conditions permit.
4. If the committee boat is unable to remain on station at the finish line, finishing yachts shall pass No. 4FI to port for course A or to starboard for Course B. Yachts shall record their own finish times when the buoy bears abeam of the stern of the yacht. Such finishing times shall be reported to the R/C. Observers may be stationed on the beach to verify finishing times.

Bay Race Course A: To Red and Black Quick Flasher off Saltaire; to Flashing Red No. 8, leaving it to starboard; to Flashing Green No. 15 off Point o'Woods; to Can No. 5 off Nicoll Point; to finish line between committee boat and Nun No. 2 in North Channel. Leave all marks except No. 8 to port. Course distance depending on start locale.

Bay Race Course B: To Red and Black Quick Flasher off Saltaire, leaving it to port; to Nun No. 10 off Bay Shore, leaving it to starboard; to Can No. 3 off Heckscher Park, leaving it to port; to finish line between committee boat and Flashing Green No. 11 off Brightwaters. Course distance depending on start locale.

RACING PROGRAM — RACE COURSES

SAYVILLE COURSES

Course A: Start established by committee boat ½ mile South-East of Brown Point; to Flashing Green 29 in Nicoll Bay, leaving it to port; to finish line off Brown Point. Course Distance: 5.6 nm.

Course B: Start established by committee boat ½ mile South-East of Brown Point; to Flasher No. 32 in Patchogue Bay, leaving it to port; to finish line off Brown Point. Course distance; 5.7 nm.

Course C: Start established by committee boat ½ mile South-East of Brown Point; to Flashing Green No. 1 off Lone Hill; to Flashing Green No. 29 in Nicoll Bay; to finish line off Brown Point. Leave all marks to starboard. Course distance; 7.6 nm.

Course D.: Start established by committee boat ½ mile South-East of Brown Point; to Flasher No. 1 off Watch Hill Channel; to Flasher No. 31 off Blue Point; to finish line off Brown Point. Leave all marks to port. Course distance; 5.2 nm.

Course E: Start established by committee boat ½ mile South-East of Brown Point; to Flashing Green No. 1 off Lone Hill, leaving it to port; to finish line off Brown Point; Course distance: 4.3 nm.

Course F: Start established by committee boat ½ mile South-East of Brown Point; to Flashing Red No. 18 off Point o'Woods; to Can No. 5 off Nicoll Point; to finish line off Brown Point. Leave all marks to starboard. Course distance: 9.1 nm.

Course G: Start established by committee boat East of Blue Point; to Flasher No. 31, leaving it to starboard; to Can No. 5 off Nicoll Point, leaving it to port; to SYC inflatable mark ½ nm north of Flashing Green No. 1 off Lone Hill, leaving it to port; to Flasher No. 31 leaving it to port; to finish line east of Blue Point. Course distance: 12.9 nm.

If short course is signalled, substitute Nun No. 30 for Can No. 5. Short course distance: 9.7 nm.

WATCH HILL COURSE

Course A: Start in vicinity of North end of channel to Watch Hill; to Nun No. 2 in North Channel, leaving it to port; to finish at or near Nun 10 at the entrance to the West Channel. Distance: 10.1 nm.

Course B: Start in vicinity of North end of channel to Watch Hill; to Flashing Green No. 29 in Nicoll Bay leaving it to port; to Flashing Red No. 18 in East Channel leaving it to starboard; to the finish line in the vicinity of Can No. 5 off Nicoll Point. Course distance: 7.2 nm.

INTENT OF SBCC RACING PROGRAM

It is the intent of the SBCC that all sailboats racing in club sponsored events shall contain cruising accommodations with an enclosed cabin. It is recognized that these accommodations will vary according to the type and size of the boat. However, all sailboats are assumed to comply with the manufacturers' standard hull and accommodation plans. It is the responsibility of the owner of any vessel which has been modified or is of unique design to inform the handicap committee of the irregularity prior to racing. Such vessel will then be reviewed by the handicap committee and rated accordingly.

The SBCC handicap system assumes that a sailboat is equipped to race. It does not attempt to rate a partially equipped boat or a boat which differs from others in its class, in that it is unusually light or heavy, out of balance or has unusual windage (as from a dinghy on davits).

EQUIPMENT

As a minimum all cruising sailboats participating in a SBCC sanctioned club race *must* have the following equipment on board and in operable condition:

- A. All equipment required for the participating vessel to comply with Federal, State, and Local requirements.
- B. The following additional items:
 - 1. Bunks, securely installed.
 - 2. Toilet, securely installed or fitted bucket.
 - 3. Galley facilities.
 - 4. At least 2 gallons of potable water.
 - 5. Current copy of an approved SBCC handicap rating form.
 - 6. All spars including spinnaker and whisker poles marked in accordance with the rating form.
 - 7. Headsails of 130% LP or greater shall be measured and marked.
 - 8. An engine or auxiliary motor with fuel unless handicapped without same.
- C. It is strongly recommended that all sailboats participating in an SBCC sanctioned race on the Great South Bay comply with USYRU category 4 equipment requirements.
- D. Ocean Races and Races after sunset.
 - 1. It is strongly advised that additional safety equipment for these races include USYRU category 3 equipment requirements.
 - 2. It is strongly recommended that all sailboats participating in these events should be equipped with the following additional equipment:
 - a. VHF radio.
 - b. Auxiliary motor with adequate fuel.
 - c. Man overboard pole with strobe light.

INTENT OF SBCC RACING PROGRAM

Inspection Policy and Procedures

As a condition precedent to racing in a SBCC sponsored or sanctioned event, all vessels are subject to inspection for compliance with the stated equipment requirements.

The SBCC measurer or designated assistants may conduct random inspections of all SBCC sailboats with current SBCC handicaps. These inspections will be conducted with courtesy and as efficiently as possible with permission of the owner or their representative.

If in the opinion of the measurer or designated assistant, the inspected sailboat does not have on board either the required equipment or comply with the intent of the SBCC racing program, the measurer will file a formal protest with the Protest Committee. Boats found to be not in compliance by the protest committee will be subject to disqualification.

