COMMODORE'S MESSAGE 1992

Hi folks!

Welcome to 1992 and the forty-first year of the South Bay Cruising Club! Within these yearbook pages you'll find quite a list of activities from which to choose - racing or rendezvous, cocktail party or cruising - whatever suits you best. Whether you'd like to raise your pulse rate in a race, or lower it on a rendezvous, it's *your* choice from May to October. Kind of a nice thought, isn't it? Just when you're getting fed up with the news these days, you can toss away the newspapers and pick up your Yearbook instead. Leave all of today's hassles on the dock, and come on out for a sail with your friends from the SBCC - it'll do you a world of good!

That's as simple and as straightforward a message as I can bring to you - and it's backed by every one of those volunteers whose names grace these pages. They're the ones who make this club go, and they'll be happiest when you partake of all the events they've worked so hard to bring you. So what are you waiting for?

Good Sailing!

Mike Smith

SOUTH BAY CRUISING CLUB

FLEET CAPTAIN'S MESSAGE **Cruising 1992**

Whether it be the unfulfilled dreams of exploring the South Pacific and Carribean, or merely the desire to seek a little adventure while temporarily escaping the pressures of contemporary civilization, most of us find a great sense of satisfaction and enjoyment from the hours and days we spend cruising.

Many a SBCC family has timidly tested the cruising life on Great South Bay, and within a few years has graduated to coastal cruising from Maine to Florida and beyond. As your Fleet Captain I strongly encourage every member to upgrade your skills and experience and enjoy the unique pleasures of the cruising fraternity to the fullest.

The cruise/rendezvous committee has scheduled four cruises this summer in addition to the usual weekly rendezvous, to meet the desires of as many members as possible. Three of the cruises will start with a sail to New York Harbor for the July 4th OPSAIL Celebration commemorating the quinticentennial of Columbus's discovery of America. This will undoubtedly be an unforgettable experience for everyone who attends.

Make your plans now to join your fellow cruisers for a summer of great fun, unparalleled comradery and fond memories!

Bob Holzmacher, Fleet Captain

REGATTA CAPTAIN'S MESSAGE **Racing 1992**

This year's racing season promises to be another great one. In addition to our usual schedule of races we are taking a step back to the past and reviving some of our "old" races. With so many races from Sayville to Babylon there is no reason not to get out there and have fun!

Greg Schneller
Regatta Captain

AWARDS:

Cruising Award — This award is given for participation in any of the Club's organized cruises. To qualify, a yacht must anchor or tie-up with the fleet for at least 50% of the time designated for a cruise by the Fleet Captain. The Cruise Captain will submit a list of yachts eligible, based on Cruise attendance records.

Great River Week Award is given for attending Great River Week. A yacht must be present in Great River or designated harbor at least 5 days to earn this award.

The Rendezvous Awards are made, at the Fleet Captain's discretion, to boats that attend a minimum number of rendezvous.

Green Water Award for a cruise of greater distance and duration than the official cruises.

Blue Water Award is made only as recognition for an extended cruise off soundings. A select committee, along with the Fleet Captain, will review candidates and make this award only when they deem the cruise to be an outstanding achievement.

Blue Water Awards:

- 1952 — Jack Young (Doc Hamlin special award)
- 1953 — R.W. Bennett
- 1964 — Art Flynn
- 1965 — Stuart Baldwin (Ed Macy special award)
- 1966 — Ed Macy
- 1967 — Ed Forsyth
- 1968 — Jack Young (Don Streit & Ed Ricketts special awards)
- 1969 — Chet Phipps
- 1972 — Arthur Sternberg, M.D.

- 1979 — Bob Wissman
- 1980 — Edgar Sabbeth
- 1987 — Russ Colombo
- 1990 — Bob Forman
- 1991 — Rich Czach

Green Water Awards:

- 1987 — Harry Wilburger
- 1989 — Roger Goodwin

THE SBCC RENDEZVOUS

All hands are invited — members and their children, their guests and their pets. You don't have to participate in a club race to join the rendezvous raft-up that usually follows. Notifying anyone in advance is not necessary, nor must you arrive at any particular time. Each rendezvous has a designated "Rendezvous Captain" who has been appointed by the Fleet Captain to act as host boat and will be known by the very large Club Burgee. Check in to get credit for attendance and to be included in any special entertainment that may be planned.

RAFT-UP PROCEDURE

It has always been a tradition that no invitation is necessary to join a raft-up at any SBCC rendezvous. All you have to do is ask politely "May I come along side?"

