HONORARY LIFE MEMBERS (PAST COMMODORES)

The SBCC grants honorary life membership to all Past Commodores, in recognition of their devotion and duty to the Club. Each of them has contributed time, talent and friendship to help make the South Bay Cruising Club the success it is today.

BILL DWYER
1980 - 1981

KEN KONDOR
1982-1983

EARL MURRAY
1984-1985

COMMODORE'S MESSAGE 1989

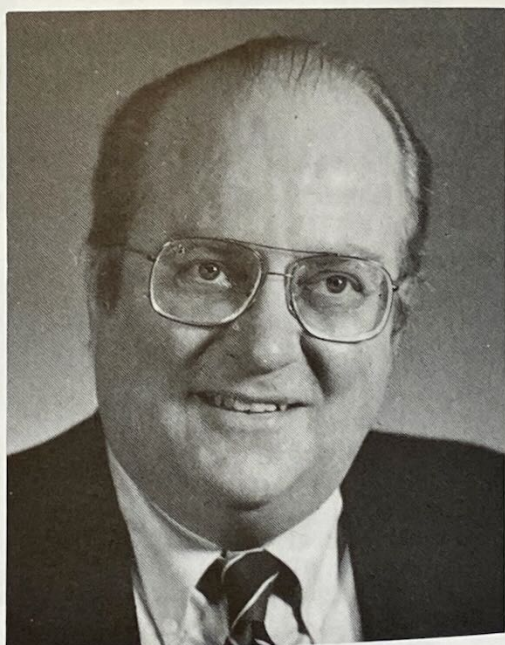

This past year has seen our Board and Membership attend hearings: to support the Coast Guard Auxiliary, to conduct a campaign to restore funding to the Coast Guard, to express our concern at Town of Islip Board Meetings as to proposals that would regulate anchoring at such places as Great River, and to support uniform speed limits. We will continue to support all who are actively engaged in promoting safety upon our waters, as well as those who will help preserve the character of our water ways and the use of the same by boats under sail.

We have seen our racing skippers as well as our cruising skippers become a close unit in the governing of our Club. Our racing agenda has contracted in some ways and expanded in other ways and should be examined by all. Our racers continue to become more experienced and in 1988 our Club received the Around Long Island Regatta Award for the largest participation of a yacht club. At the same time, our Cruising Class Racing Program has been expanded.

This year we hope to concentrate on the new sailor and the sailor with the smaller boat who has never ventured off the bay and maybe never stayed more than a weekend aboard. Great River Week is scheduled for July 9th and the new one week "On The Bay Cruise" has been scheduled for July 16th. A two week off the bay cruise has been scheduled for August 5th.

As I write this message there are committees working on the revision of our Constitution and By-Laws, the publication of a new Cruising Guide, and the planning of bigger and better socials (wasn't that Christmas Party a WOW?). The Regatta Committee and a Cruising Committee are synchronizing plans for almost every weekend from April through October, while the Program and Education Committees are contacting those people who will provide you with interesting programs. Hard at work, as well, are our Board Members, the Committee Members, and new members, all without praise and credit, to keep our Club functioning in a smooth, shipshape manner.

I take this opportunity to thank each and everyone of you. You have made my job easy and rewarding. Come out and raft up and unite with some of the greatest people in the world.

SOUTH BAY CRUISING CLUB

FLEET CAPTAIN'S MESSAGE **Cruising 1989**

Both Joyce and I are looking forward to a great sailing season this year. The participation in last year's activities was a good indication of how much you enjoyed the fun and fellowship which this club has to offer. The involvement by our new members was great to see, for that's exactly how you receive enjoyment from the club.

Great River Week saw a number of new events which no doubt will become part of the tradition of this special time. Looking forward to 1989, we're planning a one week cruise on the Bay which will afford an opportunity to introduce members to cruising. Our two week cruise will be more ambitious and head off to the East towards Buzzard's Bay.

I would like to offer a sincere thank you to all the members who worked hard to make 1988 such a great season and am looking forward to an even more successful 1989.

Good Sailing!
Tom

SOUTH BAY CRUISING CLUB

An organization formed in 1951 to promote cruising under sail on Great South Bay and nearby waters.

OFFICERS

Commodore, Donald J. Zimmer

Vice Commodore, Robert J. Sheppard

Fleet Captain, Thomas Gotard

Corresponding Secretary, Thomas J. Tyler

Fleet Surgeon, Dr. Andrew Peters

Rear Commodore, Michael G. Smith

Treasurer, Thomas F. O'Connell

Recording Secretary, Norman Robertson

Chanteyman, Edward J. Schecker

BOARD OF GOVERNORS

John R. Classen, Anton F. Davies, Kenneth A. Kondor, Dorothy Max,

Paul J. McGinnis, William M. Menger, Alexander G. Yaxis

NOTES TO RACING SCHEDULE

1. See SPECIAL RACE REQUIREMENTS
2. See SERIES Information (P. 16)
3. Time Limit 1230 for AM race.
4. Time Limit 2230.
5. Time Limit 1900.
6. No Time Limit.
7. Counts toward season class championship.
9. Winners in races shown in ALL CAPS qualify for Perpetual Trophies. Consult Race Information under TROPHIES for specifics.
10. Finish at Babylon Yacht Club dock.
11. No SBCC racing fee required.
12. GSBYRA INVITATIONAL - requires payment of entry fee to GSBYRA. (See GSBYRA year-book for entry form).
13. Start of second race to be announced by Committee Boat.
15. To be scored separately for Race Week Wind-Up and for series race.

SOUTH BAY CRUISING CLUB

NOTES TO 1989 SCHEDULES

NOTES TO SOCIAL AND CRUISING SCHEDULE

1. Refer to Cruising Guide for directions to Rendezvous location.
2. Details to be published in "From the Masthead" or otherwise furnished at a later date.

AWARDS:

Cruising Award — This award is given for cruising off the bay as part of the club's cruises. To qualify, a yacht must anchor or tie up with the fleet for at least seven (7) nights (50%). The Cruise Captains will submit a list of the yachts eligible for this award based upon their records.

Great River Week Award is given for attending Great River Week. A yacht must be present in Great River or designated harbor Monday through Friday in order to earn this award.

The Rendezvous Awards are made at the Fleet Captain's discretion to boats that attend a minimum number of rendezvous.

Green Water Award for a cruise of greater distance and duration than the official cruises.

Blue Water Award is made only as recognition for an extended cruise off soundings. A select committee, along with the Fleet Captain, will review candidates and make this award only when they deem the cruise to be an outstanding achievement.

Blue Water Awards:

- 1952 — Jack Young (Doc Hamlin special award)
- 1953 — R.W. Bennett
- 1964 — Art Flynn
- 1965 — Stuart Baldwin (Ed Macy special award)
- 1966 — Ed Macy
- 1967 — Ed Forsyth
- 1968 — Jack Young (Don Streit & Ed Ricketts special awards)
- 1969 — Chet Phipps
- 1972 — Arthur Sternberg, M.D.
- 1973 — Bill Milligan
- 1979 — Bob Wissman
- 1980 — Edgar Sabbeth
- 1987 — Russ Colombo

Green Water Awards:

- 1987 — Harry Wilburger

SBCC — RACING PROGRAM

ELIGIBILITY

All properly equipped sailboats owned or chartered by SBCC members are eligible to participate in Club races provided they have paid the racing fee and have requested and received a SBCC handicap.

To encourage new competition, the SBCC Family Races from Watch Hill, the Class Race, the Ladies Race and all Yacht Club Invitationals do not require payment of the SBCC racing fee. All yachts participating, however, must obtain a proper handicap from the race committee.

HANDICAPS

The SBCC fleet includes many different types of sailboats. In order to make race participation attractive to as many members as possible, SBCC Handicap racing is offered. Under this system, every yacht in the fleet upon request to the Handicap Chairman is given a SBCC Rating based on its maximum speed potential.

The SBCC Handicap System rates each yacht according to its maximum speed potential, thereby encouraging each skipper to get the best performance from his yacht.

Maximum speed potential is established for each yacht through:

- statistical analysis of race data for consistently well-sailed boats of similar design,
- comparison with data from other racing fleets'
- speed-trending data from past performances.

Under the SBCC Handicap System all yachts of different design will have distinctive maximum speed characteristics from which individual handicaps are derived. Fine tuning factors are applied to yachts of the same design to account for differences in rig, prop type, sail complement, etc.

Each racing skipper is obliged to contact the Handicap Chairman in advance of his first race under the following conditions:

- A particular yacht is to be raced in the SBCC fleet for the first time.
- The skipper has raced another yacht bearing the same sail number during the season.
- The sail complement has been changed.
- The basic design of the yacht is modified in any way which could affect its speed potential.

HANDICAP APPEAL

A skipper who believes his yacht's handicap might deserve correction may request a handicap review by submitting a written request to the Handicap Committee stating the reasons he believes a review is in order.

SBCC HANDICAP CLASSES

Three classes, Spinnaker and Non-Spinnaker and Cruising are scored under the SBCC Handicap System.

—Skippers electing to race in the Spinnaker class may use their full sail complement, and any sail combination consistent with USYRU racing rules or special race instructions.