Safety

The safety of a vessel and her crew is the sole and inescapable responsibility of the skipper, who must do his best to ensure that the yacht is fully found, thoroughly seaworthy, and manned by an experienced and physically-fit crew. He must be satisfied as to the soundness of hull, spars, rigging, sails and all gear. He must ensure that all safety equipment is properly maintained and stowed, and that the crewmembers know where it is kept and how it is to be used. He must have all safety equipment required by the U.S. Coast Guard and he should have the racing equipment suggested by the United States Yacht Racing Union (USYRU). The South Bay Cruising Club disclaims any liability for the seaworthy condition or operation of a yacht, the safety of its crew, or the absence of suitable safety equipment aboard a yacht, for which the owner has sole responsibility.

It is the exclusive responsibility of each skipper to decide whether or not to start, continue, or drop out of any event. The South Bay Cruising Club does not assume any liability for the decision of any participant. Because of the increased costs of all vessels and the tendency to litigate all accidents, whether liability exists or not, the Board of Governors of the South Bay Cruising Club recommend that all owners and skippers carry liability as well as hull insurance to protect all parties from the financial consequences of an accident.

The boat Safety Package which prescribes the minimum U.S. Coast Guard requirements may be obtained by writing:

**Commander, Third Coast Guard District,
Governor's Island, NY 10004**

The USYRU Offshore Rating Council publication "Special Regulations Governing Minimum Equipment and Accommodations Standards" may be obtained by writing:

**U.S.Y.R.U.
P.O. Box 209
Newport, RI 02840**

THE YEAR IN REVIEW

TWO WEEK CRUISE

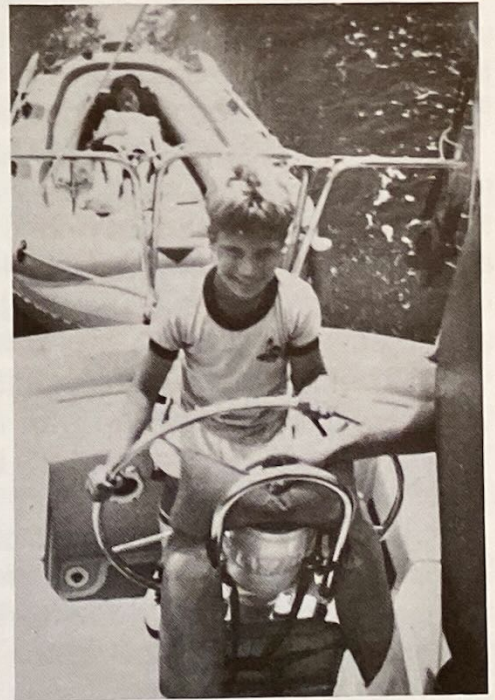

From the Log of Becky

JULY 2 — Departed the dock early in the afternoon with a light rain, fog and wind on our nose as we headed East. The light rain turned to heavy rain at times causing very restricted visibility along with a deserted cockpit. Since the weather was less than desirable the decision was made to anchor on the West side of Smith's Pt. Bridge. One advantage of poor weather was the lack of sufficient boat traffic to disturb the anchorage.

JULY 3 — It was a late start under very foggy conditions when we left the anchorage in time for a favorable tide through Moriches. The sun finally burned through the fog in the early part of the afternoon. We all got through Moriches without problems, and reached Comorant Pt. at about 1500 without much sailing taking place. *Double "E," Puddleduck* and *Keriann* attempted to raft but that came to an end when a large wake from a passing fishing machine caused them discomfort. The boats started to lurch and sway causing a Windex to take flight into the deep. *Galatea* arrived about 1700 as the fog drifted in and out.

JULY 4 — Independence Day had us up at 0600 to finish the desteepping of the mast for the trip through the canal. *Keriann* and *Puddleduck* left the anchorage about 0730 heading for Shinnecock Inlet. *Galatea* and *Becky* left at 0800 for the canal locks which were SUPPOSED to be closed and weren't! (Miscalculation) This is exactly why the Club states that on any Club cruise YOU are the captain of YOUR ship. *Calatea* made it through the locks under full power and had their hearts throbbing the whole way. *Galatea* is a 31 foot Grand Banks trawler with a big powerful diesel engine. The first signs of a current running were noticed by *Becky* as we passed the pilings by the marina. Something wasn't right. Sure enough as we passed the marina, the current was very noticeable. Debris was floating past us at a good rate. Before we reached the concrete bulkheading by the first bridge, *Becky* decided to abort and return to Cormorant. As a wide turn was executed — you guessed it — the current caught us and started taking us down river — SIDEWAYS. Talk about heart throbs! Some quick maneuvering finally brought us back under control and back to a very restful anchorage with nothing more than some very rapid pulse rates. At 1000 we once again set-out and had a very uneventful passage through. The mast had been raised after passing under the last bridge, but now it would have to be secured. This gave the wives and kids a chance to go to the beach near the county dock. We left at 1400 and sailed wing-on-wing for awhile. Then we motored and arrived at West Neck Harbor at approximately 1700 under the threat of thunderstorms. The kids enjoyed taking the dink to the beach and swimming. That evening proved delightful with fireworks visible from afar at Crescent Beach, Riverhead and Greenport.

JULY 5 — This was a lazy sunny Sunday morning that makes cruising so enjoyable. We left the anchorage at 1000 and headed for Plum Gut.

YEAR IN REVIEW (Cont'd.)

We passed through the gut at noon so we made excellent time with the motor and current. The Sound was choppy and we arrived at Saybrook Light at 1330. The day was now a hot, clear, sunny Sunday and every boat berthed on the Connecticut River had to be out on it. It was quite a sight — the LIE of boating — a ZOO with boats zipping every which way, the 4th of July crazies. At 1500 we reached Hamburg Cove — a massive parking lot for boats — and found what must have been the only mooring without a boat attached to it. It was "awning drill" time while the kids and most adults went into the water swimming or rowing around the rafted boats.