Generally speaking, you should expect to put down your own anchor when rafting, so that boats on either side of you can withdraw with a minimum of fuss. When you wish to cross somebody's deck to reach another boat, it's polite to ask permission and to cross via the foredeck, if possible. If you are joining a group aboard another boat, it's customary in the SBCC to bring your own drinks and to contribute to the snacks.

Do any boats remain rafted all night? Sure, but as a rule, only close friends and long time cruisemates. Usually it is better, if in doubt, to withdraw quietly and go anchor nearby.

CRUISES

Early in the Spring, the Fleet Captain and the Cruise Committee scout among the membership for opinions and work out tentative cruise itineraries. A shorter "Close-in" cruise is often suggested, such as Peconic Bay-Shelter Island area, as well as a more extensive cruise to New England or Chesapeake Bay. Lately, a local around-the-Bay Cruise has been scheduled.

The Fleet Captain appoints Cruise Captains — usually skippers who have had experience in going to the ports outlined — to work out a rough-draft itinerary which is published in the Masthead and then presented to the membership at the March Meeting. Debate ensues, adjustments are made based on an attained consensus. All is duly noted by the Cruise Captains, who prepare a final, more detailed itinerary. Additional meetings are held to review the itinerary and share concerns.

During the Cruise, the itinerary may be adjusted to suit weather conditions or the whims of sailors and their families. Sometimes an anchorage is just too delightful to leave. Cruise Captains usually try to get the entire fleet together at least once or twice during the cruise.

SBCC RACING PROGRAM AND INSTRUCTIONS

—Skippers electing to race in the Spinnaker class may use their full sail complement, and any sail combination consistent with USYRU racing rules or special race instructions.

—It is the intent of the Non-Spinnaker class to restrict sail inventory use to only those sails that can be correctly flown on all points of sail. In the Non-Spinnaker class, only one headsail (either a jib or genoa of a minimum of 3 ounce cloth) may be flown in the foretriangle at any one time. Yachts handicapped as having permanent double head rigs will be permitted to fly their staysail when racing Non-Spinnaker.

—The Cruising class, a modified Non-Spinnaker class, will be restricted by the rules of Non-Spinnaker and be open to the skippers who believe their boats are in the "cruising state."

—Members may change classes as often as they desire, as long as it is done before the first warning signal.

G. RACING NUMBERS

Racing numbers, either USYRU or SBCC, are required on mainsails, spinnakers and overlapping (LP greater than 130% J) headsails, in accordance with current USYRU rules.

H. MEMBERSHIP RESTRICTION

No boat shall race in a SBCC sponsored event unless commanded by a SBCC member or associate member. Invitationals sponsored by other organizations are exempted.

II. RACING RULES

Racing rules of the United States Yacht Racing Union (USYRU) shall be observed except as otherwise specified in these instructions. Burgees and other flags may be flown when racing. Government navigation buoys not stated as being marks of the course may be disregarded at the discretion of the skipper.

The Inland Rules will replace Part IV of the Racing Rules between the hours of sunset and sunrise. All required lights must be shown.

The 720 rule, Appendix 3.1 of the USYRU racing rules, shall apply to all SBCC races.

III. RACE PROGRAM

A. RACE SCHEDULE

SBCC sponsors numerous races and participates in various invitationals as set forth in the 1992 RACE SCHEDULE.

B. COURSES

Courses used for SBCC races and some invitationals are set forth on the pages following these instructions. They are grouped by starting area as follows:

Babylon
Bay Shore

Nicoll Bay
Ocean

Watch Hill

For each of these areas, a variety of courses is described below, each bearing a distinguished letter. The choice of course available to the Race Committee on any

SBCC RACING PROGRAM AND INSTRUCTIONS

given day is shown in the Race Schedule. The Course selected will be signaled from the Committee Boat by the appropriate letter code flag. (Letters A through H may be used).

Any course can be reversed by code Flag "R" or shortened by code flag "S" as described in Part VI B.

C. SERIES RACES

Babylon Yacht Club July Invitational Series

This is a three-race series with no throw-out. The courses, starting sequence, and other race instructions will be provided by the Babylon Yacht Club and handed out by the committee boat on station prior to the first race.