—It is the intent of the Non-Spinnaker class to restrict sail inventory use to only those sails that can be correctly flown on all points of sail. In the Non-Spinnaker class, only one headsail (either a jib or genoa of a minimum of 3 ounce cloth) may be flown in the foretriangle at any one time. Yachts handicapped as having permanent double head rigs will be permitted to fly their staysail when racing Non-Spinnaker.

SBCC — RACING PROGRAM

—The Cruising class, a modified Non-Spinnaker class, will be restricted by the rules of Non-Spinnaker and be open to the skippers who believe their boats are in the "cruising state."

—Members may change classes as often as they desire, as long as it is done before the first warning signal.

SCORING METHOD

SBCC races will be scored using the Time on Distance Method. A yacht's time allowance is calculated by multiplying her SBCC handicap by the race course distance. The time allowance is then subtracted from the yacht's elapsed time, yielding corrected time. The yacht with the lowest corrected time is the winner.

Race results are mailed to each participating skipper shortly after each race and official results are printed monthly in the "Masthead."

SERIES SCORING

Points for each race will be awarded on the basis of $\frac{3}{4}$ -point for first, two points for second, three points for third, etc. DNF and WDR boats will receive one point more than the number of boats in that class that started in the series. DNS and DSQ boats will receive two points more than the number of boats in that class that started in the series.

A starter in any one race of the series will be considered to have started in all the races of the series. Series position will be determined by the total points accumulated by each yacht, in inverse order. When there is a tie on points between two or more yachts, the tie shall be broken in favor of the yacht or yachts with the most first places, and when the tie remains, the most second places and so on, if necessary, for such races as count for total points. If a tie still remains, it will be broken in favor of the boat which beat the other the last time they raced against each other, throwouts included.

COMMITTEE BOAT

A yacht that serves as committee boat for one race of any series will receive credit towards series qualification for that race and points equal to the average of its finish positions in the other races of the series, DNS and DNF races included. This does not apply to the Class Championship. Being the committee boat for a race is an important responsibility. It is a job not to be taken lightly. If a skipper changes his assignment date, he should inform the Regatta Committee. Any skipper blatantly refusing to fulfill his committee assignment will be disqualified from any racing in which he has participated. Additional penalties will be decided upon by the Protest Committee.

Twilight Series

These are a three race series. They will be scored on the basis of a yacht's best two races, except committee boat, as noted above. These series will alternate between regular start and non-spinnaker. The final Wrap-up series will be non-spinnaker.

Summer and Fall Sprints Series

This is a three race series. There will be two short morning races. The warning gun for the second race will be sounded ten minutes after the last yacht finishes the first race. We will attempt a raft-up for lunch and then we will have a longer race in the afternoon.

Babylon Yacht Club July Invitational Series

This is a three-race series sailed over a two day period. There will be one throwout. The courses, starting sequence, and other race instructions will be provided by the Babylon Yacht Club and handed out by the committee boat on station prior to the first race.

SBCC — RACING PROGRAM

Great River Week

This is a four-race series. It will be scored on the basis of a yacht's best three races. Racers traditionally join the Great River Week raft up after each race. To be scored for the fourth race of the series (Race Week Wind-up), a yacht must have participated (started or served as committee boat) in at least two of the other races comprising the series. However, all yachts participating in the Race Week Wind-Up will be scored for the Saturday day race. A special Cruising class will be added for all four races.

Sayville Yacht Club Invitational Series

This is a two race series sailed over two days. See SYC START SEQ. for more information or the SYC Race Committee.

SBCC Class Championship Series

The Class Championship will be awarded to the yachts with the best scores in five out of the seven races that are designated with note 7. There will be a separate champion for Spin, Non-Spin and Cruising. Points for these races are computed on the following basis: 1st place yacht receives points equal to the number of starters in the race plus $\frac{1}{4}$ point; 2nd place yacht receives $1\frac{1}{4}$ points less than the 1st place yacht; the 3rd place yacht receives $2\frac{1}{4}$ points less than the 1st place yacht, etc. Only yachts competing in at least five of the designated races will be eligible.

SPECIAL RACE REQUIREMENTS

Single-Handed Creepstakes — Only skipper is allowed on boat during race. Two classes: 30 feet LOA and over; and under 30 feet LOA. Non-Spinnaker only.

Watch Hill Family Race — A Non-Spinnaker race leaving from Watch Hill Sunday morning. Crews must sleep aboard their yacht Saturday night. See racing program for further information and starting time.

West Island Race — This race will be split into four divisions: Spin, No-Spin #1, No-Spin #2 and Cruising. Yachts handicapped at 203 or under in the No-Spin division will be assigned to No-Spin #1. Yachts handicapped over 203 will be assigned to No-Spin #2.

Ladies' Race — A non-Spinnaker race. Skipper must be a lady. The Patricia A. Kelly Trophy will be awarded to the yacht with best corrected time with an all girl crew. Yachts eligible for this trophy must compete in the ALL GIRL category.

Race Week Wind-Up — This is a separate day race and also serves as the last race in the Great River Week series. This race will be double scored, once for those yachts having participated in at least two of the prior Great River Week series races, and scored again using all of the participating yachts to arrive at the standings for the Race Week Wind-Up and Class Championship points.

BYC/SBCC Challenge — Babylon Yacht Club has challenged the SBCC. Each club will participate with an equal number of boats, six boats from each club is the format for now. This is a VOLUNTEERS ONLY race. We will use a lottery system from the volunteers to determine the six participants from our club.

SBCC — RACING PROGRAM

Races Trophies — Trophies for individual SBCC races (when not part of a series) will be awarded to each class, according to the following schedule:

Number of Starters	Trophies for
2 or 3	1st
4 through 6	1st and 2nd
7 through 14	1st, 2nd and 3rd
15 or more	1st, 2nd, 3rd and 4th

In SBCC series, the greatest number of starters in any race will govern the number of trophies awarded for that series.

Perpetual Trophies — Perpetual trophies are awarded for one year only. They are awarded to the yacht with the best corrected time based on the SBCC Handicap rule.

Each year the club awards seven perpetual trophies, as follows:

Commodore's Cup — Best corrected time in the Commodore's Cup race.

Foulke Trophy — Best corrected time in the Foulke Trophy race (night race).

Smith Trophy — Best corrected time in the Smith Trophy race.

Deale Trophy — Best corrected time in the West Island race.

Governor's Cup — Best total score for the Commodore's Cup, West Island and Foulke Trophy races.

Patricia A. Kelly Trophy — Best corrected time in the Ladies' Race by a yacht with an all-girl crew. Additional trophies will be awarded to yachts with all-girl crews in accordance with the trophy schedules.

Cruising Club Crock — Best corrected time in the Around Long Island Regatta scored with the SBCC Handicap rule.

Keeper cups are given to winners of these trophies and their names are engraved on the perpetual trophy. It is the responsibility of the winner of the perpetual trophy to return it by November 1 to the Trophy Chairman for engraving of the following year's winner.

RACING RULES

Racing rules of the United States Yacht Racing Union (USYRU) shall be observed except as otherwise specified in these instructions. Burgees and other flags may be flown when racing. Government navigation buoys not stated as being marks of the course may be disregarded at the discretion of the skipper.

The Inland Rules will replace Part IV of the Racing Rules between the hours of sunset and sunrise. All required lights must be shown.

PROTESTS

The SBCC Protest Committee operates under the Racing Rules of the USYRU, supplemented by published decisions of the USYRU Appeals Committee. In addition, it shall hear all protests arising from violation of the Inland Rules which replace Part IV of the USYRU rules between sunset and sunrise.

The Protest Committee will only entertain protests made in conformity to the USYRU rules including:

- Display of protest flag
- Notification of protested yacht
- Notification of Race Committee
- Submission of written protest within 72 hours
- Citation of rule or rules allegedly infringed

SBCC — RACING PROGRAM

Protest must be addressed to the Chairman of the Protest Committee and hand-delivered or postmarked within 72 hours of the conclusion of the race in question.

Written protests for the Ocean Invitational must be submitted immediately after the race.

ANTI-BARGING MARK

The committee boat may use an "anti-barging mark." If this mark is used racers shall not pass through the line formed by the anti-barging mark and the committee boat at any time — even while "starting." The penalty for infringing on this restricted line (at any time) or for touching (while starting) the anti-barging mark, is disqualification. The anti-barging mark does not change the starting line. The starting line is determined by the "X" mark (or buoy) and the white line marker on the committee boat.

STARTING LINE ETIQUETTE

Racing skippers are reminded to stay clear of the starting line until the Preparatory Signal for their class. *Classes not starting are to remain clear of all yachts in the division before them.* Failure to do so may result in disqualification.

The Preparatory Signal for each class is given five minutes prior to the starting signal. Yachts starting with the wrong class may be disqualified.

Skipper electing to change class after arriving in the starting area (but before the warning signal) must notify the race committee of that change.

IDENTIFICATION

Racing numbers, either USYRU or SBCC, are required on mainsails, spinnakers and overlapping (LP greater than 130% J) headsails, in accordance with current USYRU rules.