JULY 6 — Another lazy morning of rowing, swimming and housecleaning (sorry -boat cleaning). After an early lunch, we left the mooring at 1230 to head downriver for Essex Island Marina. We snuggled to dock around 1300 and headed for the town of Essex for groceries. The kids swam in the pool and played games; and then off to dinner at the Griswold Inn (delicious, but expensive!) *Hydro Therapy* had arrived late in the day and met us at the Griswold later. *Double E* was seen going up river to Hamburg Cove.

JULY 7 — After breakfast at the Galleyette, we were away from the dock by noon heading downriver through a light mist. At about 1300 we picked up an Old-Saybrook courtesy mooring near the town dock. We walked into town (about ½ mile) and spent the afternoon shopping and walking. On the suggestion of the Davieses, we ate dinner at Luigi's (about a mile walk) and headed back to the boats for a peaceful evening. If the courtesy mooring is occupied there are other moorings available (for a charge) from the North Cove Yacht Club which is just north of the town dock.

JULY 8 — Awakened early by rain, we left the mooring in a light rain by 0920. We motored amidst the rain, clouds and fog to the Mystic River, in time for the 1315 bridge. At the seaport we tied-up to dockside, stern-to-stern with *Galatea*, *Double E*, *Cymoril* and *Hydro Therapy*, which arrived later that afternoon. We explored Mystic briefly amongst showers, and then had a cocktail party aboard *Becky* before heading for dinner.

JULY 9 — Lay day. Awakened to the sound of cannons. HOT-SUN-DAY! Many walked to the aquarium (about 1 mile), bought supplies at the IGA, and had lunch at McDonald's. At the Seaport, kids did a 1 hour program, and then we all went to the Planetarium with thunderstorms overhead. Dinners were onboard.

JULY 10 — Awakened early to the sound of chainsaws over at the new bulkhead (alarm clocks are not necessary here). Showers, then a walk south into the village of Mystic. Restocked with ice from the Seaport, we then left the dock to make the 1215 bridge, motoring downriver and then East to Watch Hill we had *Becky*, *Galatea*, *Cymoril*, *Hydro Therapy* and *Double E*. The sun was hot and the iron jennies were working overtime on this trip. A water balloon attack broke up part of the trip and severe heat. We reached the entrance to Point Judith breakwall at 1545 and headed to the West side for a raft up with *Becky*, *Double E* and *Galatea*. *Cymoril* and *Hydro Therapy* pushed on for Newport. Even though it was VERY FOGGY, we still saw a beautiful full moon, as we rocked and rolled all night.

JULY 11 — We slept late (quiet for a change), got up to more VERY FOGGY conditions, eventually left the anchorage at 1330 and headed for Dutch Harbor. We anchored for the night in the North corner near a marsh area. This was a great anchorage with the wind out of the southeast. The kids dinked to the beach and got

YEAR IN REVIEW (Cont'd.)

mussels. *Hydro Therapy* arrived late in the afternoon and rafted with *Becky*, *Galatea* and *Double E*.

JULY 12 — Lazy morning — VERY FOGGY and misty. We left the anchorage at 1130 and motored toward Newport. We followed the coast using LORAN, horns and bells. At times there was no visibility except from the boat ahead to the boat behind, and at times even they were hard to see. A very LOUD horn from starboard proved to be a large naval frigate which passed us in the fog. Visibility was somewhat better in the harbor, and we had to pass through the Volvo Regatta as well as boats in the parade for the Blessing of the Fleet. We tied-up at the Newport Yacht Club and set off to explore the town.

JULY 13 — Lay day. More fog and mist. Laundry was done early and then sightseeing, shopping, bus ride, cliff walk, Breakers then back to the waterfront. Additional SBCC boats seen while in Newport included: *Tranquilizer*, *Lady Barbara*, *Cymoril*, and *Shangrila*. The weather improved slightly.

JULY 14 — Groceries, showers, ice and we left by noon under foggy to hazy skies. We reached Castle Hill around 1230 sailing for the first time in 12 days. We were close hauled, tacking a few times. The wind lessened, and the trip became lengthy and foggier with the threat of SEVERE thunderstorms over the radio. Finally, we started the engine, made better time and arrived at Great Salt Pond, Block Island at about 1800. More heavy fog, then clearing and rain. Other SBCC boats in the Pond included: *Quest*, *Carolina*, *At Last*, *Leprechaun*, *Carefree*, *Siloutte* and *Solitude*.

JULY 15 — A SUNNY DAY! Clear, bright, breezy, gorgeous. Awakened early by the donut man and boats leaving. Took the dinghy into Champlain's dock at about 10 and discovered that there was no longer a bus into town. Left Champlin's and dinked over to Paynes dock to walk into town (1½-2 miles). Had lunch at Ballard's (totally rebuilt after the great fire), toured the shops, then back to the dinghy and boats. We missed cocktails on *Carolina*, because of a dinghy engine that needed work.

JULY 16 — Another lay day on Block to simply rest, but the weather once again turned crummy (cloudy, windy, cold). Around 1100 we dinked to other SBCC boats to discuss tides, currents and time of departure. After lunch we dropped the mooring to cross the harbor and anchor near the beach. After dinking to shore and a not-so-pleasant walk, we reached the ocean where the kids went swimming (too cold for most adults). Cocktail party aboard *Becky*, dinner and a beautiful sunset with gorgeous stars in the dark anchorage. Early to bed because . . .

JULY 17 — Alarm went off at 0500, pulled anchor at 0535, outside Great Salt Pond at 6, and off Montauk by 0830. A bright, cool, sunny morning with a breeze from the northwest which became variable and did switch to southerly. Reached Shinnecock Inlet and passed through by 1400 and anchored in Tiana Bay-West side at 1430 with *Galatea*, *Carolina*, *At Last*, *Double E*, *Solitude* and *Leprechaun*. Some rafting some anchoring, and by 10 many were sitting on the bottom because of the extreme tide.