Great River Week

This is a four-race series. It will be scored on the basis of a yacht's best three races. Racers traditionally join the Great River Week raft up after each race. To be scored for the fourth race of the series (Race Week Wind-up), a yacht must have participated (started or served as committee boat) in at least two of the other races comprising the series. However, all yachts participating in the Race Week Wind-Up will be scored for the Saturday day race. A special Cruising class will be added for all four races.

GSBYRA Race Week

This is a four race series and a race fee is required.

Sayville Yacht Club Invitational Series

This is a two race series sailed over two days. See SYC START SEQ. for more information or the SYC Race Committee.

SBCC Class Championship Series

This is an over-all season series based on the scoring of selected races. See Part IV B.

Tune-up Series

This is a two-race series with no throw-outs. To emphasize tuning, no trophies will be awarded.

Western & Babylon Twilight Series

These are a three race series. They will be scored on the basis of a yacht's best two races, except committee boat as noted in Part IV D. These series will alternate between regular start and non-spinnaker. The final Wrap-up series will be non-spinnaker. Races the week of July 4th were switched to Tuesday and Wednesday nights respectively.

D. SPECIAL RACES

BYC/SBCC Challenge: Babylon Yacht Club has challenged the SBCC. Each club will participate with an equal number of boats. This is a VOLUNTEERS ONLY race. We will use a lottery system from the volunteers to determine the six participants from our club.

Ladies' Race — A Non-Spinnaker race. Skipper must be a lady. The Patricia A. Kelly Trophy will be awarded to the yacht with best corrected time with an all girl crew. Yachts eligible for this trophy must compete in the ALL GIRL category.

SBCC RACING PROGRAM AND INSTRUCTIONS

Race Week Wind-Up — This is a separate day race and also serves as the last race in the Great River Week series. This race will be double scored, once for those yachts having participated in at least two of the prior Great River Week series races, and scored again using all of the participating yachts to arrive at the standings for the Race Week Wind-Up and Class Championship points.

Single-Handed Creepstakes — Only skipper is allowed on boat during race. Two classes: 28 feet LOA and over; and under 28 feet LOA. Non-Spinnaker only.

West Island Race — Nicoll Bay course B may be sailed in either direction. Expanded start.

Watch Hill Family Race — A Non-Spinnaker race leaving from Watch Hill Sunday morning. Crews must sleep aboard their yacht Saturday night at Watch Hill.

IV. RACE SCORING AND TROPHIES

A. SCORING METHOD

SBCC races will be scored using the Time on Distance Method. A yacht's time allowance is calculated by multiplying her SBCC handicap by the race course distance. The time allowance is then subtracted from the yacht's elapsed time, yielding corrected time. The yacht with the lowest corrected time is the winner.*

Race results are available to each participating skipper shortly after each race and official results are printed periodically in the "Masthead."

B. CLASS CHAMPIONSHIP SERIES SCORING

Class Championships and trophies will be awarded annually for Spinnaker, Non-Spinnaker, and Cruising Class, to the yachts with the best scores, as determined below, in each class. Scoring will be based on the best six of eight races designated with note 7 in the Race Schedule. Only yachts finishing at least five of these races will be eligible for trophies. Points for these races are computed on the following basis: 1st place yacht receives points equal to the number of starters in the race plus $\frac{1}{4}$ point; 2nd place yacht receives $1\frac{1}{4}$ points less than the 1st place yacht; the 3rd place yacht receives $2\frac{1}{4}$ points less than the 1st place yacht, etc. A yacht that serves as committee boat for one race of any series will receive credit towards series qualifications for that race and points equal to its average percentage points of its other races.

In the event of a tie in the total number of points scored for the championship series at the end of the season, the boats involved in that tie will have a sail-off to decide class champion. The time, location and date of this sail-off will be decided by the Regatta chairman and all skippers will be notified.

C. OTHER SERIES SCORING

Points for each race will be awarded on the basis of $\frac{3}{4}$ -point for first, two points for second, three points for third, etc. DNF and WDR boats will receive one point more than the number of boats in that class that started in the series. DNS and DSQ boats will receive two points more than the number of boats in that class that started in the series.

A starter in any one race of the series will be considered to have started in all the races of the series. Series position will be determined by the total points accumulated by each yacht, in inverse order. When there is a tie on points between two or more yachts, the tie shall be broken in favor of the yacht or yachts with the most first places, and when the tie remains, the most second places and so on, if necessary, for such races as count for total points. If a tie still remains, it will be broken in favor of the boat which beat the other the last time they raced against each other, throwouts included.