RECALLS

The Race Committee will attempt to sound one blast of a horn or whistle and announce the sail number of each yacht starting prematurely. Near by yachts are requested to pass the hail. The onus of making a fair start lies on each yacht, and failure to hear or heed a recall will not prevent the premature starter from being penalized. Responsibility for determining compliance with the rules rests with the Race Committee. Yachts making an improper start will be penalized by having one-half hour added to their elapsed time, whether or not they have been notified.

General Recall: If there should be a number of unidentified premature starters, or if an error is made in the starting procedure such as significant inaccuracy in the interval between signals, the Race Committee will make the General Recall signal. The General Recall signal is the First Repeater code flag accompanied by two guns. The starting sequence begins with the recalled classes Warning signal.

SBCC — RACING PROGRAM

SPECIAL SIGNALS

Code flags A through K are used to designate courses (see course instructions). Code flags below apply to all SBCC-conducted races:

- L** — One of the designated MARKS is missing; come within hailing distance for instructions.
- M** — ROUND or pass the object displaying this signal instead of the mark it replaces.
- N** — ABANDONMENT, race called off (accompanied by three guns).
- R** — Sail the designated course in the REVERSE direction, Leave all marks to the opposite hand.
- S** — Sail the SHORT course prescribed in the course instructions. When flown after the start (accompanied by two guns), finish between the committee boat and the near-by mark of the course.
- T** — Sail the designated course TWICE around.

Answering Pennant — POSTPONEMENT signal (accompanied by two guns). Starts postponed fifteen minutes. Warning signal will be made 1 minute after Answering Pennant is lowered.

1st Repeater — GENERAL RECALL signal

TIME LIMIT

Regardless of time of start, the time limit for a boat in the first class to finish will expire at 1800 except as noted below:

Twilights — 2230	Ocean Races — 1900
Foulke Trophy — No time limit	Tune-up, and Sprint morning races — 1230
West Island — 1900	

Time limit for all classes starting after the first class will be extended so as to allow all classes to have the same amount of racing time. If any yacht finishes within the time limit for her class, it is a race for her class. Yachts finishing after the committee boat has left its station should take their time and report it to the Race Committee as soon as possible.

VHF COMMUNICATIONS

VHF radio communications may be maintained during a race utilizing channels 9, or 68 thru 72 for communication. Radio communications may be utilized to relay information on unusual situations during races such as postponements, recalls, withdrawals, etc. However, Race Committees are not required to use radio. Racers should **not** communicate with the Race Committee from the time of the Warning gun to the time of the last class start.

COURSE INSTRUCTIONS

SBCC courses in the Bay have been grouped by starting area as follows:

Babylon	Nicoll Bay	Watch Hill
Bay Shore	Ocean	

For each of these areas, a variety of courses is described below, each bearing a distinguishing letter. The choice of course available to the Race Committee on any given day is shown in the Race Schedule. The course selected will be signaled from the Committee Boat by the appropriate letter code flag. (Letters A through K may be used).

Any course can be reversed by code Flag "R" or shortened by code flag "S" as described under "SPECIAL SIGNALS" above.

SBCC — RACING PROGRAM

CLASS STREAMERS

Racing yachts are required to fly class streamers from their standing backstays or the leach of their mainsail. Streamers should measure 4"x18".

Creepstakes		West Island Race	
Class	Color	Class	Color
LOA 30 ft +	Red	Spinnaker	Red
LOA under 30 ft	Yellow	No-Spin #1	Yellow
		No-Spin #2	Blue
		Cruising	White

Ladies Race		All Other Races	
Class	Color	Class	Color
Mixed Crew	Red	Spinnaker	Red
All Girl	Yellow	No-Spin	Yellow
		Cruising	White

Failure to display the appropriate streamer may be considered grounds for disqualification.

STARTING

Signals will be made at five minute intervals with each signal lowered one minute before the hoisting of the next. The visual signal governs; the gun merely calls attention to it. A red shape will be visible until one minute before the initial warning signal.

STARTING SEQUENCE

Abbreviations:

warn - warning signal	Sp - Spinnaker Class
prep - preparatory signal	NS - Non-spinnaker Class
S/ - start signal	CRU - Cruising Class

Time	Shape	Regular	No-Spin	SYC	Expanded
:00	White	Warn	Warn	Warn	Warn
:05	Blue	Prep	Prep	Prep	Prep
:10	Red	S/Sp	S/NS	S/Sp	S/Sp
:15	White	Prep		Prep	Prep
:20	Blue	S/NS		S/NS	S/NS
:25	Red			Prep	Prep
:30	White			S/Cat	S/Cru

Time	Shape	West Island	Creepstakes	Ladies
:00	White	Warn	Warn	Warn
:05	Blue	Prep	Prep	Prep
:10	Red	S/Sp	S/30 + LOA	S/Mixed
:15	White	Prep	Prep	Prep
:20	Blue	S/SN #1	S/Under 30LOA	S/All Girl
:25	Red	Prep		
:30	White	S/NS #2		
:35	Blue	S/Cru		

When, after a starting signal, all the yachts of the class or classes involved have properly started, the Race Committee will, if practicable, announce "all clear."

RACING PROGRAM — RACE COURSES

BABYLON COURSES

Course A: Start established by committee boat near Keith Canal; to Flasher No. 7 off Oak Island Channel, leaving it to port; through the center span of the Robert Moses Causeway to Flashing Green No. 11, leaving it to stbd; to Flashing Green No. 1 off Bayberry Point, leaving it to port; to Red and White (CG) Mo(A) in Great Cove, leaving it to port; to Nun No. 6, leaving it to stbd; through center span of the Causeway to finish line near Keith Canal. Course distance 9.45nm.

Course B: Start established by committee boat near Keith Canal; to Flasher No. 7 off Oak Island Channel, leaving it to port; through the center span of the Robert Moses Causeway to Nun No. 6, leaving it to port; return through center span of the Causeway to finish line off Keith Canal. Course distance 3.9 nm.

Course C: Start established by committee boat near Keith Canal; to Flasher No. 7 off Oak Island Channel, leaving it to port; through the center span of the Robert Moses Causeway to Nun No. 6, leaving it to port; return through center span of the Causeway to the starting line "X" mark, leaving it to port; to Flasher No. 7, leaving it to port; to finish line near Keith Canal. Course distance 5.64 nm.

Course D: Start established by committee boat off Willetts Creek; to Flasher No. 7 off Oak Island Channel, leaving it to port; through the center span of the Robert Moses Causeway to Nun No. 6, leaving it to port; return through the center span of the Causeway to finish line off Willetts Creek. Course distance 4.3 nm.

Course E: Start established by committee boat off Willetts Creek; to Flasher No. 7 off Oak Island Channel, through the center span of the Robert Moses Causeway to Nun No. 6, leaving it to port; return through the center span of the Causeway to the starting line "X" mark, leaving it to port; to Flasher No. 7, leaving it to port; to finish line off Willetts Creek. Course distance 6.0 nm.

Course F: Start established by committee boat off Willetts Creek; through the center span of the Robert Moses Causeway to Nun No. 6, leaving it to port; retrun through the center span of the Causeway to starting line "X" mark, leaving it to port; to Flasher No. 7 off Oak Island Channel, leaving it to port; to finish line off Willetts Creek. Course distance 3.74 nm.

Course G: Start established by committee boat near Keith Canal; to Flasher No. 7 off Oak Island Channel, leaving it to port; through the center span of the Robert Moses Causeway to Nun No. 6, leaving it to port; to Red and White (CG) Mo(A) in Great Cove, leaving it to port; return through the center span of the Causeway to finish line near Keith Canal. Course distance 7.71 nm.

Course H: Start established by committee boat near Keith Canal; through the center span of the Robert Moses Causeway to Nun No. 6, leaving it to port; return through the center span of the Causeway to the starting line "X" mark, leaving it to port; to finish line near Keith Canal. Course distance 3.38 nm.

Course I: Start established by committee boat near Keith Canal; through the center span of the Robert Moses Causeway to Flashing Green No. 11 leaving it to stbd; to flashing Green No. 1 off Bayberry Point, leaving it to port; to Red and White (CG) Mo(A) in Great Cove, leaving it to port; to Nun No. 6 leaving it to stbd; through center span of the Causeway to finish line near Keith Canal. Course distance 7.1 nm.

RACING PROGRAM — RACE COURSES

BAY SHORE COURSES

Course A: Start established by committee boat $\frac{1}{3}$ mile off Brightwaters Canal; to Flashing Green No. 11 off West Channel, leaving it to port; to Flashing Green No. 1 off Bayberry Point, leaving it to port; to Red and White (CG) Mo(A) in Great Cove, leaving it to port; to Flashing Green No. 11 off West Channel, leaving it to stbd; to finish line off Brightwaters Canal. Course distance 5.2 nm.

Course B: Start established by committee boat $\frac{1}{3}$ mile off Brightwaters Canal; to Flashing Green No. 11 off West Channel, leaving it to port; to Flashing Green No. 1 off Bayberry Point, leaving it to port; return to finish line off Brightwaters Canal. Course distance 3.7 nm.

Course C: (Cannot be reversed for twilight start.) Start established by committee boat $\frac{1}{3}$ mile off Brightwaters Canal; to Nun No. 6 east of Robert Moses Causeway leaving it to port; to Flashing Green No. 11 leaving it to stbd; to Flashing Green No. 1 off Bayberry Point, leaving it to port; to finish line off Brightwaters Canal. Course distance 5.7 nm.