JULY 18 — HOMEWARD BOUND! *Becky*, *Carolina* and *Galatea* left the anchorage at 10 after the others had left earlier. Sitting on the bottom and low tide made departure a real chore. Finally, success and we reached the pretty Quogue Canal at 1100 after taking turns taking the lead and running aground. The tide was lower than normal due to the phase of the moon. This was not a pleasant journey with so little

YEAR IN REVIEW (Cont'd.)

water in the channel. We reached the beginning of Moriches at noon (2 hrs). Our little convoy caught up with the group that left earlier at Moriches Inlet where *At Last* had run hard aground with the strong currents. With some crew from *Carefree* and *Becky*, *Galatea* was able to secure a line and pull *At Last* off so our trip home could continue. We reached Smith's Point Bridge at 1500 after a SLOW 5-hour journey. The weather was, hot, sunny, and breezy out of the Southwest, right on the nose. Most parted company at this point and headed their own way in their own direction. With so little sailing taking place on this cruise, a lot of consideration is given to going up the Hudson next year.

Charlie & Barbara Becker

THREE WEEK CRUISE TO NANTUCKET

From the logs of *Rhapsody* and *Eagle*

Rhapsody left the Brightwaters Canal 3 July, 1987, at 1430 hours for the short trip to Robert Moses Basin. The weather was a haringer of things to come — hazy, poor visibility. We rendezvoused at the basin with a few other boats for an early start the following day. The morning of the 4th we caught the outgoing current at 0600 and had the usual trip down to Shinnecock — wind in the a.m., iron jib in the p.m. We were in the Inlet and up to cormorant Point by 1500 hours. Many boats arrived by evening, some going through the canal, some on the 2 week cruise, some on the 3 week cruise, and some just going. Next morning 22 SBCC boats went plunging out Shinnecock Inlet through good sized swells with *Rhapsody* leading the way. What a sight! Again it was the usual ride to Block with wind till 1100 and motoring thereafter. We anchored down by 1600 in 8 feet of water, and many Green and Whites were seen flying high all over Great Salt Pond.

The next day was a lay day. All the Island's recreational facilities were enjoyed by the SBCC members. Some swam, some bicycled, some rode mopeds, and some had a beer and sandwich lunch on the hotel veranda overlooking Old Harbor.

Tuesday, 7 July, we departed Great Salt Pond at 0945 and had a very good sail to Sachuest Cove. Even though it rained a little on the way over, we sailed all the way. Sachuest Cove is a cozy little spot a few miles up the Sakonnet River. We spent a lovely quiet evening there with *Eagle*, *Goodwind*, *Aftermath* and *Lady Barbara*; and we feasted on all the bluefish anyone could eat thanks to *Lady Barbara*. Next day was another good sail to Cuttyhunk. We picked up an outside mooring at 1320 and again enjoyed visiting quiet, quaint Cuttyhunk. *Rhapsody* left next morning, Thursday, 9 July, a little early as we had to pick up some friends at Oak Bluffs. With fog most of the way, we used Loran and DR through Quick's Hole and up Vinyard Sound to Oak Bluff to meet the ferry. The afternoon weather cleared, and we had a nice short sail to Edgartown. We shared a mooring with *Puddleduck* and *Keriann* and then went ashore for sightseeing and dinner. We left Edgartown using engine and again had fog all the way to within 150 feet of Chatham entrance buoy, but we couldn't find it. Local fishermen finally led us into the inner harbor where 18 other SBCC boats eventually rendezvoused. We went ashore by long dink ride to the town

YEAR IN REVIEW (Cont'd.)

dock to enjoy dinner and a Chatham Friday night band concert. Many SBCC dinks left the town dock to find the way back to their boats in dense fog. What fun! It was like Coney Island bumper cars scooting around trying to find home. Visibility was not more than a boat length. Saturday, 11 July, a lay day at Chatham, was good for just relaxing and sightseeing. Next day, on to Nantucket. After waiting til 1030 for fog to lift, off we went. Again, engine and fog all the way. Visibility improved by late afternoon, so entrance into Nantucket was no problem. This cruise was billed as the Nantucket Cruise so three full days were spent here swimming, sightseeing, cycling, eating, and just having fun.

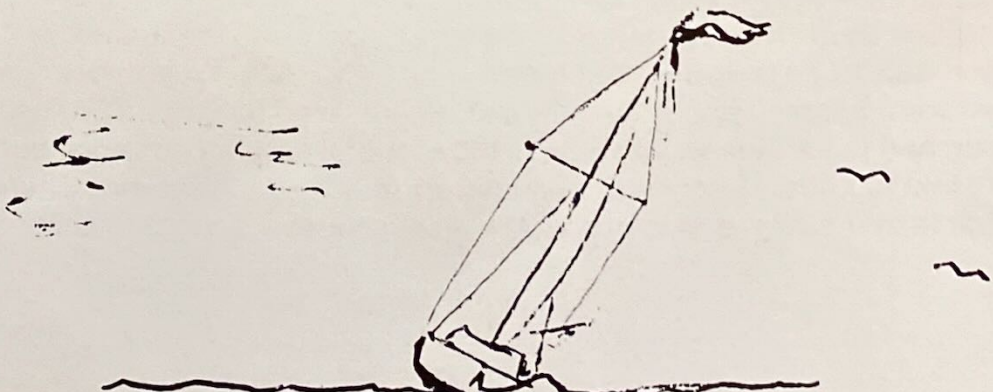

Thursday, 15 July. At last, a nice day with good winds. We sailed all the way to Osterville and went ashore to check on our big clambake the next day. Dave Anderson of Chester Crosby's Shipyard couldn't have been more helpful. He loaned us his car to go into town and pick up ice, soda and beer for the bake. 33 SBCC people were fed lobster, clam chowder, clams, corn on the cob, potatoes, chicken and sausage at the shindig. We left Osterville Saturday and motorsailed to Oak Bluffs with Sunday as a lay day. Monday, 20 July, was a slow sail to Hadley Harbor in mostly sunny weather. *Rhapsody* had a slight problem with a hard object going through Woods Hole, and after a little Coast Guard assistance, we continued on to Hadley where *Eagle* and *Rhapsody* hosted the Cruise Captains' cocktail party. We departed Hadley 0900 next day and motored all the way through the haze to Cuttyhunk. It hadn't changed much since our last visit so on to tomorrow, Wednesday, 22 July.

