COMMODORE'S MESSAGE

1991

Forty years is a long time to function and operate under the same concepts and themes, but that's what the SBCC has done. Forty years of fun and friendship all based on the ideas and feelings of 18 sailors who met in June, 1951 and agreed it would be great to cruise, race and meet on and about the Great South Bay. Out of that meeting, the inception of the SBCC has come life-long friendships, bonds between families, marriages, offspring, and complete transformation of lifestyles. I'm sure the results far exceeded the expectations of the club's founders but it certainly is a credit to them and all who followed in shaping and molding the club into the fine organization it is today. I sincerely thank all of the committees who gave so freely the indeterminable amount of time and energy in making it all work.

But it was not the club's leadership that has been entirely responsible for the club's phenomenal success — at the heart and soul of it all was and is the active and enthusiastic membership. We have been blessed through the years with a group of people who, despite their divergent walks of life, have blended together for the common purpose of enjoying sailing and the comradery associated with it. A tradition of service to the club by the membership has been the bond which makes the SBCC so great. To get involved in the club is promoting the club and the individual's enjoyment of it.

We who are charged with the current leadership of the club must be ever mindful of the legacy we have inherited and be sure to pass on to future members a club that has not diminished in any form. One that heeled and reacted to the changing winds of the membership and the shifting sands of the world we live in, but is able to maintain its original course.

I am confident that the future of this club will be as successful as the past forty years have proven to be, and I call upon all who read these words to join in that success.

Congratulations, SBCC on your fortieth anniversary.

SOUTH BAY CRUISING CLUB

FLEET CAPTAIN'S MESSAGE **Cruising 1991**

"In as much as the earth's surface is three quarters water and one quarter land, the good Lord's intentions are perfectly clear — people should spend three quarters of their time sailing and one quarter working." That bit of wisdom by Ellen Marko Moran is well worth implementing and I hereby present it as the SBCC cruising goal for 1991.

As your Fleet Captain, I challenge each of you to accept Ms. Moran's credo and get out there with the sea gulls, the wind, the sunshine and the spray and, above all, your fellow SBCC members.

I, in turn, dedicate myself to making cruising with the South Bay Cruising Club easy, enjoyable, plentiful and safe. The Cruising Committee has scheduled extra rendezvous, some with special entertainment and each hosted by a friendly, funloving Committee member. The usual summer cruises are being offered. The one week In-the-Bay cruise promises to have something for everyone and there will be a Great River Week for the whole family.

Come on out and join the fun!

Ed Petroske, Fleet Captain

REGATTA CAPTAIN'S MESSAGE **Racing 1991**

It is no accident the covers of boating magazines and calendars frequently depict the beauty and awesome power of racing sailboats under spinnaker. Few things of such spectacular grace and dynamics can be captured so life-like by the photographer's lens. We experience most of the other truly breathtaking and beautiful sights in life only vicariously through the photographer whether it is the animals and vegetation of Africa and South America or the glacier covered peaks of Alaska and the Alps. Those of us in this South Bay Cruising Club, however, can experience the excitement and beauty of sailboat racing first hand. We have a regatta program that challenges the most experienced racer yet provides an opportunity for the novice to become an accomplished crew or skipper. Come join us. It's exciting. It's beautiful. It makes the adrenaline flow. **JUST DO IT!**

Good Sailing

NOTES TO SOCIAL AND CRUISING SCHEDULE

1. Refer to Cruising Guide for directions to Rendezvous location.
2. Details to be published in "From the Masthead" or otherwise furnished at a later date.

AWARDS:

Cruising Award — This award is given for participation in any of the Club's organized cruises. To qualify, a yacht must anchor or tie-up with the fleet for at least 50% of the time designated for a cruise by the Fleet Captain. The Cruise Captain will submit a list of yachts eligible, based on Cruise attendance records.

Great River Week Award is given for attending Great River Week. A yacht must be present in Great River or designated harbor at least 5 days to earn this award.

The Rendezvous Awards are made, at the Fleet Captain's discretion, to boats that attend a minimum number of rendezvous.

Green Water Award for a cruise of greater distance and duration than the official cruises.

Blue Water Award is made only as recognition for an extended cruise off soundings. A select committee, along with the Fleet Captain, will review candidates and make this award only when they deem the cruise to be an outstanding achievement.

Blue Water Awards:

- 1952 — Jack Young (Doc Hamlin special award)
- 1953 — R.W. Bennett
- 1964 — Art Flynn
- 1965 — Stuart Baldwin (Ed Macy special award)
- 1966 — Ed Macy
- 1967 — Ed Forsyth
- 1968 — Jack Young (Don Streit & Ed Ricketts special awards)
- 1969 — Chet Phipps
- 1972 — Arthur Sternberg, M.D.
- 1973 — Bill Milligan
- 1979 — Bob Wissman
- 1980 — Edgar Sabbeth
- 1987 — Russ Colombo
- 1990 — Bob Forman

Green Water Awards:

- 1987 — Harry Wilburger
- 1989 — Roger Goodwin

THE SBCC RENDEZVOUS

All hands are invited — members and their children, their guests and their pets. You don't have to participate in a club race to join the rendezvous raft-up that usually follows. Notifying anyone in advance is not necessary, nor must you arrive at any particular time. Each rendezvous has a designated "Rendezvous Captain" who has been appointed by the Fleet Captain to act as host boat and will be known by the very large Club Burgee. Check in to get credit for attendance and to be included in any special entertainment that may be planned.

RAFT-UP PROCEDURE

It has always been a tradition that no invitation is necessary to join a raft-up at any SBCC rendezvous. All you have to do is ask politely "May I come along side?"

Generally speaking, you should expect to put down your own anchor when rafting, so that boats on either side of you can withdraw with a minimum of fuss. When you wish to cross somebody's deck to reach another boat, it's polite to ask permission and to cross via the foredeck, if possible. If you are joining a group aboard another boat, it's customary in the SBCC to bring your own drinks and to contribute to the snacks.

Do any boats remain rafted all night? Sure, but as a rule, only close friends and long time cruisemates. Usually it is better, if in doubt, to withdraw quietly and go anchor nearby.