Course D: Start established by committee boat $\frac{1}{3}$ mile off Brightwaters Canal; to Flashing Green No. 11 off West Channel, leaving it to port; to Nun No. 2 in North Channel, leaving it to port; to finish line off Brightwaters Canal. Course distance 4.7 nm.

Course E: Start established by committee boat $\frac{1}{3}$ mile off Brightwaters Canal; through the center span of the Robert Moses Causeway to Flasher No. 7 off Oak Island Channel, leaving it to port; return through the Causeway to Flashing Green No. 11 off West Channel, leaving it to port; to Red and White (CG) Mo(A) in Great Cove, leaving it to port; to finish line off Brightwaters Canal. Course Distance 7.85 nm.

Course F: (Cannot be used for Twilights.) Start established by committee boat $\frac{1}{3}$ mile off Brightwaters Canal; to Nun No. 6 east of Robert Moses Causeway, leaving it to port; to Flashing Green No. 11, leaving it to stbd; to Flashing Green No. 1 off Bayberry Point, leaving it to stbd; to Nun No. 10 in West Channel, leaving it to stbd; to finish line off Brightwaters Canal. Course distance 6.77 nm.

Course G: Start established by committee boat $\frac{1}{3}$ mile off Brightwaters Canal; to Nun No. 6 east of Robert Moses Causeway, leaving it to port; return to starting line "X" mark leaving it to port; return to Nun No. 6, leaving it to port; to Flashing Green No. 11, leaving it to stbd; to Flashing Green No. 1 off Bayberry Point, leaving it to port; to finish line off Brightwaters Canal. Course distance 9.2 nm.

Course H: Start established by committee boat $\frac{1}{3}$ mile off Brightwaters Canal; to Flashing Red No. 4 off Nicoll Point, leaving it to stbd; to Nun No. 2 in North Channel, leaving it to port; to Nun No. 10 in West Channel, leaving it to stbd; to finish line off Brightwaters Canal. Course distance 10.7 nm.

Course I: Start established by committee boat $\frac{1}{3}$ mile off Brightwaters Canal; to Nun No. 10 in West Channel, leaving it to port; to Flashing Green No. 1 off Bayberry Point, leaving it to port; to finish line off Brightwaters Canal. Course distance 3.8 nm.

RACING PROGRAM — RACE COURSES

Course K: Start established by committee boat $\frac{1}{3}$ mile off Brightwaters Canal; through the center span of the Robert Moses Causeway to Flasher No. 7 off Oak Island Channel, leaving it to port; return through the center span of the Causeway leaving Flashing Green No. 11 to stbd; to Flashing Green No. 1 off Bayberry Point, leaving it to stbd; to Flasher No. 31 off Blue Point, leaving it to port; return leaving Flashing Green No. 11 to port; through the center span of the Causeway to the finish line at the Babylon Yacht Club. (Not to be used as a rendezvous.) Course distance 29.4 nm.

NICOLL BAY COURSES

Course A: Start established by committee boat off Green Point; to Flashing Red No. 4 off Nicoll Point, leaving it to port; to Nun 30 mid bay off Green Point, leaving it to port; to finish line off Green Point. Course distance 5.66 nm.

Course B: Start established by committee boat in Nicoll Bay; to Can No. 5 off Nicoll Point, leaving it to stbd; to Nun No. 2 in North Channel, leaving it to port; to Nun No. 10 off Bay Shore, leaving it to port; to Red and Black Quick Flasher off Saltaire, leaving it to port; to Flashing Red No. 8, leaving it to stbd; to Flashing Green No. 15 off Point o'Woods, leaving it to port; to finish line in Nicoll Bay. Course distance 14.5 nm.

For the West Island Race only, this course may be sailed in the opposite direction with all marks left on the opposite hand.

Course C: Start established by committee boat off Green Point; to Can No. 3 in Range Channel, leaving it to port; to Nun No. 30 mid bay off Green Point, leaving it to port; to finish line off Green Point. Course distance 5.98 nm.

Course D: Start established by committee boat near Nicoll Point; to Flashing Green No. 29 in Nicoll Bay, leaving it to stbd; to Flashing Red No. 4 off Nicoll Point, leaving it to stbd; to finish line near Nicoll Point. Course distance 4.53 nm.

Course E: Start established by committee boat off Green Point; to Flashing Red No. 4 off Nicoll Point, leaving it to port; to Flashing Green No. 29 in Nicoll Bay, leaving it to stbd; to Flashing Red No. 18 in East Channel, leaving it to stbd; to finish line off Green Point. Course distance 7.94 nm.

Course F: Start established by committee boat off Green Point; to Flashing Green No. 15 off Point o'Woods, leaving it to stbd; to Can no. 5 off Nicoll Point, leaving it to port; to Flashing Green No. 1 off Bayberry Point, leaving it to port; to Nun No. 10 in West Channel, leaving it to port; to Nun No. 2 in North Channel, leaving it to stbd; to Can No. 5 off Nicoll Point, leaving it to port; to finish line off Green Point. Course distance 16.82 nm.

Course G: Start established by committee boat off Green Point; to Flashing Red No. 4 off Nicoll Point, leaving it to port; to Flashing Green No. 29 in Nicoll Bay, leaving it to stbd; to Flashing Red No. 18 in East Channel, leaving it to stbd; to Nun No. 2 in North Channel, leaving it to stbd; to Can No. 5 off Nicoll Point, leaving it to port; to finish line off Green Point. Course distance 13.79 nm.

Course H: Start established by committee boat near Nicoll Point; to Flashing Green No. 29 in Nicoll Bay, leaving it to stbd; to Can No. 3 in Range Channel, leaving it to stbd; to finish line near Nicoll Point. Course distance 4.78 nm.

RACING PROGRAM — RACE COURSES

OCEAN COURSES

Ocean Course A: Start between committee boat and Red Whistle Buoy No. "4FI" off Fire Island Inlet; to Black and White Gong Buoy No. "J1" off Jones Inlet and return, leaving No. J1 to port. Course Distance: 26.5 nm.

Ocean Course B: Start between committee boat and Red Whistle Buoy No. "4FI" off Fire Island Inlet; to Nantucket Sea Lane White/Orange "NA" and return, leaving Buoy "NA" to port. Course distance: 22 nm.

Ocean Course C: Start between committee boat and Red Whistle Buoy No. "4FI" off Fire Island Inlet. Course description to be provided by the Regatta Committee prior to race. A numeral pennant (1-9) will be flown by the committee boat to denote particular "C" course. Course distance to be determined after placement of SBCC buoys.

Notes on Ocean Race:

1. Harbor start from Sore Thumb one hour prior to Warning Gun.
2. If adverse weather conditions necessitate cancellation of the Ocean Race the committee boat will signal abandonment at Sore Thumb one hour prior to the Warning Gun.
3. If the Ocean Race is abandoned, there will be a "Bay Race" if wind and weather conditions permit.
4. If the committee boat is unable to remain on station at the finish line, finishing yachts shall pass No. 4FI to port for course A or to starboard for Course B. Yachts shall record their own finish times when the buoy bears abeam of the stern of the yacht. Such finishing times shall be reported to the R/C. Observers may be stationed on the beach to verify finishing times.

Bay Race Course A: To Red and Black Quick Flasher off Saltaire; to Flashing Red No. 8, leaving it to starboard; to Flashing Green No. 15 off Point o'Woods; to Can No. 5 off Nicoll Point; to finish line between committee boat and Nun No. 2 in North Channel. Leave all marks except No. 8 to port. Course distance depending on start locale.

Bay Race Course B: To Red and Black Quick Flasher off Saltaire, leaving it to port; to Nun No. 10 off Bay Shore, leaving it to starboard; to Can No. 3 off Heckscher Park, leaving it to port; to finish line between committee boat and Flashing Green No. 11 off Brightwaters. Course distance depending on start locale.

WATCH HILL COURSES

Course A: Start in vicinity of North end of channel to Watch Hill; to Nun No. 2 in North Channel, leaving it to port; to finish at or near Nun 10 at the entrance to the West Channel. Distance: 10.1 nm.

Course B: Start in vicinity of North end of channel to Watch Hill; to Flashing Green No. 29 in Nicoll Bay leaving it to port; to Flashing Red No. 18 in East Channel leaving it to starboard; to the finish line in the vicinity of Can No. 5 off Nicoll Point. Course distance: 7.2 nm.

INTENT OF SBCC RACING PROGRAM

It is the intent of the SBCC that all sailboats racing in club sponsored events shall contain cruising accommodations with an enclosed cabin. It is recognized that these accommodations will vary according to the type and size of the boat. However, all sailboats are assumed to comply with the manufacturers' standard hull and accommodation plans. It is the responsibility of the owner of any vessel which has been modified or is of unique design to inform the handicap committee of the irregularity prior to racing. Such vessel will then be reviewed by the handicap committee and rated accordingly.

The SBCC handicap system assumes that a sailboat is equipped to race. It does not attempt to rate a partially equipped boat or a boat which differs from others in its class, in that it is unusually light or heavy, out of balance or has unusual windage (as from a dinghy on davits).