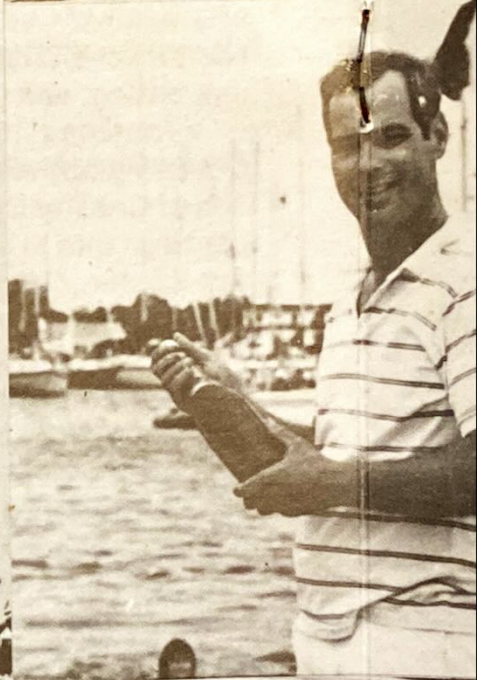

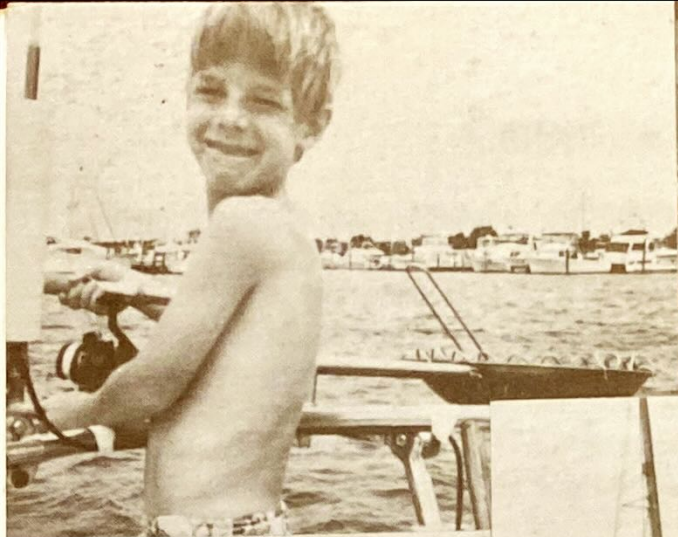

We had a good sail to Block with changing winds which were good in A.M., diminishing around noon and picking up again in early afternoon. We reached Great Salt Pond and anchored down at 1600. We departed Block Island 23 July for the trip home with light haze and some sailing. We arrived at Shinnecock to very calm seas, passed under the bridge with inches to spare and continued on into Tiana Bay for the night. It was the usual uneventful motor trip home on 24 July with some of the best sailing taking place from Bellport to Bay Shore.