CRUISES

Early in the Spring, the Fleet Captain and the Cruise Committee scout among the membership for opinions and work out tentative cruise itineraries. A shorter "Close-in" cruise is often suggested, such as Peconic Bay-Shelter Island area, as well as a more extensive cruise to New England or Chesapeake Bay. Lately, a local around-the-Bay Cruise has been scheduled.

The Fleet Captain appoints Cruise Captains — usually skippers who have had experience in going to the ports outlined — to work out a rough-draft itinerary which is published in the Masthead and then presented to the membership at the March Meeting. Debate ensues, adjustments are made based on an attained consensus. All is duly noted by the Cruise Captains, who prepare a final, more detailed itinerary. Additional meetings are held to review the itinerary and share concerns.

During the Cruise, the itinerary may be adjusted to suit weather conditions or the whims of sailors and their families. Sometimes an anchorage is just too delightful to leave. Cruise Captains usually try to get the entire fleet together at least once or twice during the cruise.

SBCC RACING PROGRAM AND INSTRUCTIONS

I. QUALIFYING TO RACE

All properly equipped sailboats owned or chartered by SBCC members in good standing are eligible and encouraged to participate in Club races provided they have requested and received a SBCC handicap and otherwise comply with the standards set forth below.

A. INTENT OF PROGRAM

It is the intent of the SBCC that all sailboats racing in club sponsored events shall contain cruising accommodations with an enclosed cabin. It is recognized that these accommodations will vary according to the type and size of the boat. However, all sailboats are assumed to comply with the manufacturers' standard hull and accommodation plans. It is the responsibility of the owner of any vessel which has been modified or is of unique design to inform the handicap committee of the irregularity prior to racing. Such vessel will then be reviewed by the handicap committee and rated accordingly.

The SBCC handicap system assumes that a sailboat is equipped to race. It does not attempt to rate a partially equipped boat or a boat which differs from others in its class, in that it is unusually light or heavy, out of balance or has unusual windage (as from a dinghy on davits).

B. EQUIPMENT

As a minimum all cruising sailboats participating in a SBCC sanctioned club race *must* have the following equipment on board and in operable condition:

- a. All equipment required for the participating vessel to comply with Federal, State, and Local requirements.
- b. The following additional items:
 1. Bunks, securely installed.
 2. Toilet, securely installed or fitted bucket.
 3. Galley facilities.
 4. At least 2 gallons of potable water.
 5. Current copy of an approved SBCC handicap rating form.
 6. All spars including spinnaker and whisker poles marked in accordance with the rating form.
 7. Headsails of 130% LP or greater shall be measured and marked.
 8. An engine or auxiliary motor with fuel unless handicapped without same.
- c. It is strongly recommended that all sailboats participating in a SBCC sanctioned race on the Great South Bay comply with USYRU category 4 equipment requirements.
- d. Ocean Races and Races after sunset.
 1. It is strongly advised that additional safety equipment for these races include USYRU category 3 equipment requirements.
 2. It is strongly recommended that all sailboats participating in these events should be equipped with the following additional equipment:
 - a. VHF radio.
 - b. Auxiliary motor with adequate fuel.
 - c. Man overboard pole with strobe light.

SBCC RACING PROGRAM AND INSTRUCTIONS

C. INSPECTION POLICY AND PROCEDURES

As a condition precedent to racing in a SBCC sponsored or sanctioned event, all vessels are subject to inspection for compliance with the stated equipment requirements.

The SBCC measurer or designated assistants may conduct random inspections of all SBCC sailboats with current SBCC handicaps. These inspections will be conducted with courtesy and as efficiently as possible with permission of the owner or their representative.

If in the opinion of the measurer or designated assistant, the inspected sailboat does not have on board either the required equipment or comply with the intent of the SBCC racing program, the measurer will file a formal protest with the Protest Committee. Boats found not to be in compliance by the protest committee will be subject to disqualification.

D. HANDICAPS

The SBCC fleet includes many different types of sailboats. In order to make race participation attractive to as many members as possible, SBCC Handicap racing is offered. Under this system, every yacht in the fleet upon request to the Handicap Chairman is given a SBCC Rating based on its maximum speed potential.

The SBCC Handicap System rates each yacht according to its maximum speed potential, thereby encouraging each skipper to get the best performance from his yacht.

Maximum speed potential is established for each yacht through:

- statistical analysis of race data for consistently well-sailed boats of similar design
- comparison with data from other racing fleets'
- speed-trending data from past performances

Under the SBCC Handicap System all yachts of different design will have distinctive maximum speed characteristics from which individual handicaps are derived. Fine tuning factors are applied to yachts of the same design to account for differences in rig, prop type, sail complement, etc.

Each racing skipper is obliged to contact the Handicap Chairman in advance of his first race under the following conditions:

- A particular yacht is to be raced in the SBCC fleet for the first time.
- The skipper has raced another yacht bearing the same sail number during the season.
- The sail complement has been changed.
- The basic design of the yacht is modified in any way which could affect its speed potential.

E. HANDICAP APPEAL

A skipper who believes his yacht's handicap might deserve correction may request a handicap review by submitting a written request to the Handicap Committee stating the reasons he believes a review is in order.

F. SBCC HANDICAP CLASSES

Three classes, Spinnaker, Non-Spinnaker, and Cruising are scored under the SBCC Handicap System.

SBCC RACING PROGRAM AND INSTRUCTIONS

—Skippers electing to race in the Spinnaker class may use their full sail complement, and any sail combination consistent with USYRU racing rules or special race instructions.

—It is the intent of the Non-Spinnaker class to restrict sail inventory use to only those sails that can be correctly flown on all points of sail. In the Non-Spinnaker class, only one headsail (either a jib or genoa of a minimum of 3 ounce cloth) may be flown in the foretriangle at any one time. Yachts handicapped as having permanent double head rigs will be permitted to fly their staysail when racing Non-Spinnaker.

—The Cruising class, a modified Non-Spinnaker class, will be restricted by the rules of Non-Spinnaker and be open to the skippers who believe their boats are in the “cruising state.”