* In determining the winner of the Perpetual Trophies (Part IV F), the Race Scorer may apply an 18 second per mile adjustment between the winner of the spinnaker class and non-spinnaker class if it is determined that the spinnaker class carried the spinnaker to advantage for one third of the race.

SBCC RACING PROGRAM AND INSTRUCTION

D. SERIES SCORING FOR COMMITTEE BOATS

A yacht that serves as committee boat for one race of any series will receive credit towards series qualification for that race and points equal to the average of its finish positions in the other races of the series, DNS and DNF races included. This does not apply to the Class Championships.

E. RACE TROPHIES

Trophies for individual SBCC races (when not part of a series) will be awarded to each class, according to the following schedule:

Number of Starters	Trophies for
2 or 3	1st
4 through 6	1st and 2nd
7 through 14	1st, 2nd and 3rd
15 or more	1st, 2nd, 3rd and 4th

In SBCC series, the greatest number of starters in any race will govern the number of trophies awarded for that series. Only first place trophies will be awarded for the Class Championship Series.

F. PERPETUAL TROPHIES

Perpetual trophies are awarded for one year only. They are awarded to the yacht with the best corrected time based on the SBCC Handicap rule.

Each year the club awards seven perpetual trophies, as follows:

Commodore's Cup — Best corrected time in the Commodore's Cup race.

Foulke Trophy — Best corrected time in the Foulke Trophy race (night race).

Smith Trophy — Best corrected time in the Smith Trophy race.

Deale Trophy — Best corrected time in the West Island race.

Governor's Cup — Best total score for the Commodore's Cup, West Island and Foulke Trophy races. High Point Scoring System.

Patricia A. Kelly Trophy — Best corrected time in the Ladies' Race by a yacht with an all-girl crew. Additional trophies will be awarded to yachts with all-girl crews in accordance with the trophy schedules.

Cruising Club Crock — Best corrected time in the Around Long Island Regatta scored with SBCC Handicaps

Keeper cups are given to winners of these trophies and their names are engraved on the perpetual trophy. It is the responsibility of the winner of the perpetual trophy to return it by November 1 to the Trophy Chairman for engraving of the following year's winner.

V. COMMITTEE BOAT ASSIGNMENTS

A. SERVING AS COMMITTEE

The SBCC depends upon the cooperation of all members. Being the Committee Boat for a race is an important responsibility. It is a job not to be taken lightly for it is the heart of a successful racing program. Reliable, timely and accurate performance is essential.

Race Chairmen are assigned by the Regatta Committee, and listed in the Race Schedule. *These assignments are obligatory.*

SBCC RACING PROGRAM AND INSTRUCTIONS

B. CHANGES

A Race Chairman may switch assignments with another Race Chairman provided that the Regatta Chairman is notified at least 24 hours before the race. Arranging such changes is the sole responsibility of the assigned skipper and does not relieve him or her of responsibility.

C. PENALTIES

Any Race Chairman who willfully fails to do his or her assignment shall not be scored in any SBCC race for a period of one year from the date of his or her scheduled committee boat assignment. As an alternative penalty, a Race Chairman who failed to do his or her race assignment for the first time in the racing season will be scored in SBCC races after payment of a \$100.00 fine which shall go to the SBCC General Fund.

VI. STARTING LINE PROCEDURES AND RULES

A. CLASS STREAMERS

Racing yachts are required to fly streamers from their standing backstays or the leach of their mainsail. Streamers should measure 4"x18".

Creepstakes		Ladies Race	
Class	Color	Class	Color
LOA 28 ft and over	Blue	Mixed Crew	Blue
LOA under 28 ft	Yellow	All Girl	Yellow
All Other Races			
Class	Color		
Spinnaker	Blue		
No-Spin	Yellow		
Cruising	White		

Failure to display the appropriate streamer may be considered grounds for disqualification.

There is no race of a given class unless two or more qualified yachts start.

B. CODE SIGNALS

Code flags A through K are used to designate courses (see course instructions). Code flags below apply to all SBCC-conducted races:

- L** — Come within hailing distance for instructions.
- M** — ROUND or pass the object displaying this signal instead of the mark it replaces.
- N** — ABANDONMENT, race called off (accompanied by three guns).
- R** — Sail the designated course in the REVERSE direction, Leave all marks to the opposite hand.
- S** — Sail the SHORT course prescribed in the course instructions. When flown after the start (accompanied by two guns), finish between the committee boat and the near-by mark of the course.
- T** — Sail the designated course TWICE around. The "X" mark is a mark of the course the second time around and is left on the same side as the next mark of the course.