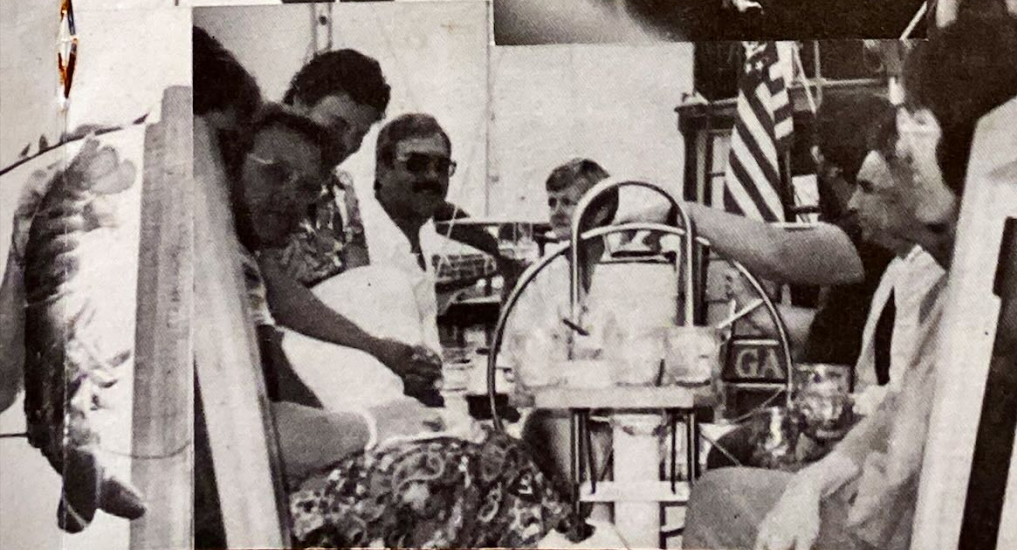

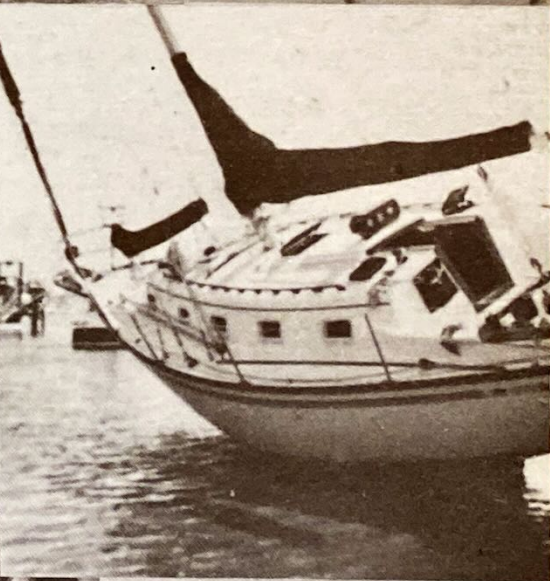

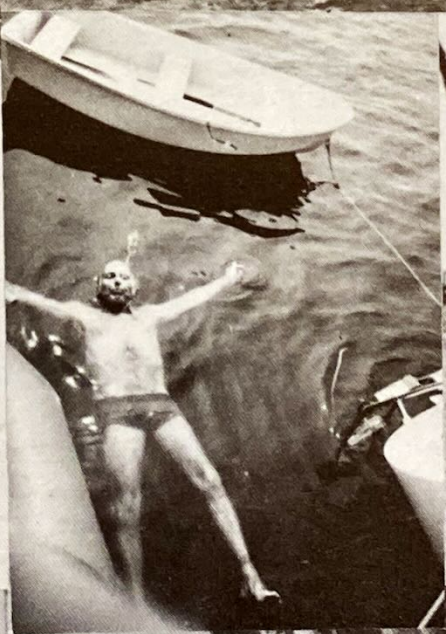

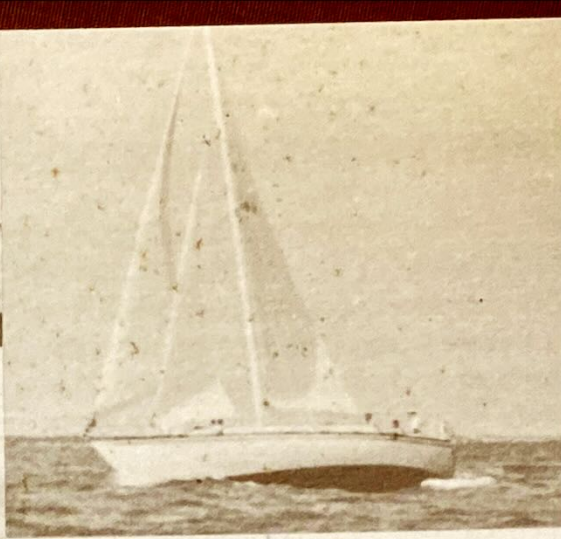

Another great cruise had reached its conclusion.

Fran & Ed Hettinger
Joyce & Tom Tyler

YEAR IN REVIEW (Cont'd.)

GREAT RIVER WEEK

From the log of *Leprechaun*

If you enjoy hot weather, you loved Great River Week 1987! Once again, the week's activities were well attended from the Champagne Breakfast to the Blast with a great amount of racing and socializing in between.

The two days at Watch Hill kept everyone busy as they participated in kite flying, scavenger hunts, creating beautiful sand sculptures and enjoying the games on the beach for both children and adults. This year the children kept wishing for the adults to finish so they could have their turns. Monday ended with Roy and Peggy Van Nostrand leading a very large, exuberant sing-along on the dock.

Wednesday, most boats headed to the River to begin the races, while some stayed on and relaxed another day at Watch Hill.

Thursday night was the Commodore's dinner at the Snapper Inn with cocktails on the lawn under clear skies. Friday, the dinghy train led us on a path through the true beauty of the majestic river.

Before we knew it, Saturday was upon us, and we saw the conclusion of Great River Week. The final race and our ever-popular barbecue was hosted by Lorraine and John Classen with their hard-working entertainment committee. All in all, it was a beautifully warm, relaxing and fun-filled week for many members of our club.

Barbara & Dennis Connor

GREAT RIVER RACE WEEK 1987

This year's West Island Race brought many boats to the most exciting start of the year. Fifteen boats from 22 to 38 feet hit the smallest starting line in SBCC history — all within seconds of the gun. After the dust settled, skippers had to test their knowledge of wind patterns, current dilemmas, and wave conditions to pick the proper direction to win the action packed race.

This year's race week spectacular saw 13 highly tunned spinnaker boats, 9 well-oiled non-spinnaker boats and 4 cruising machines rounding the buoys in all types of conditions and situations.

Wednesday morning brought plenty of sunshine and the start of Race Week. The calm and peaceful Connequot River was disrupted by crews calling for rides to their boats from the Snapper Inn lawn or skippers looking for pick-up crew. Organized chaos overtook the river as the boats rushed out to the start line to check the conditions and choose the best starting location. After the race was completed, water balloons filled the air as *Blue Thunder* and *Dickens* shot it out among the fleet. Firepower of last year was replaced with high grade balloon lacross sticks, faster delivery rates and buckets of river water. When the river finally calmed down, the racers assembled on the Snapper Inn lawn for awards and to exchange stories.

The racing continued to be hard-core, action-packed, machine-against-machine war. Each boat was trying not to get points added to its totals. Leads continued to change daily. Protests were showing up in the cruising division over collisions, boats starting early and boats hitting marks. Equipment was breaking, but this was racing at its best.

Everything calmed down for the wind-up race. The leads were within a few points for the top 6 boats in each division so the pressure was high. The 17 spinnaker boats hit the start line in different directions with 12 no-spin boats following, and 7 cruising class boats after them. At the blast the results were announced! *Bill Cook* won the Spinnaker division — again, with *Cherry Pi* and *Blue Thunder* following. The non-spinnaker class was won by *Illusion*, with *Orion* and *Slim* close behind.