—Members may change classes as often as they desire, as long as it is done before the first warning signal.

G. RACING NUMBERS

Racing numbers, either USYRU or SBCC, are required on mainsails, spinnakers and overlapping (LP greater than 130% J) headsails, in accordance with current USYRU rules.

H. MEMBERSHIP RESTRICTION

No boat shall race in a SBCC sponsored event unless commanded by a SBCC member or associate member. Invitationals sponsored by other organizations are exempted.

II. RACING RULES

Racing rules of the United States Yacht Racing Union (USYRU) shall be observed except as otherwise specified in these instructions. Burgees and other flags may be flown when racing. Government navigation buoys not stated as being marks of the course may be disregarded at the discretion of the skipper.

The Inland Rules will replace Part IV of the Racing Rules between the hours of sunset and sunrise. All required lights must be shown.

The 720 rule, Appendix 3.1 of the USYRU racing rules, shall apply to all SBCC races.

III. RACE PROGRAM

A. RACE SCHEDULE

SBCC sponsors numerous races and participates in various invitationals as set forth in the 1991 RACE SCHEDULE.

B. COURSES

Courses used for SBCC races and some invitationals are set forth on the pages following these instructions. They are grouped by starting area as follows:

Babylon
Bay Shore

Nicoll Bay
Ocean

Watch Hill

For each of these areas, a variety of courses is described below, each bearing a distinguished letter. The choice of course available to the Race Committee on any

SBCC RACING PROGRAM AND INSTRUCTIONS

given day is shown in the Race Schedule. The Course selected will be signaled from the Committee Boat by the appropriate letter code flag. (Letters A through H may be used).

Any course can be reversed by code Flag "R" or shortened by code flag "S" as described in Part VI B.

C. SERIES RACES

Babylon Yacht Club July Invitational Series

This is a four-race series sailed over a four day period with one throw-out. The courses, starting sequence, and other race instructions will be provided by the Babylon Yacht Club and handed out by the committee boat on station prior to the first race.

Great River Week

This is a four-race series. It will be scored on the basis of a yacht's best three races. Racers traditionally join the Great River Week raft up after each race. To be scored for the fourth race of the series (Race Week Wind-up), a yacht must have participated (started or served as committee boat) in at least two of the other races comprising the series. However, all yachts participating in the Race Week Wind-Up will be scored for the Saturday day race. A special Cruising class will be added for all four races.

GSBYRA Race Week

This is a four race series and a race fee is required.

Sayville Yacht Club Invitational Series

This is a two race series sailed over two days. See SYC START SEQ. for more information or the SYC Race Committee.

SBCC Class Championship Series

This is an over-all season series based on the scoring of selected races. See Part IV B.

Tune-up Series

This is a two-race series with no throw-outs. To emphasize tuning, no trophies will be awarded.

Twilight Series

These are a three race series. They will be scored on the basis of a yacht's best two races, except committee boat as noted in Part IV D. These series will alternate between regular start and non-spinnaker. The final Wrap-up series will be non-spinnaker. Races the week of July 4th were switched to Tuesday and Wednesday nights respectively.

D. SPECIAL RACES

BYC/SBCC Challenge: Babylon Yacht Club has challenged the SBCC. Each club will participate with an equal number of boats. This is a VOLUNTEERS ONLY race. We will use a lottery system from the volunteers to determine the six participants from our club.

Ladies' Race — A Non-Spinnaker race. Skipper must be a lady. The Patricia A. Kelly Trophy will be awarded to the yacht with best corrected time with an all girl crew. Yachts eligible for this trophy must compete in the ALL GIRL category.

SBCC RACING PROGRAM AND INSTRUCTIONS

Race Week Wind-Up — This is a separate day race and also serves as the last race in the Great River Week series. This race will be double scored, once for those yachts having participated in at least two of the prior Great River Week series races, and scored again using all of the participating yachts to arrive at the standings for the Race Week Wind-Up and Class Championship points.

Single-Handed Creepstakes — Only skipper is allowed on boat during race. Two classes: 28 feet LOA and over; and under 28 feet LOA. Non-Spinnaker only.

West Island Race — Nicoll Bay course B may be sailed in either direction. Expanded start.

Watch Hill Family Race — A Non-Spinnaker race leaving from Watch Hill Sunday morning. Crews must sleep aboard their yacht Saturday night at Watch Hill.

IV. RACE SCORING AND TROPHIES

A. SCORING METHOD

SBCC races will be scored using the Time on Distance Method. A yacht's time allowance is calculated by multiplying her SBCC handicap by the race course distance. The time allowance is then subtracted from the yacht's elapsed time, yielding corrected time. The yacht with the lowest corrected time is the winner.*

Race results are available to each participating skipper shortly after each race and official results are printed periodically in the "Masthead."

B. CLASS CHAMPIONSHIP SERIES SCORING

Class Championships and trophies will be awarded annually for Spinnaker, Non-Spinnaker, and Cruising Class, to the yachts with the best scores, as determined below, in each class. Scoring will be based on the best six of seven races designated with note 7 in the Race Schedule. Only yachts finishing at least five of these races will be eligible for trophies. Points for these races are computed on the following basis: 1st place yacht receives points equal to the number of starters in the race plus $\frac{1}{4}$ point; 2nd place yacht receives $1\frac{1}{4}$ points less than the 1st place yacht; the 3rd place yacht receives $2\frac{1}{4}$ points less than the 1st place yacht, etc. A yacht that serves as committee boat for one race of any series will receive credit towards series qualifications for that race and points equal to its average percentage points of its other races.

C. OTHER SERIES SCORING

Points for each race will be awarded on the basis of $\frac{3}{4}$ -point for first, two points for second, three points for third, etc. DNF and WDR boats will receive one point more than the number of boats in that class that started in the series. DNS and DSQ boats will receive two points more than the number of boats in that class that started in the series.

A starter in any one race of the series will be considered to have started in all the races of the series. Series position will be determined by the total points accumulated by each yacht, in inverse order. When there is a tie on points between two or more yachts, the tie shall be broken in favor of the yacht or yachts with the most first places, and when the tie remains, the most second places and so on, if necessary, for such races as count for total points. If a tie still remains, it will be broken in favor of the boat which beat the other the last time they raced against each other, throwouts included.