EQUIPMENT

As a minimum all cruising sailboats participating in a SBCC sanctioned club race *must* have the following equipment on board and in operable condition:

- A. All equipment required for the participating vessel to comply with Federal, State, and Local requirements.
- B. The following additional items:
 - 1. Bunks, securely installed.
 - 2. Toilet, securely installed or fitted bucket.
 - 3. Galley facilities.
 - 4. At least 2 gallons of potable water.
 - 5. Current copy of an approved SBCC handicap rating form.
 - 6. All spars including spinnaker and whisker poles marked in accordance with the rating form.
 - 7. Headsails of 130% LP or greater shall be measured and marked.
 - 8. An engine or auxiliary motor with fuel unless handicapped without same.
- C. It is strongly recommended that all sailboats participating in an SBCC sanctioned race on the Great South Bay comply with USYRU category 4 equipment requirements.
- D. Ocean Races and Races after sunset.
 - 1. It is strongly advised that additional safety equipment for these races include USYRU category 3 equipment requirements.
 - 2. It is strongly recommended that all sailboats participating in these events should be equipped with the following additional equipment:
 - a. VHF radio.
 - b. Auxiliary motor with adequate fuel.
 - c. Man overboard pole with strobe light.

INTENT OF SBCC RACING PROGRAM

Inspection Policy and Procedures

As a condition precedent to racing in a SBCC sponsored or sanctioned event, all vessels are subject to inspection for compliance with the stated equipment requirements.

The SBCC measurer or designated assistants may conduct random inspections of all SBCC sailboats with current SBCC handicaps. These inspections will be conducted with courtesy and as efficiently as possible with permission of the owner or their representative.

If in the opinion of the measurer or designated assistant, the inspected sailboat does not have on board either the required equipment or comply with the intent of the SBCC racing program, the measurer will file a formal protest with the Protest Committee. Boats found to be not in compliance by the protest committee will be subject to disqualification.

Safety

The safety of a vessel and her crew is the sole and inescapable responsibility of the skipper, who must do his best to ensure that the yacht is fully found, thoroughly seaworthy, and manned by an experienced and physically-fit crew. He must be satisfied as to the soundness of hull, spars, rigging, sails and all gear. He must ensure that all safety equipment is properly maintained and stowed, and that the crewmembers know where it is kept and how it is to be used. He must have all safety equipment required by the U.S. Coast Guard and he should have the racing equipment suggested by the United States Yacht Racing Union (USYRU). The South Bay Cruising Club disclaims any liability for the seaworthy condition or operation of a yacht, the safety of its crew, or the absence of suitable safety equipment aboard a yacht, for which the owner has sole responsibility.

It is the exclusive responsibility of each skipper to decide whether or not to start, continue, or drop out of any event. The South Bay Cruising Club does not assume any liability for the decision of any participant. Because of the increased costs of all vessels and the tendency to litigate all accidents, whether liability exists or not, the Board of Governors of the South Bay Cruising Club recommend that all owners and skippers carry liability as well as hull insurance to protect all parties from the financial consequences of an accident.

THE YEAR IN REVIEW

From the Log of Stardust, Jim Ferguson

1988 was the SBCC's year on the move. We got a new Commodore. We got a new cruise schedule. A record number of boats showed up at rendezvous.

In general, things were humming on the Great South Bay for sailor members of the South Bay Cruising Club. Early in his tenure Commodore Don Zimmer convinced the Board of Governors that changing the August date of Great River Week with the July date of the annual cruise might produce some more participation. He was right. July turned out to

be the right time for the club's annual arrival on the Connetquot River. The club calls it Great River Week, and what a time it was! There was something old, something new, something traditional and lots to do for those sailors who showed up to anchor in the river in front of the Snapper Inn even for only a couple of nights. There was the traditional Champagne Breakfast on the first Sunday. There were dinghy races. The Commodore's Dinner became "Mates Night Out" (something the mates really appreciated as it turned out). There were sailboard lessons, the traditional canal tour and the sail to Watch Hill complete with sing-a-long. "The Blast" on the final Saturday night turned out to be a real blast. SBCC members took part in their annual feast of steak and clambake goodies.

Perhaps the only blight on the entire week was the fact that *Mariah* was damaged by an apparently drunken speedboat operator. But even that mishap turned to give the SBCC something to do in the way of political action. Last January's general meeting turned into a back and forth discussion over proposed legislation to increase our safety on the bay. We were able to speak our minds to the Coast Guard, the Police, the County Executive and a state lawmaker. They listened!

Usually the Blast is the real test of the Entertainment Committee, and it passed with flying colors of course. But it changed its name. "Entertainment" is now called "The Hospitality Committee," and their hospitality was superb. Through the efforts of the Petroskes and the Sanalitros and a whole host of other dedicated, well-organized members, every event of the year went flawlessly and with class. One need only go to the next Christmas party at the beautiful campus of Dowling College for proof. Last year Hospitality introduced the idea of holding the annual affair at Dowling so winter-weary sailors could at least see the Great South Bay from a beautiful location. They were right. It was warm, it was traditional; it was very well attended. If you missed it, you'll have another chance next December.

Rendezvous are among the most famous thing done by the South Bay Cruising Club. The club scheduled twenty-four of them last year. It seemed as though everybody in the club attended at least one of them. Fleet Captain Tom Gotard took care to schedule them in all the great harbors listed in the club's Cruising Guide and to coordinate them with Gerry Keenan of the Racing Committee. There were more than a few cases of cruisers teaching racers how to raft without dents and scratches and of racers teaching how to, . . . sail. The ultimate question here may be, "who drinks more beer, racers or cruisers?" Lots of members fondly remember how the captains of

YEAR IN REVIEW (Cont'd.)

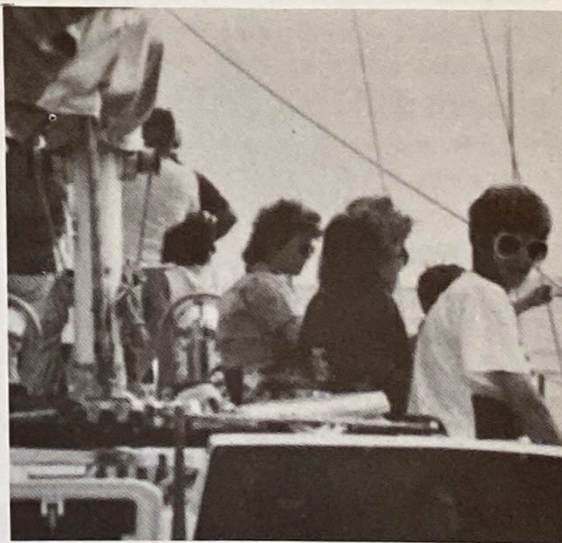

the various rendezvous seemed to take time to introduce themselves to those who showed up. Mouths will water at the memory of the Martoranas rowing around in their dink at Great River with the greatest clam chowder for rendezvous participants. Out of the ordinary? Yes. Appreciated? . . . YOU BET! The best and the worst of the rendezvous were both represented by different Family Weekends. For one of them there was raging rain and three boats showed up — *Rhapsody*, *Tranquilizer* and *Hydrotherapy*. For the other there was sunshine and about thirty boats. Both were at the same place, Watch Hill. The weather was the deciding factor. The club tries to vary the kind of places to hold these weekend gatherings. Sometimes there'll be a dock with electricity, water and a land-bound head. Other times it'll be a quiet harbor where you can raft up with other members or anchor alone, confident in the knowledge that there are friends nearby. Which is better? One member says he loves a dock, "ya can tie up and walk around the docks and talk with other members who are hanging around the dock. And you can kick the kids off the boat. My wife likes to have electricity." Another member says anchoring is the only way to go, "we like to sort of campout in luxury. It's fun to be detached from land, and I like to sail around in my old dink." Depends on your mood. Whater peace of mind you sought, it was occasionally broken by a wayward water balloon, or, as in the case of Hemlock Cove this past year, the tape recorded sounds of a thunder storm playing at your port in the pre-dawn hours. Perhaps you could ask Dotty Max if her naked mermaid fenders are wearing halters since their visit to the Unqua rendezvous.

Through the summer there was always something to do or nothing to do depending on your mood or the weather. When even a few friends get together under the SBCC burgee it's bound to be a more interesting time. One Fire Island rendezvous weekend three lone skippers showed up at the bar after slogging through the fog. They watched the World Series and drank. We found out later that one of them usually doesn't drink, another hates baseball, the third really didn't care. They all had a good time.

And there was cruising. The log of *Hydrotherapy*, Michael and Robin Kohl's boat, might tell it best: TWO WEEK CRUISE

Our cruise began August 5, 1988. We met *Seanachie* and *Broadbill* off Bergen Point and motored down the state channel to Short Beach. The trip was uneventful aside from all three boats taking a turn running aground. We arrived at Short Beach at approximately 10 PM where we were greeted by *Silhouette*, *Utopia*, *Lady Lynn*, *Appolonia* and *Leprechaun*.