CRUISING AWARDS — 1987 SEASON

3 WEEK CRUISE — NANTUCKET

Cruise Captains: Ed & Fran Hettinger — *Rhapsody*
Tom & Joyce Tyler — *Eagle*

FLAGS AND SHAPES

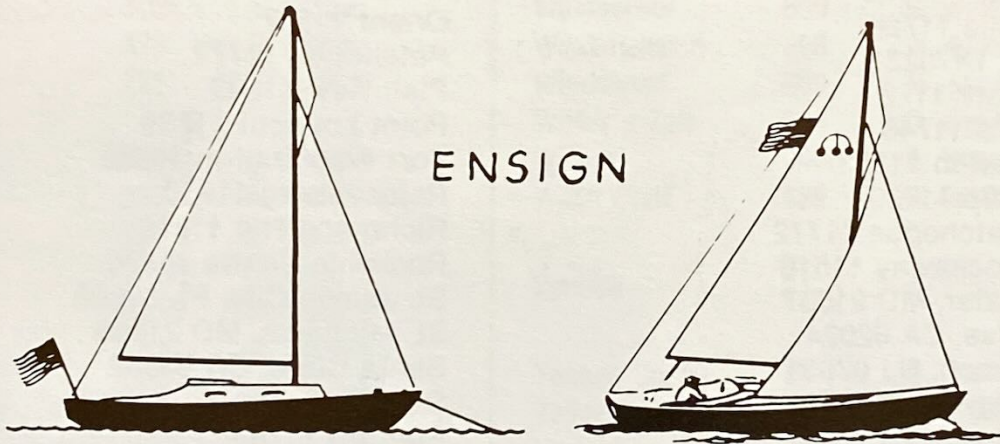

Flag Etiquette

The correct display of flags, signals, and ensigns is one of the more obvious marks of a yachtsman. This code is steeped in the tradition of the sea and promotes uniformity in communication and identification between yachts. The following flag etiquette covers the signals that are used daily on small or medium sized sailing yachts.

THE ENSIGN

The ensign is displayed between morning and evening colors (0800 and sunset) only:

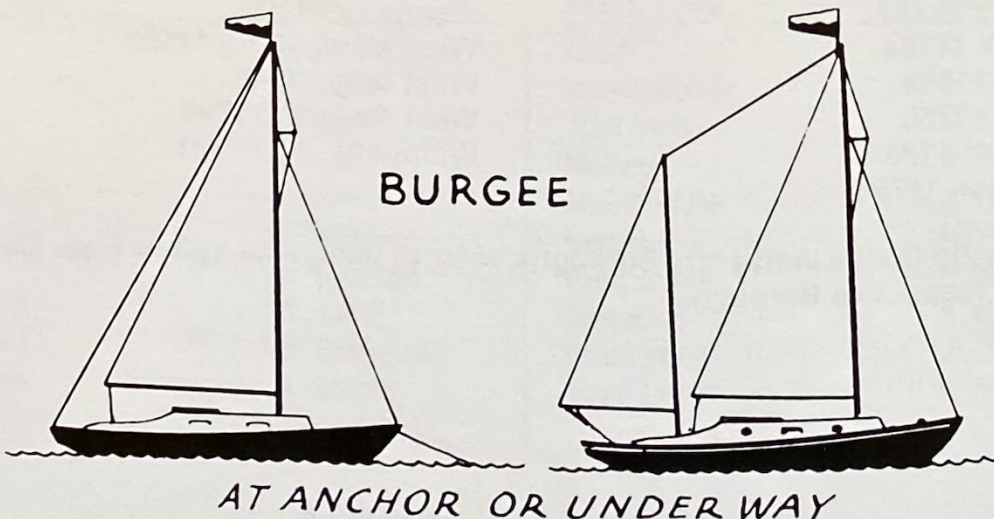

1. At anchor or under power: at the stern staff.
2. Under sail: at the stern staff if not racing and if the boom does not overhang; or at the after-peak of a gaff-rigged sail; or $\frac{2}{3}$ of the way up the leach of a after-most genoa-rigged sail.

THE BURGEE

The club burgee is displayed whenever the ensign is displayed, but may also be displayed separately, between morning and evening colors, or by day and night, while at anchor or under way on:

1. The masthead of single-masted yachts.
2. The forward masthead of 2-masted yachts.

FLAG ETIQUETTE (Cont.)

THE PRIVATE SIGNAL

The owner's private signal may be displayed by day and night on:

1. The masthead of single-masted yachts in place of the burgee.
2. At the after masthead of two masted yachts, at anchor or underway.

FLAG OFFICER' FLAGS

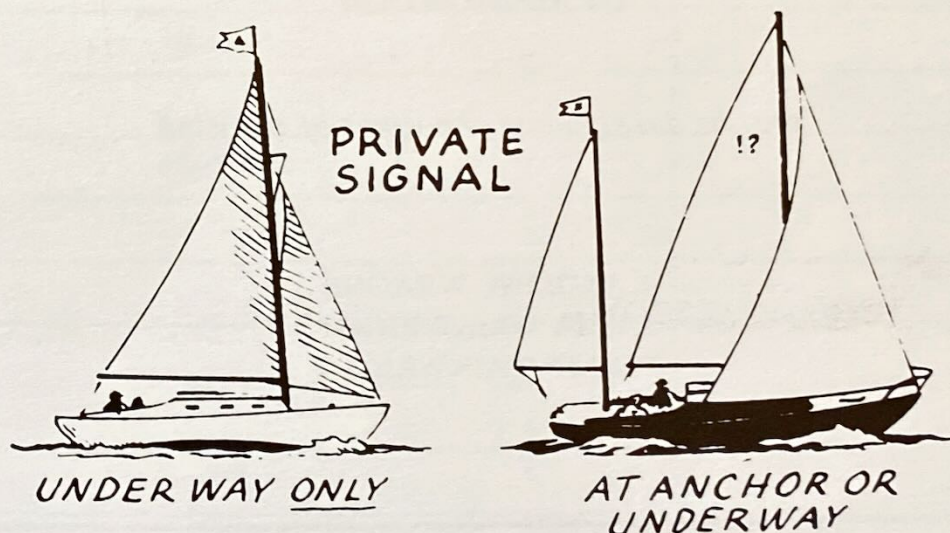

A flag officer shall display his flag both day and night in place of his private signal.

RACE COMMITTEE FLAG

The race committee flag shall be displayed at the main truck, in place of the flag otherwise there displayed, only while acting as the committee boat.

SIGNAL FLAGS

The starboard main spreader is to be used only for signal flags and specific flags, such as owner absent flag and guest flag.