* In determining the winner of the Perpetual Trophies (Part IV F), the Race Scorer may apply an 18 second per mile adjustment between the winner of the spinnaker class and non-spinnaker class if it is determined that the spinnaker class carried the spinnaker to advantage for one third of the race.

SBCC RACING PROGRAM AND INSTRUCTION

D. SERIES SCORING FOR COMMITTEE BOATS

A yacht that serves as committee boat for one race of any series will receive credit towards series qualification for that race and points equal to the average of its finish positions in the other races of the series, DNS and DNF races included. This does not apply to the Class Championships.

E. RACE TROPHIES

Trophies for individual SBCC races (when not part of a series) will be awarded to each class, according to the following schedule:

Number of Starters	Trophies for
2 or 3	1st
4 through 6	1st and 2nd
7 through 14	1st, 2nd and 3rd
15 or more	1st, 2nd, 3rd and 4th

In SBCC series, the greatest number of starters in any race will govern the number of trophies awarded for that series. Only first place trophies will be awarded for the Class Championship Series.

F. PERPETUAL TROPHIES

Perpetual trophies are awarded for one year only. They are awarded to the yacht with the best corrected time based on the SBCC Handicap rule.

Each year the club awards seven perpetual trophies, as follows:

Commodore's Cup — Best corrected time in the Commodore's Cup race.

Foulke Trophy — Best corrected time in the Foulke Trophy race (night race).

Smith Trophy — Best corrected time in the Smith Trophy race.

Deale Trophy — Best corrected time in the West Island race.

Governor's Cup — Best total score for the Commodore's Cup, West Island and Foulke Trophy races. High Point Scoring System.

Patricia A. Kelly Trophy — Best corrected time in the Ladies' Race by a yacht with an all-girl crew. Additional trophies will be awarded to yachts with all-girl crews in accordance with the trophy schedules.

Cruising Club Crock — Best corrected time in the Around Long Island Regatta scored with the SBCC Handicap rule.

Keeper cups are given to winners of these trophies and their names are engraved on the perpetual trophy. It is the responsibility of the winner of the perpetual trophy to return it by November 1 to the Trophy Chairman for engraving of the following year's winner.

V. COMMITTEE BOAT ASSIGNMENTS

A. SERVING AS COMMITTEE

The SBCC depends upon the cooperation of all members. Being the Committee Boat for a race is an important responsibility. It is a job not to be taken lightly for it is the heart of a successful racing program. Reliable, timely and accurate performance is essential.

Race Chairmen are assigned by the Regatta Committee, and listed in the Race Schedule. *These assignments are obligatory.*

SBCC RACING PROGRAM AND INSTRUCTIONS

B. CHANGES

A Race Chairman may switch assignments with another Race Chairman provided that the Regatta Chairman is notified at least 24 hours before the race. Arranging such changes is the sole responsibility of the assigned skipper and does not relieve him or her of responsibility.

C. PENALTIES

Any Race Chairman who willfully fails to do his or her assignment shall not be scored in any SBCC race for a period of one year from the date of his or her scheduled committee boat assignment. As an alternative penalty, a Race Chairman who failed to do his or her race assignment for the first time in the racing season will be scored in SBCC races after payment of a \$100.00 fine which shall go to the SBCC General Fund.

VI. STARTING LINE PROCEDURES AND RULES

A. CLASS STREAMERS

Racing yachts are required to fly streamers from their standing backstays or the leach of their mainsail. Streamers should measure 4"x18".

Creepstakes

Class	Color
LOA 28 ft and over	Blue
LOA under 28 ft	Yellow

Ladies Race

Class	Color
Mixed Crew	Blue
All Girl	Yellow

All Other Races

Class	Color
Spinnaker	Blue
No-Spin	Yellow
Cruising	White

Failure to display the appropriate streamer may be considered grounds for disqualification.

There is no race of a given class unless two or more qualified yachts start.

B. CODE SIGNALS

Code flags A through K are used to designate courses (see course instructions). Code flags below apply to all SBCC-conducted races:

L — Come within hailing distance for instructions.

M — ROUND or pass the object displaying this signal instead of the mark it replaces.

N — ABANDONMENT, race called off (accompanied by three guns).

R — Sail the designated course in the REVERSE direction, Leave all marks to the opposite hand.

S — Sail the SHORT course prescribed in the course instructions. When flown after the start (accompanied by two guns), finish between the committee boat and the near-by mark of the course.

T — Sail the designated course TWICE around leaving the starting line "X" mark on the same side as the next mark of the course unless otherwise specified in the course description. The committee boat is not a mark of the course the second time around.

Answering Pennant — POSTPONEMENT signal (accompanied by two guns). Starts postponed fifteen minutes. Warning signal will be made 1 minute after Answering Pennant is lowered.

1st Repeater — GENERAL RECALL signal

SBCC RACING PROGRAM AND INSTRUCTIONS

C. STARTING

Signals will be made at five minute intervals with each signal lowered one minute before the hoisting of the next. The visual signal governs; the gun merely calls attention to it. A red signal will be visible until one minute before the warning signal.

D. STARTING SEQUENCE

Abbreviations:

warn - warning signal
 prep - preparatory signal
 S/ - start signal

Sp - Spinnaker Class
 NS - Non-spinnaker Class
 CRU - Cruising Class

Time	Shape	Regular	No-Spin	SYC	Expanded
:00	White	Warn	Warn	Warn	Warn
:05	Blue	Prep	Prep	Prep	Prep
:10	Red	S/Sp	S/NS	S/Sp	S/Sp
:15	White	Prep		Prep	Prep
:20	Blue	S/NS		S/NS	S/NS
:25	Red			Prep	Prep
:30	White			S/Cat	S/Cru

Time	Shape	Creepstakes	Ladies
:00	White	Warn	Warn
:05	Blue	Prep	Prep
:10	Red	S/28 + LOA	S/Mixed
:15	White	Prep	Prep
:20	Blue	S/Under 30LOA	S/All Girl

When, after a starting signal, all the yachts of the class or classes involved have properly started, the Race Committee will, if practicable, announce "all clear."