Lady Barbara joined us at Short Beach early Saturday, August 6, and we proceeded out Jones Inlet. *First Light* joined us in the inlet. Although the breeze was from the South, it was slow going in the ocean with the wind speed at around 2 knots. *Appolonia* did not leave the inlet with us and returned to the bay with engine trouble. We motor sailed to Dead Horse Bay and arrived at approximately 2:30 PM. With a threat of thunder showers, *First Light* left the group and went to Sheepshead

YEAR IN REVIEW (Cont'd.)

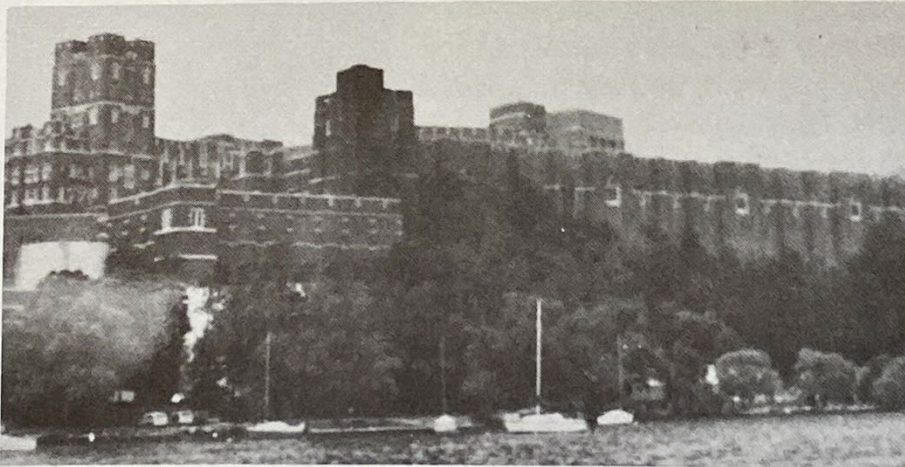

Bay Yacht Club. We were later joined by *Duet* and *Estelle*. We had a cocktail party aboard *Lady Lynn* and *Utopia* to celebrate the first night cruising.

On August 7 *Silhouette*, *Leprechaun* and *Karma* got an early start for Red Bank, N.J. At 11:30 AM the rest of the group departed Dead Horse Bay and found fresh ocean breezes. Everyone sailed in different directions with the plan to raft at Horseshoe Cove on Sandy Hook later in the day. At Sandy Hook there was a ten boat raft consisting of *Hydrotherapy*, *Big Joe*, *Lady Lynn*, *Seanachie*, *Lady Barbara*, *Estelle*, *Broadbill*, *First Light*, *Duet* and *Utopia*.

We departed Horseshoe Cove at 7 AM on August 8, motored up through the harbor and anchored behind Ellis Island. Most of the cruise participants boarded the *Estelle* for a trip to Liberty State Park where *Estelle* was docked, and a Circle Line Ferry was boarded for the trip to the Statue of Liberty. Upon arrival at the Statue of Liberty, a 2½ hour waiting line was discovered. After touring the island without entering the statue, the group returned for dinner and cocktails aboard their boats. As it grew dark, we were treated to a breathtaking view of lower Manhattan.

We arrived at South Street Seaport at 9 AM on August 9. We were greeted there by Matthew and dockmaster, Kathy, and were treated as if we were incoming royalty. An ice truck delivered 25 and 50 lb. blocks of ice as well as 32 lb. bags of ice cubes. Showers and drinking water were made available to us, and we all had a wonderful time touring the seaport and lower Manhattan.

On Tuesday, August 10, our cruise was reduced to three boats. At 6 AM *Duet*, *First Light* and *Big Joe* took off for Haverstraw a day early. At 8 AM *Seanachie*, *Estelle* and *Lady Lynn* departed for Tarrytown with *Utopia* leaving the cruise for home and *Lady Barbara* taking a day trip up the East River to Hellgate. Later that day *Jubilation* came

YEAR IN REVIEW (Cont'd.)

down the East River to meet the cruise and anchor behind Ellis Island. *Lady Barbara* returned from Hellgate and spent the day in the city. Around lunchtime *Karma*, *Silhouette* and *Leprechaun* stopped at the Seaport for their own delivery of 50 lb. blocks of ice. *Karma* stayed at the Seaport for lunch and ice cream while *Silhouette* and *Leprechaun* joined *Jubilation* behind Ellis Island. After lunching on cold lobster, oysters and seafood salad, the *Karma* joined the group behind Ellis Island. In the meantime one of the dockworkers at the South Street Seaport smuggled Maryellen, Linda and Jimmy Warsaw, as well as Barbara Nielsen, aboard one of the seaport cruise boats to help celebrate Mickey Mouse's 60th birthday. Our cruise members were rubbing elbows with Mayor Ed Koch and governors from several states while munching on hors d'oeuvres and drinking cocktails. Of course, Linda and Jimmy had their picture taken with Mickey Mouse by a photographer from People Magazine. After dinner in Chinatown, *Broadbill*, *Hydrotherapy* and *Lady Barbara* joined *Karma*, *Silhouette*, *Leprechaun* and *Jubilation* behind Ellis Island.

On August 11, the seven boats departed Ellis Island for Haverstraw Marina. It was a typical three H day — hot, hazy and humid. On the way up river, we saw the *Queen Elizabeth II*, the sloop *Clearwater* and a repossessed floating house being towed up river. At Haverstraw we joined *First Light*, *Big Joe*, *Duet*, *Estelle*, *Seanachie* and *Lady Lynn* for a total of 13 boats. We all jumped into the swimming pool to try to reduce our body temperatures. We were later joined by *Carefree* which had left Fire Island Inlet at 5 AM that morning. That evening a pina collada party was held on and around the *Hydrotherapy*.

August 12, dawned as the seven consecutive day of our cruise with temperatures over 90°. We left Haverstraw Marina at 11 AM for Cold Spring. We anchored near the Dockside Harbor Restaurant and enjoyed the fine food and, most of all, the fine air conditioning. Most cruise participants toured the town.

On August 13, everyone boarded the *Estelle* for the trip across the river to West Point. When *Estelle* docked at the South Dock, a school bus picked up our group for a tour of West Point. After the return to the anchorage off of Cold Spring, there was a cocktail party on *Estelle*.

August 14 turned out to be another in a long series of hot, hazy and humid days. All 14 boats proceeded up river to Kingston. We passed a lighthouse with curtains and a cat painted on the windows. As we neared Kingston, the captains of *Estelle* and *Jubilation* came to the conclusion that they could not fit under the bridge over Rondout Creek (56 foot). After making some hasty calls, The *Estelle* and *Jubilation* found dockspace at Norry Point Marina. The other 12 boats proceeded up Rondout Creek. *Karma*, *Leprechaun*, *Silhouette* and *Lady Barbara* proceeded to the end of Rondout Creek near a waterfall to anchor (Eddyville, N.Y.). *Hydrotherapy*, *Lady Lynn*, *Broadbill*, *Seanachie*, *First Light*, *Big Joe*, *Carefree* and *Duet* found dock space at the Rondout Yacht Basin. Much to everyone's displeasure, the swimming pool advertised in the Northeast Curising Guide turned out to be a "proposed" swimming pool. The crew of the *Hydrotherapy* proceeded up river by dinghy for a cocktail party on the *Silhouette* and for a desperately needed swim. At Kingston we discovered the largest Grand Union in New York State. Imagine seeing the clerks wearing roller skates. The crew of the *Becky* showed up at the Rondout Yacht Basin together with the crew of the *Galatea* (power boat friends), for a birthday party for Chris Becker. Although a

YEAR IN REVIEW (Cont'd.)

barbeque had been proposed, it was just too hot to light a fire.

A school bus met us at 11:30 in the morning on August 15 to take us to the Hudson Valley Wine Village for lunch and a tour. We arrived at the winery and found the crews of the *Jubilation* and the *Estelle* waiting for us. The winery prepared a beautiful barbeque lunch of chicken, hamburgers, hot dogs, corn and all the trimmings including fruit flavored champagne. Very popular amongst the children of all ages were the ices served for dessert since we were still suffering through the heatwave. Everyone had a fine time touring the winery (even the group that had an encounter with a snake), and we all boarded the bus for the trip back to the boats. Along the way we stopped at a farmstand for fresh fruit and vegetables. The crews of *Leprechaun*, *Karma* and *Silhouette* boarded the *Hydrotherapy* for a boat taxi ride back up the river with swimming and cocktail party on the *Leprechaun*.

We departed Rondout Creek on August 16 at 8 AM. There was a glorious breeze downriver, and everyone was wearing long sleeves and pants for the first time on the cruise. Much to our surprise after all of the complaints about the horrible heat, we heard complaints about the cold weather! I guess you can't please everyone. The *Galatea*, *Becky*, *Big Joe*, *Lady Lynn*, *First Light*, *Duet* and *Seanachie* anchored at the foot of Storm King Mountain near Cornwall. *Broadbill*, *Lady Barbara*, *Hydrotherapy*, *Silhouette*, *Leprechaun*, *Karma* and *Carefree* anchored near Cold Spring. We went into town for a shopping spree. In the meantime *First Light*, *Duet* and *Seanachie* ran down the river for dock space at Haverstraw Marina. That night the Cornwall group played the Cold Spring group in a game of Trivial Pursuit over the radio. The game ended when the Cold Spring crew gathered on *Hydrotherapy* for coffee and cake. However, the game ended with Cold Spring in the lead.