DRESSING SHIP

When dressing ship on commissioning day, Independence Day, and on other special occasions, the following order of international code flags is recommended (starting from forward): AB2, UJ1, KE3, GH6, IV5, FL4, DM7, PO 3rd repeater, RN 1st repeater, STzero, CX9, WO8, ZY 2nd repeater. Ensigns, burgee, private signals etc. should not be included.

REQUIRED SHAPE DISPLAYS (Daylight)

1. When anchored in an area other than a designated anchorage, sailing vessels must display a single, black spherical shape. For lesser craft (those under 20 meters) the size of the shape should be "commensurate with their length."
2. When under sail and power (motorsailing), vessels are required to fly a black cone with the apex down.

IN MEMORIAM

Yea, he did fly upon the wings of the wind
18th Psalm

CAROLINE WRAGGE
LYDIA WAINWRIGHT
PHILIP WAINWRIGHT

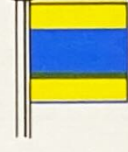

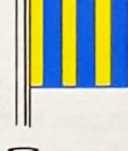

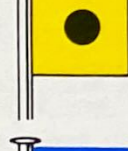

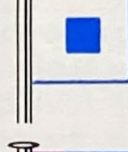

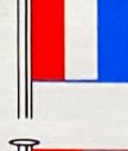

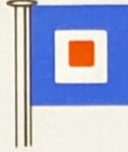

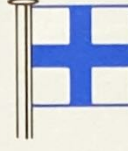

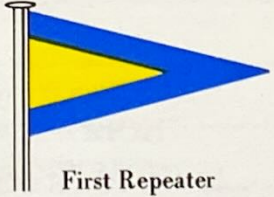

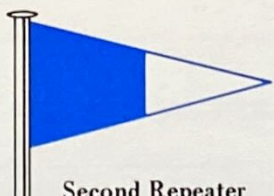

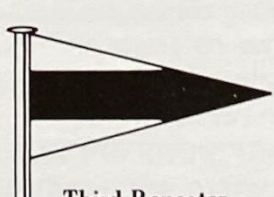

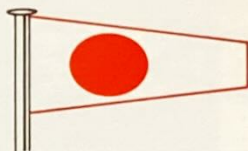

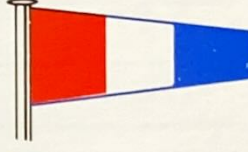

Looking back over your years of chairing the Entertainment Committee, Lorraine and I want to take this space to thank a dedicated, super group. Everyone had a sense of just what needed doing, and each member went to work in a way that only a chairman could fully appreciate. We received more compliments than we can pass along individually, and they were all meant for you, the committee members. We were deeply touched by all the help we had and all the loving friends we made.

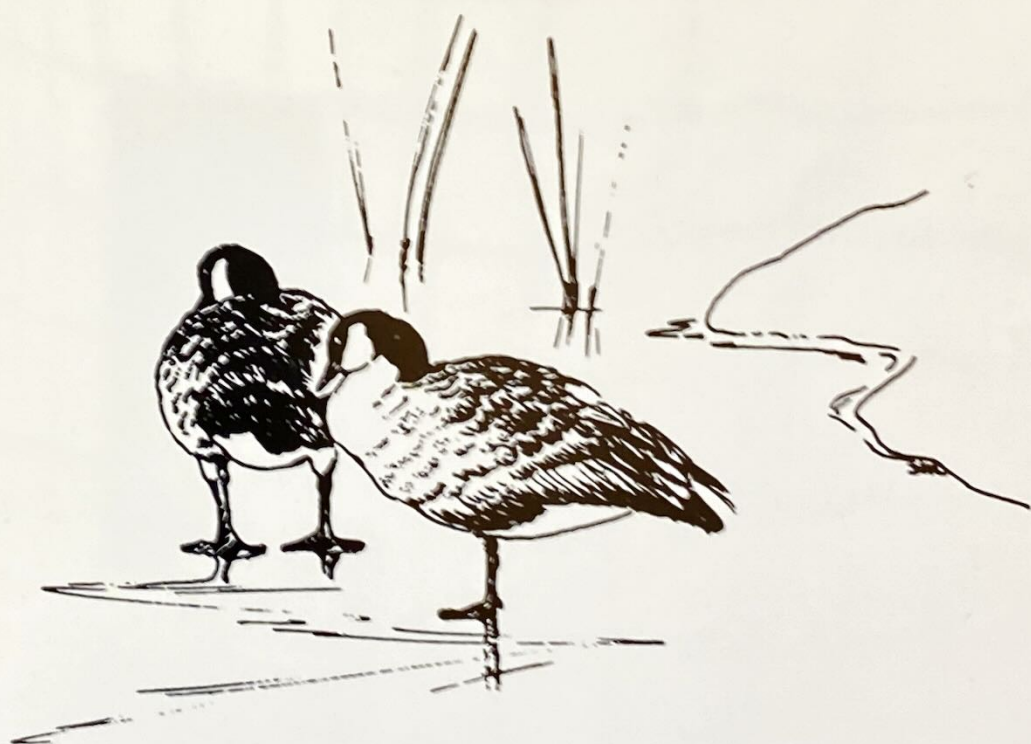

Looking ahead, Lorraine and I want to thank the many people now helping with the yearbook. Thanks to the many members who wrote the articles, sent in pictures, and offered invaluable advice. Thanks to Dotty Max and Michael Kohl who offered fresh ideas for a different look to this year's cover, one that we hope will further Don Zimmer's efforts to bring people together and expand participation in club activities. Thanks also to the proofreaders who include Doug Davies, Joyce and Tom Gotard, Gerry Keenan, Robin and Michael Kohl, Harolyn and Al Meyer, Carole and Bob Olsen, Thom Penn, Harriet and Ralph Scharr, and Maryellen and Merritt Warsaw. A special thanks to Michael Kohl for letting us use his office for work and meetings, and to John and Col-Pal Press who have been a pleasure to work with.

Above all Lorraine and I want to thank all the club members, whose enthusiasm and good fellowship have made working for SBCC a rewarding experience. THANK YOU ALL,

John and Lorraine