E. ANTI-BARGING MARK

The committee boat may use an "anti-barging mark." If this mark is used racers shall not pass through the line formed by the anti-barging mark and the committee boat at any time — even while "starting." The penalty for infringing on this restricted line (at any time) or for touching (while starting) the anti-barging mark, is disqualification. The anti-barging mark does not change the starting line. The starting line is determined by the "X" mark (or buoy) and the white line marker on the committee boat.

F. STARTING LINE ETIQUETTE

Racing skippers are reminded to stay clear of the starting line until the Preparatory Signal for their class. *Classes not starting are to remain clear of all yachts in the division before them.* Failure to do so may result in disqualification.

The Preparatory Signal for each class is given five minutes prior to the starting signal. Yachts starting with the wrong class may be disqualified.

Skipper electing to change class after arriving in the starting area (but before the warning signal) must notify the race committee of that change.

SBCC RACING PROGRAM AND INSTRUCTIONS

G. RECALLS

The Race Committee will attempt to sound one blast of a horn or whistle and announce the sail number of each yacht starting prematurely. Near by yachts are requested to pass the hail. The onus of making a fair start lies on each yacht, and failure to hear or heed a recall will not prevent the premature starter from being penalized. Responsibility for determining compliance with the rules rests with the Race Committee. Yachts making an improper start will be penalized by having one-half hour added to their elapsed time, whether or not they have been notified.

General Recall: If there should be a number of unidentified premature starters, or if an error is made in the starting procedure such as significant inaccuracy in the interval between signals, the Race Committee will make the General Recall signal. The General Recall signal is the First Repeater code flag accompanied by two guns. The starting sequence begins with the recalled classes Preparatory signal.

H. VHF COMMUNICATIONS

VHF radio communications may be maintained during a race utilizing channel 72 for communication. Radio communications may be utilized to relay information on unusual situations during races such as postponements, recalls, withdrawals, etc. However, Race Committees are not required to use radio. Racers should **not** communicate with the Race Committee from the time of the Warning gun to the time of the last class start.

VII. TIME LIMIT

Regardless of time of start, the time limit for a boat in the first class to finish will expire at 1800 except as stated in the notes to the Racing Schedule.

Time limit for all classes starting after the first class will be extended so as to allow all classes to have the same amount of racing time. If any yacht finishes within the time limit for her class, it is a race for her class. Yachts finishing after the committee boat has left its station should take their time and report it to the Race Committee as soon as possible.

VIII. PROTESTS

The SBCC Protest Committee operates under the Racing Rules of the USYRU, supplemented by published decisions of the USYRU Appeals Committee. In addition, it shall hear all protests arising from violation of the Inland Rules which replace Part IV of the USYRU rules between sunset and sunrise.

The Protest Committee will only entertain protests made in conformity to the USYRU rules including:

- Display of protest flag
- Notification of protested yacht
- Notification of Race Committee
- Submission of written protest within 72 hours
- Citation of rule or rules allegedly infringed

Protest must be addressed to the Chairman of the Protest Committee and hand-delivered or postmarked within 72 hours of the conclusion of the race in question.

Written protests for the Ocean Invitational must be submitted immediately after the race.

SBCC RACING PROGRAM AND INSTRUCTIONS

IX. SAFETY

The safety of a vessel and her crew is the sole and inescapable responsibility of the skipper, who must do his best to ensure that the yacht is fully found, thoroughly seaworthy, and manned by an experienced and physically-fit crew. He must be satisfied as to the soundness of hull, spars, rigging, sails and all gear. He must ensure that all safety equipment is properly maintained and stowed, and that the crewmembers know where it is kept and how it is to be used. He must have all safety equipment required by the U.S. Coast Guard and he should have the racing equipment suggested by the United States Yacht Racing Union (USYRU). The South Bay Cruising Club disclaims any liability for the seaworthy condition or operation of a yacht, the safety of its crew, or the absence of suitable safety equipment aboard a yacht, for which the owner has sole responsibility.

It is the exclusive responsibility of each skipper to decide whether or not to start, continue, or drop out of any event. The South Bay Cruising Club does not assume any liability for the decision of any participant. Because of the increased costs of all vessels and the tendency to litigate all accidents, whether liability exists or not, the Board of Governors of the South Bay Cruising Club recommend that all owners and skippers carry liability as well as hull insurance to protect all parties from the financial consequences of an accident.

THE CRUISING YEAR IN REVIEW

ONE WEEK CRUISE 1990 — From the logs of *Rhapsody* and *Second Edltion*.

SUNDAY, JULY 15 Rain in early morning, light fog and an overcast sky. Up anchor at Great River at 1330 and had a terrific sail to the beach, winds south 15-20 knots, some boats to Watch Hill and some to Atlantique. Soon the clouds broke and the sun came out. At 1800 there was a Captain's meeting/cocktail party at the picnic tables. We discussed layover days and other plans for the week.

MONDAY, JULY 16 Cruise I under Ed and Fran Hettinger sailed to Sailor's Haven with sunshine and 15 knots and enjoyed a walk to Cherry Grove for ice cream. Cruise II under Tom and Bernadette Poulos stayed over at Atlantique, sailed dinghies around the basin and took a stroll to Ocean Beach for dinner amid beautiful sunshine and temperatures in the 90's.

TUESDAY, JULY 17 Sunny morning - SW wind. Cruise I boats underway from Sailor's Haven to Atlantique sailing around West Island for a glorious sail, beautiful weather holding. All (Cruise I & II) enjoyed a Happy Hour ashore (about 35 boats).