Typical of most cruising days, August 17 dawned with the breeze coming up the river while we were trying to get down the river. We motored down river and arrived in Tarrytown at 12:30 PM. *Duet*, *Seanachie*, *Silhouette*, *Leprechaun*, *Karma*, *Lady Barbara*, *Hydrotherapy*, *Broadbill*, *Becky* and *Galatea* anchored and took advantage of the facilities of Washington Irving Boat Club. Since there was a thunderstorm threatening, the rest of the group took advantage of the Tarrytown Boat Club's slips. There was a thunderstorm at 3:30 PM, and all boats fared well with the exception of the *Becky* and *Galatea* (rafted). These boats were unattended, and they broke anchor during the thunderstorm and flew through the anchorage towards the rocks. There was a good deal of excitement; however, their anchors took hold just in time.

The cruise proceeded down river on August 18. We were down to five boats anchored behind Ellis Island. These boats were *Silhouettes*, *Hydrotherapy*, *Leprechaun*, *Lady Barbara* and *Carefree*.

At 7 AM on August 19th, we left Ellis Island for home, and after stopping at West End Beach for hot dogs, we arrived in Babylon at 5 PM. *Carefree*, *Leprechaun* and *Silhouette* squeezed the last day out of their cruise by staying at Zachs Bay for the night and proceeding home on Saturday.

And then there was racing. From the log of *Silver Bullet*, Jim Reichel will give us the 1988 review of the best racing we have had in years.

1988 brought SBCC members an extensive racing schedule (over 60 races) with four new experimental formats to promote better racing and higher boat turnout. For those who felt the urge for more racing off the bay, you might have found a spot on a

YEAR IN REVIEW (Cont'd.)

SBCC boat at Block Island, Newport, the ALIR, N.Y. Governors Cup and Manhasset Fall Series just to name a few.

Racing on the bay has undergone many changes during the past 10 years. Boats have become bigger, the race turnout has become larger, and more boats are entering the spinnaker divisions. In response to these changes, the Race Committee organized early and set up a new schedule to meet the challenge of promoting a fair and equitable racing program.

The year started traditionally with the May Tune-up Series, Founders Cup and Creepstakes. This year's Creepstakes was impressive with a large turnout in both divisions and even a few spinnakers being flown to the finish line with a spectator crowd to watch.

The month of June brought in a few of the changes in the club's format. The Twilight Series fleets were divided up into spinnaker and non-spinnaker starts in one series while the other fleet had a handicap split at 180. This was done to encourage closer racing in the less than 180 handicap fleet without sacrificing the turnout in the 210 fleet. Crew Day was established to show the skippers how to appreciate their crew. This event should be required attendance for all sailors to get the true meaning of the sport of racing. Our Spring Ocean race saw only a few boats competing in light to moderate winds (not to mention a 747 dumping 40,000 lbs. of jet fuel on the race course and on our sails). Some of our SBCC boats used this race to tune up for Block Island Race Week. This year's Block Island Races saw light air and plenty of fog. Our boats did not break any records out there, but they sure had stories to tell of their experiences and events that occurred.

July brought in Great River Week a month earlier than in previous years, but it still had all the excitement and competition it is known for. West Island kicked off the week with an obvious direction to round the course. As usual, it was strange to see how many boats went the "wrong way." This year's race held up to its reputation as being the most challenging race of the year.

Great River Race Week again used K courses to help make the races more fun and provide for some windward work. Controversy broke out over the handicap rating system between the higher handicap and lower handicap boats. The bigger boats were getting beaten by boats they couldn't see finish. This didn't last long as conditions shifted to normal conditions on the bay, and windward work was finally put into the race program to allow the handicap system to work.

Another new event was the SBCC/BYC Challenge Race. This was a revival of an event that took place years ago when the SBCC and Babylon Yacht Club formed teams to race against each other. The SBCC won the race by a decisive finish with the 210 handicap boats having a tremendous action-packed finish inches apart at the finish line.

The club then went into a temporary recess to allow the Around Long Island boats to compete. This year's drifter was surrounded by fog. It was a real disappointment for many Cruising Club boats that finished with divisions of boats far faster than they to find out they were beaten by others in their division by quite a large margin. The Cruising Club entered one of the largest fleets for the second year running and placed a few boats near the top.

The August Masthead announced everyone's efforts for the class championship. The standings were important for some racers. The number of boats that showed up

YEAR IN REVIEW (Cont'd.)

for each event was on the minds of the leaders.

This year's Spinnaker Class Championship was one of the closest in recent times. First and second were switching with every race; third and fourth was just as tight.

Labor Day brought in the September races at Sayville. One nice "cruise" race and a gear buster for day two. A nice turnout with docking horror scenes helped make this an interesting event. The Fall Ocean Race had very poor attendance with light and flukey winds, which made everyone look forward to some real racing in the future.

The Babylon Yacht Club Invitational and Mayor's Cup by the LIYC brought some good racing. The SBCC dominated these events.

Some Cruising Club boats made it into New York Harbor this month for the Governors Cup. This race started as a drifter and was a spectacular race if you consider the entire fleet finishing at once. (It was a Race Committee's worst nightmare.)

October marked the end of racing on the bay. The Discoverer's Race and Last Chance Race were held for the "die hards," who still wanted to race in colder weather.

Still other members continued racing a a chartered J-30, and competed in the Manhasset Fall Series and Lloyd Harbor series (as well as a few SBCC members bring their own boats to the North Shore to compete).

The Turkey Regatta held on Thansgiving weekend held true to form. This year the turnout was one of the largest for this event. The event had early fall weather with light air and calm conditions. Confusion on the race course made this event one to remember.

The 1988 Racing Season was marked by good competition and turn out. Nowhere was sailing more fun and enjoyable than racing in our home waters against our friends. We are hoping that racing on the bay next year will be just as exciting and as much fun.

IN MEMORIAM

Yea, he did fly upon the wings of the wind
18th Psalm

PAT KELLY

JOHN A. WIRTH

JULIAN DAVIES

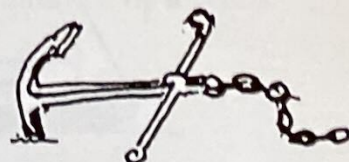

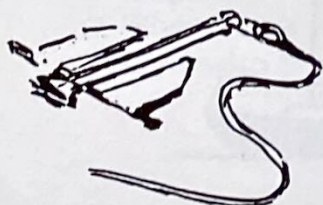

JOHN D. BEINERT

Ken Kondor once observed that these pages keep memories alive — memories that would be preserved in trophy cases and on the walls if we had a club house. Our unique club resounds with rich past and vibrant present of some very special people, and this book retains our history.

I was pleased when Ken asked me to serve as yearbook editor, and I was overwhelmed by the hours of enthusiastic help that so many members gave in the finest Cruising Club tradition.

Thanks to all who have made the Cruising Club great, and many thanks in particular to those who worked so hard to keep memories alive in this book.

John and Lorraine

FLAGS AND SHAPES

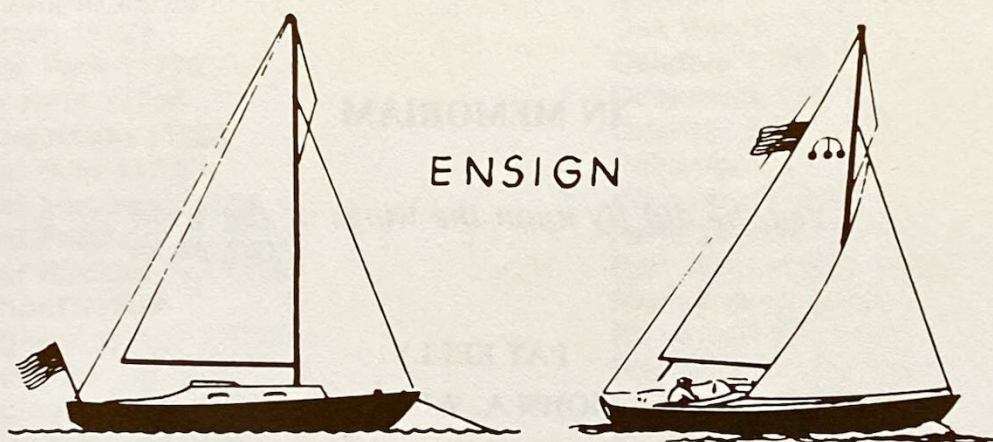

Flag Etiquette

The correct display of flags, signals, and ensigns is one of the more obvious marks of a yachtsman. This code is steeped in the tradition of the sea and promotes uniformity in communication and identification between yachts. The following flag etiquette covers the signals that are used daily on small or medium sized sailing yachts.

THE ENSIGN

The ensign is displayed between morning and evening colors (0800 and sunset) only:

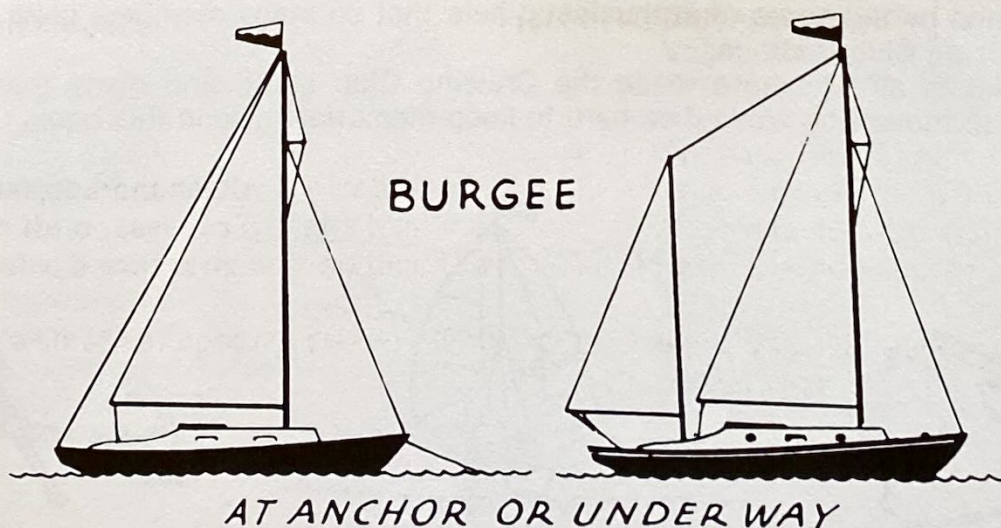

1. At anchor or under power: at the stern staff.
2. Under sail: at the stern staff if not racing and if the boom does not overhang; or at the after-peak of a gaff-rigged sail; or $\frac{2}{3}$ of the way up the leach of a after-most genoa-rigged sail.

THE BURGEE

The club burgee is displayed whenever the ensign is displayed, but may also be displayed separately, between morning and evening colors, or by day and night, while at anchor or under way on:

1. The masthead of single-masted yachts.
2. The forward masthead of 2-masted yachts.

FLAG ETIQUETTE (Cont.)

THE PRIVATE SIGNAL

The owner's private signal may be displayed by day and night on:

1. The masthead of single-masted yachts in place of the burgee.
2. At the after masthead of two masted yachts, at anchor or underway.

FLAG OFFICER' FLAGS

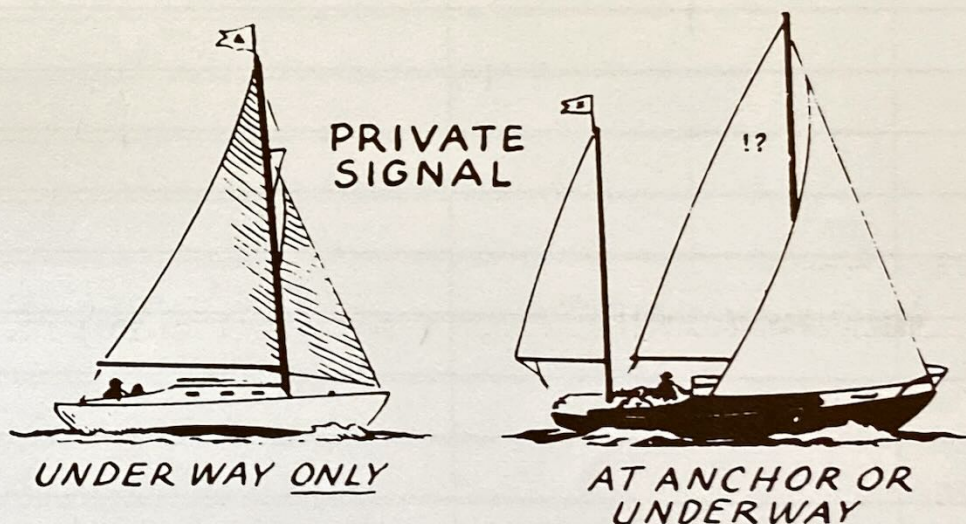

A flag officer shall display his flag both day and night in place of his private signal.

RACE COMMITTEE FLAG

The race committee flag shall be displayed at the main truck, in place of the flag otherwise there displayed, only while acting as the committee boat.

SIGNAL FLAGS

The starboard main spreader is to be used only for signal flags and specific flags, such as owner absent flag and guest flag.

DRESSING SHIP

When dressing ship on commissioning day, Independence Day, and on other special occasions, the following order of international code flags is recommended (starting from forward): AB2, UJ1, KE3, GH6, IV5, FL4, DM7, PO 3rd repeater, RN 1st repeater, STzero, CX9, WO8, ZY 2nd repeater. Ensigns, burgee, private signals etc. should not be included.

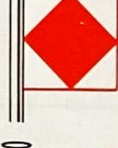

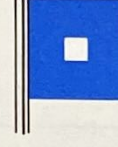

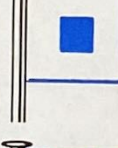

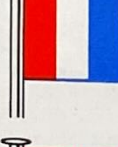

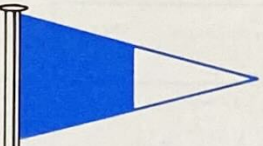

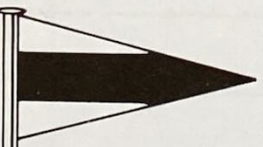

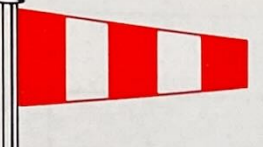

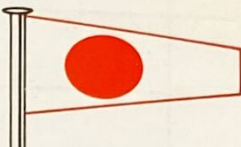

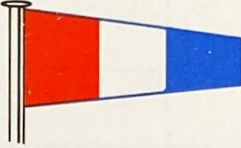

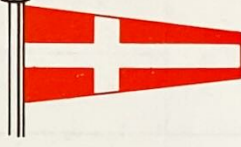

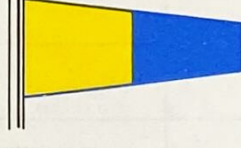

REQUIRED SHAPE DISPLAYS (Daylight)

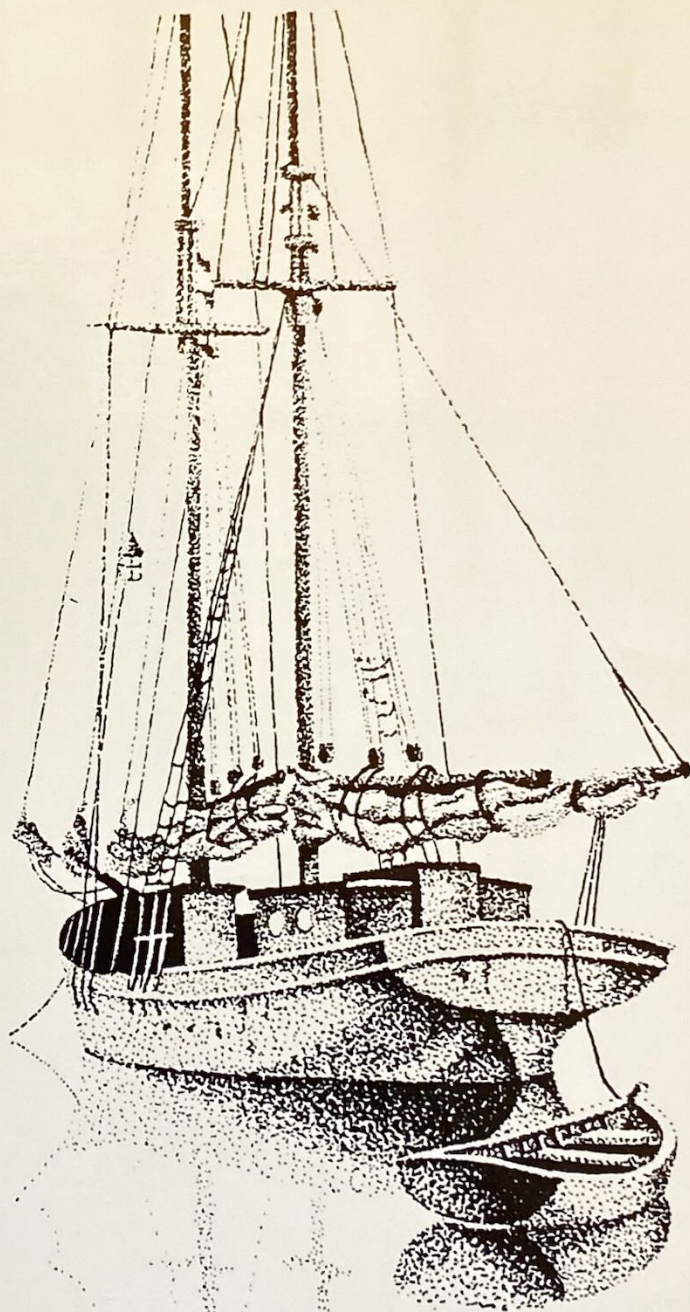

1. When anchored in an area other than a designated anchorage, sailing vessels must display a single, black spherical shape. For lesser craft (those under 20 meters) the size of the shape should be "commensurate with their length."
2. When under sail and power (motorsailing), vessels are required to fly a black cone with the apex down.