WEDNESDAY, JULY 18 Once again our Bermuda high remained with us and we left Atlantique for our sail across the Bay to Secret Harbor at Hecksher Park. What an enjoyable crossing with southwest winds at 12 to 15 knots. Over 35 boats anchored in the Harbor for a picnic in the Park, where we had about 80 members in attendance. Thanks to Norm Robertson and Frank White, who provided pick up trucks and delivered ice, food, soda, etc. we served about 145 hot dogs, 125 hamburgers, and over 200 cans of cold soda. Games of bocce, horseshoes and just talking occupied our afternoon. At 1800 hours Ed Schecker, Fleet Chanteyman, treated us to a stirring rendition of Coleridges "Rhyme of the Ancient Mariner". What a marvelous conclusion to a wonderful day.

THURSDAY, JULY 19 Cruise II headed for Watch Hill while Cruise I up-anchored for a good sail to Hemlock Cove, a swim in the ocean and, of course, a Happy Hour on *Rhapsody*.

FRIDAY, JULY 20 Most Watch Hill yachts elected to remain at Watch Hill for the weekend, a few sailing across to Great River for the scheduled end-of-cruise cocktail party including dink sailing, swimming and a Grand Canal tour. Hemlock Cove vessels opted for a lay day, walked the beach, swam and lounged. A perfect ending. Seven days of fair weather, favorable winds and good company. We logged 83 miles, 80 of them under sail!

TWO WEEK CRUISE 1990 — From the logs of *Flying Cloud* and *Fare Thee Well*

FRIDAY, AUGUST 3 Departed Robert Moses Boat Basin at 1935 arrived Fire Island Inlet Fairway Bouy at 2053 and set a course for Moriches Inlet Bouy. Full moon, good visibility, but no wind. Motor sailed all night, no waves. Sunrise at 0550 - beautiful day again. At 1030 off Montauk Lighthouse arriving at Great Salt Pond, Block Island at 1320 - total time from Boat Basin 21-1/2 hours.

SATURDAY, SUNDAY AND MONDAY, AUGUST 4-6 Lay days at Block Island where all yachts eventually joined some coming by way of the ocean, intercoastal through Shinnecock Inlet and a few via Long Island Sound. At 7:10 P.M. on Sunday the group went to Ballards for dinner and everyone got acquainted.

TUESDAY, AUGUST 7 Lifted anchor at 0855 and eight boats sailed for Fischers Island via Watch Hill Channel, arriving approximately 1330. Outside Block Island we encountered heavy swells for the first time, but later the sea calmed down. Unfortunately the wind did too. Anchored in beautiful West Harbor, we all boarded *Flying Cloud* for great food, drinks and superb company.

THE CRUISING YEAR IN REVIEW (Cont'd.)

WEDNESDAY, AUGUST 8 Due to heavy fog left for the short run to Mystic Conn. at 1030. Later the fleet pulled into the Fort Rachel Marina - a beautiful place and most accommodating - like a jewel in the sea. All enjoyed the Seaport Museum.

THURSDAY, AUGUST 9 Arrived at Stonington, Conn. and picked up a mooring from Stonington Marina and went to town for some sightseeing and shopping.

FRIDAY, AUGUST 10 Sailed through banks of fog, bound for Greenport. The sailing was great and the currents favorable. All enjoyed a much deserved rest at Greenport. On Saturday some vessels on moorings in Dering Harbor.

SUNDAY, AUGUST 12 We anchored in about 12 feet of water in the northeast corner of Coecles Harbor, Shelter Island. One of the joys of cruising is dropping anchor in a lovely, quiet, uncrowded place and just hanging out. This was it.

MONDAY, AUGUST 13 With only 7 miles to go we really took it easy - raised anchor at 1015 and reached Sag Harbor at noon. We soon were enjoying our reservations at the Yacht Club with all the comforts of home.

TUESDAY, AUGUST 14 Mains were hoisted and jibs unfurled as we beat to windward to our next stop, the home of Bob and Daisy Garben in Jockey Creek, Southold. Here we rendezvoused and the boats of the Three Week Cruise for a sumptuous backyard cookout, in the Garben's beautiful yard overlooking The Creek. It was fun to be with all the other cruisers who had their yarns to swap.

WEDNESDAY-SUNDAY, AUGUST 15-19 Decided to go home via 3 Mile Harbor where we found a good anchorage and visited a bird sanctuary. At Montauk we stayed at Montauk Yacht Club but that service is not their forte. Next time we will just anchor outside. At Shinnecock Inlet we timed it just right and going thru the Inlet was easy. Sea was calm and nobody had any problems. It was early and we pushed on thru the Intercoastal all the way to Smith's Point, arriving at 1830. Next day we sailed up the Bellport Channel and as usual, when coming back from a cruise we had a great sail in the Bay. At 1830 after overcoming some engine problems and a 40 knot squall, we tied up at our dock, too tired to unload the boat but not too tired for one last happy hour.

THREE WEEK CRUISE 1990 — From the logs of *Kerlann* and *Nephele*

FRIDAY, JULY 29 through SUNDAY, AUGUST 19 All boats started out voyage via Intercoastal to Tiana Bay and out Shinnecock Inlet. A few vessels encountered a little rain while passing Patchogue but, as it turned out, this was to be the only rain we would see for the next 3 weeks. Finally left Block Island on Wednesday, August 1 for Cutty Hunk and had a great sail all the way. On the way *Barba*, a 20 footer, was hit by an 80 foot sailboat. The Captain and crew were sleeping and the watch went below. The bigger boat approached from the starboard rear quarter. Guess who had the most damage. The 80 footer, of course. Next day a beautiful sail to Edgartown and then a lay day dinking into Katema Bay for a warm clean swim. Crews from eight boats met at the Sheraton Inn in Edgartown for a really delicious meal - everyone raved about it. On Saturday, August 4 we left for Nantucket, motor sailing all the way. Passed Walter Cronkite on the way, said Hi! Next day used our fold-up bikes for a tour of Nantucket Island and wound up at the Harbor House - another great meal! On Monday, left for Osterville for a hot downwind sail. After a foggy lay day in Osterville we proceeded through Woods Hole Channel to Hadley Harbor, Elizabeth Islands for an evening at anchor playing Pictionary. On Thursday, August 9 had a motor sail to Newport where we picked up a town mooring just off Ida Lewis. BBIII was stopped by the Coast Guard in Newport Harbor and not allowed to proceed for not having a light while operating his dink in the dark. At this point some yachts headed home, others stayed and they

THE CRUISING YEAR IN REVIEW (Cont'd.)

eventually arrived in Southold for the Garben's Backyard Barbeque, and rendezvous with the Two Week Cruisers. See Two Week Cruise log for further adventure on the trip back to Great South Bay.

The fun, sociality and relaxation of parties, however, were only a part of this cruising together experience. The radio provided lots of reassurance and entertainment - from Alex's hysterical "What do we do after a collision?" call to "She's lost her charisma" from an unknown voice responding to Barbara's attempt to raise the Parkers.

The full impact of the cruise hit us as we continued on alone to Greenport and down L.I. Sound through N.Y. Harbor to Fire Island Inlet. For the first time we felt lonely.

GREAT RIVER WEEK — From the log of *Jubilaton*

During and after an exhilarating Murder Mystery Rendezvous on Saturday night SBCC yachts kept arriving at Great River anchorage until by Sunday morning when *Mis-Jeff* and *Summer Whim* served a bottle of champagne to each, there were more than 70 yachts in attendance.

Father Langley had a service at 0900 on the Lawn of the Snapper Inn which was well attended and beautifully presented.

Chanteyman Ed Schecker cheered everyone on with nautical songs during this traditional liquid breakfast. The afternoon activities were joyous and lively with several small parties held on various yachts. By nightfall the fleet had thinned to about 15 yachts as many who had other responsibilities up-anchored and sailed into the sunset still talking and singing. At 0900 on Monday *Aisling* served fresh doughnuts for a quiet breakfast and by late morning those remaining yachts were enjoying a refreshing sail to Watch Hill Marina and a quiet evening along side. Tuesday afternoon under a blue, sunny sky, *Jubilaton* organized family games on the beach. These included an egg toss where few remained unscathed, kiteflying, water relay and others. It was a delightful, relaxed, fun time for the children and adults. Most vessels returned to Great River on Wednesday, some on Thursday. Thursday evening at the Snapper Inn main dining room.

Many S.B.C.C. members enjoyed a delicious sit-down dinner in honor of our Commodore. Although only a few could attend the Grand Canal Dinghy Tour on Friday, it wound its way through the narrow Vanderbilt Canal with considerable enthusiasm and enjoyed a mini-rendezvous at the canal-side home of Ron and Ann Sanalistro. The ladies luncheon on Friday also had thin attendance but, never-the-less was enjoyable for those who could make it.

Good weather was ever-present during this Great River Week including the Blast on Saturday. The Hospitality Committee did a magnificent job. Hundreds of S.B.C.C. members were fed delicious steak, lobster and fixings in a quick and efficient manner.

A great party to end a great week.

RACING YEAR IN REVIEW

HIGHLIGHTS OF THE 1990 RACING SEASON

By Barry Pittman

The 1990 season officially kicked off with the Creepstakes on Memorial Day. The winds were light to medium, the day beautiful, and a nearly record turnout (for recent years) of 25 boats in the two divisions. Barry Pittman in *Drumshambo* won the big boat division and Doug Davies the under 28' division.

In late June, Bill Grauer took his usual retinue to Block Island Race Week in the chartered J-35 "Ailantus" and all reported having a great time competing against a fleet of outstanding regionally and nationally ranked sailors. July is always a big month. In mid-July annual race week at Great River produced some of the most interesting and competitive racing of the season with winds running the gamut from light to heavy. This year the bulk of the fleet raced in the spinnaker division which resulted in a lot of garden variety sail handling snafus. The highlight of the week was the second race, sailed in heavy winds, in which Jim Reichel on *Silver Bullet* lead the fleet (sheep like) on a seven mile beat to windward on the first leg, only to discover that the first mark was really a close reach of only 1.5 miles. Once the error was discovered (at various times by each crew), the chaotic mad dash to the "mark" was comical. A lot of skipper's egos, including mine, were badly bruised until we reached the bar at Snapper Inn. At week's end, Bill Cook on the *Merry Ann* won the Spinnaker division and Howard Hamstra's *Slim* won the non-spinnaker division.

The Around Long Island Regatta in late July was again well attended by boats from the SBCC. Alan James in *Outlaw*, Doug Davies in *Amethyst*, and Brendon Brownyard in *Barleycorn* finished second in their respective divisions. Bob VanTassel in *Quest*, Jim Reichel on *Silver Bullet*, Mike Goodman and Bill Grauer on *Bionator*, and Barry Pittman in *Drumshambo* finished third, fourth, fifth and sixth respectively in their divisions. In addition to the skippers, almost all of the other racers in the club participate in this race as crew on one of our boats. This year our Commodore sailed with Barry Pittman. This event is well attended by the SBCC every year and the results show it. The "main event" this year featured a 110 mile beat to windward in variable conditions that resulted in seasickness on many of the boats in the fleet!

The Western Twilight Fall Wednesday night series produced one of the most interesting races of the season when the fleet was hit by a squall on the last leg packing 40 knot winds and reducing visibility to zero. Crazyman Jim Ryan on *What Me Worry* actually dropped all sails for a few minutes.

By mid-October, the Class Championships had been won and lost. Howard Hamstra's *Slim* dominated the non-spinnaker class winning three of the seven races and finishing second, third or fourth in the remaining four races. The spinnaker division was once again hotly contested until the very end by Doug Davies, Frank Marinaccio, and Jim Ryan. In the end, Doug Davies in *Amethyst* edged Frank in *Cherry Pl* by 3/4 of a point. The competition in the fleet has become fierce (but amicable). The season ended with our fun races - Turkey Day and New Year's Day - both were well attended with New Years seeing 18 club boats on a clear but brisk day. The camaraderie was ever-present and spilled over both on the race course and at Pier 44 after the race. All in all, it was a hell-of-a-season.

It has been an honor and a privilege to be afforded the opportunity to produce the Club Yearbook last year and this, our 40th year. It could not have been done without the tireless efforts of Robin, Ginny LaTorre, Norm Robertson and Bob and Linda Malinka. Thank you very much to all.

There have been a few changes in this year's book. First of all, because of price constraints, we have gone back to the old two color cover format. The names and addresses of members, listings of boats by sail number and listing of boats alphabetically have all been put on Norm Robertson's computer and these pages have been printed from his computer printouts. Also, because of budget constraints we have gone back to the black and white printing of the code flags.

On the following page you will find Gene Reardon's (our club historian) account of what the club looked like 40 years ago. It is interesting to note the changes.

Finally, as is traditional on this page, I am saddened to report to you the passing of two members of our club:

George Sullivan
and
Larry Tokar

Their lives brightened us all and their passing saddened us all.

FORTY YEARS AGO

On June 11, 1951, fifteen owners of auxiliaries on Great South Bay gathered at the Babylon Yacht Club. Their purpose was to create an organization that would allow "cruising auxiliary sailing vessels (to) participate in events mutually beneficial to all concerned in the way of races and rendezvous." With Frederick F. (Ted) Zimmerman* serving as commodore pro tem, the following were approved as the initial officers of the Club:

Commodore: William Carl*

Vice Commodore: Reginald Beach

Rear Commodore: James A. Swan (Comm: '52-'53)

Secretary: Herbert E. Horn*

Treasurer: Jack Held

Regatta Organizing Chairman: Hervey G. Smith

Publicity Co-Chairmen: Grover Silliman, Jr. and Eugene Connett

Other owners participating in the original meeting were: G. Gorton Baldwin, Frederic A. Becker, William Cain, John Spear Jr., Fred Schnur, Richard Thall, Jack Travis, Fred Wigglesworth and John F. Young* (Comm: '54-'55).

At that meeting, the dues and voting structure were established and Hervey Smith's design for a burgee was approved. The first race was scheduled, the West Island Race, with the course and choice of direction the same as it is today.

At the second meeting, the following joined: Freeman Bloodgood, F. Richard Blue, Macklin Boettger, Fred Braddon, Howard Ellis, Dr. W. Gustav Hansen, Dr. David L. MacDonell, John J. McInerney*, Nathaniel Norton, Henry A. V. Post* (Comm: '56-'57), Doug Westin and Ferdinand Wyckoff.

The first West Island Race was held on August 5th with two classes, catboats and everything else. Only sails used for windward work were allowed and outboard-powered boats, which were allowed in the Club, were not eligible for prizes. Barging was prohibited by the Race Committee. Thirty-four yachts raced, with Fred Becker winning the catboat class with Jack Croft's *NAIAD*. Gorton Baldwin Sr. took the "other" class with his post-war S&S sloop *CHANTEY*.

That first season also saw the first invitation race, by the Sayville Yacht Club, the first race for cruising boats in the GSBYRA Race Week, and the first race to Bellport for Labor Day weekend. By the end of the season, a constitution had been drawn up under Fred Schnur, Doc Hansen appointed Fleet Surgeon, Hervey Smith Fleet Captain, Jack Young Regatta Chairman, Jamie Swan Social Committee Chairman, and Henry Post Cruising Chairman. The Club had also decided to join the NAYRU (now USYRU) and race under its rules.

FLAGS AND SHAPES

Flag Etiquette

The correct display of flags, signals, and ensigns is one of the more obvious marks of a yachtsman. This code is steeped in the tradition of the sea and promotes uniformity in communication and identification between yachts. The following flag etiquette covers the signals that are used daily on small or medium sized sailing yachts.

THE ENSIGN

The ensign is displayed between morning and evening colors (0800 and sunset) only:

1. At anchor or under power: at the stern staff.
2. Under sail: at the stern staff if not racing and if the boom does not overhang; or at the after-peak of a gaff-rigged sail; or $\frac{2}{3}$ of the way up the leach of a after-most genoa-rigged sail.

THE BURGEE

The club burgee is displayed whenever the ensign is displayed, but may also be displayed separately, between morning and evening colors, or by day and night, while at anchor or under way on:

1. The masthead of single-masted yachts.
2. The forward masthead of 2-masted yachts.

AT ANCHOR OR UNDER WAY

FLAG ETIQUETTE (Cont.)

THE PRIVATE SIGNAL

The owner's private signal may be displayed by day and night on:

1. The masthead of single-masted yachts in place of the burgee.
2. At the after masthead of two masted yachts, at anchor or underway.

FLAG OFFICER' FLAGS

A flag officer shall display his flag both day and night in place of his private signal.

RACE COMMITTEE FLAG

The race committee flag shall be displayed at the main truck, in place of the flag otherwise there displayed, only while acting as the committee boat.

SIGNAL FLAGS

The starboard main spreader is to be used only for signal flags and specific flags, such as owner absent flag and guest flag.

DRESSING SHIP

When dressing ship on commissioning day, Independence Day, and on other special occasions, the following order of international code flags is recommended (starting from forward): AB2, UJ1, KE3, GH6, IV5, FL4, DM7, PO 3rd repeater, RN 1st repeater, STzero, CX9, WO8, ZY 2nd repeater. Ensigns, burgee, private signals etc. should not be included.

REQUIRED SHAPE DISPLAYS (Daylight)

1. When anchored in an area other than a designated anchorage, sailing vessels must display a single, black spherical shape. For lesser craft (those under 20 meters) the size of the shape should be "commensurate with their length."
2. When under sail and power (motorsailing), vessels are required to fly a black cone with the apex down.

CRUISE SONG (Tune: Whiffenpoof Song)

*From the sandbars at Moriches
To the Shoals of Tuckernuck
We have pressed our painted
 bottoms and our luck.
We've assembled at Great River
With our burgees raised on high
and our anchors settled safely
 in the muck.*

*Yes we've been to many places
With names we love so well,
Shelter Island, Martha's Vineyard
and Cape Cod.*

*We will sing about our cruise
And drink each other's booze
And we'll dream about the good times
we have had.*

*We're sailing folks who have found our thing
Blow, winds, blow.
We like to laugh and we like to sing
Blow, winds, blow.*

*We like the seas when the breeze is right
We like the glow of a harbor light,
Blue skies by day and the stars at night,
Blow, winds, blow
Blow, winds blow.*