Answering Pennant — POSTPONEMENT signal (accompanied by two guns). Starts postponed fifteen minutes. Warning signal will be made 1 minute after Answering Pennant is lowered.

1st Repeater — GENERAL RECALL signal

SBCC RACING PROGRAM AND INSTRUCTIONS

C. STARTING

Signals will be made at five minute intervals with each signal lowered one minute before the hoisting of the next. The visual signal governs; the gun merely calls attention to it. A red signal will be visible until one minute before the warning signal.

D. STARTING SEQUENCE

Abbreviations:

warn - warning signal
 prep - preparatory signal
 S/ - start signal

Sp - Spinnaker Class
 NS - Non-spinnaker Class
 CRU - Cruising Class

Time	Shape	Regular	No-Spin	SYC	Expanded
:00	White	Warn	Warn	Warn	Warn
:05	Blue	Prep	Prep	Prep	Prep
:10	Red	S/Sp	S/NS	S/Sp	S/Sp
:15	White	Prep		Prep	Prep
:20	Blue	S/NS		S/NS	S/NS
:25	Red			Prep	Prep
:30	White			S/Cat	S/Cru

Time	Shape	Creepstakes	Ladies
:00	White	Warn	Warn
:05	Blue	Prep	Prep
:10	Red	S/28 + LOA	S/Mixed
:15	White	Prep	Prep
:20	Blue	S/Under 30LOA	S/All Girl

When, after a starting signal, all the yachts of the class or classes involved have properly started, the Race Committee will, if practicable, announce "all clear."

E. ANTI-BARGING MARK

The committee boat may use an "anti-barging mark." If this mark is used racers shall not pass through the line formed by the anti-barging mark and the committee boat at any time — even while "starting." The penalty for infringing on this restricted line (at any time) or for touching (while starting) the anti-barging mark, is disqualification. The anti-barging mark does not change the starting line. The starting line is determined by the "X" mark (or buoy) and the white line marker on the committee boat.

F. STARTING LINE ETIQUETTE

Racing skippers are reminded to stay clear of the starting line until the Preparatory Signal for their class. *Classes not starting are to remain clear of all yachts in the division before them.* Failure to do so may result in disqualification.

The Preparatory Signal for each class is given five minutes prior to the starting signal. Yachts starting with the wrong class may be disqualified.

Skipper electing to change class after arriving in the starting area (but before the warning signal) must notify the race committee of that change.

SBCC RACING PROGRAM AND INSTRUCTIONS

G. RECALLS

The Race Committee will attempt to sound one blast of a horn or whistle and announce the sail number of each yacht starting prematurely. Near by yachts are requested to pass the hail. The onus of making a fair start lies on each yacht, and failure to hear or heed a recall will not prevent the premature starter from being penalized. Responsibility for determining compliance with the rules rests with the Race Committee. Yachts making an improper start will be penalized by having one-half hour added to their elapsed time, whether or not they have been notified.

General Recall: If there should be a number of unidentified premature starters, or if an error is made in the starting procedure such as significant inaccuracy in the interval between signals, the Race Committee will make the General Recall signal. The General Recall signal is the First Repeater code flag accompanied by two guns. The starting sequence begins with the recalled classes Preparatory signal.

H. VHF COMMUNICATIONS

VHF radio communications may be maintained during a race utilizing channel 72 for communication. Radio communications may be utilized to relay information on unusual situations during races such as postponements, recalls, withdrawals, etc. However, Race Committees are not required to use radio. Racers should **not** communicate with the Race Committee from the time of the Warning gun to the time of the last class start.

VII. TIME LIMIT

Regardless of time of start, the time limit for a boat in the first class to finish will expire at 1800 except as stated in the notes to the Racing Schedule.

Time limit for all classes starting after the first class will be extended so as to allow all classes to have the same amount of racing time. If any yacht finishes within the time limit for her class, it is a race for her class. Yachts finishing after the committee boat has left its station should take their time and report it to the Race Committee as soon as possible.

VIII. PROTESTS

The SBCC Protest Committee operates under the Racing Rules of the USYRU, supplemented by published decisions of the USYRU Appeals Committee. In addition, it shall hear all protests arising from violation of the Inland Rules which replace Part IV of the USYRU rules between sunset and sunrise.

The Protest Committee will only entertain protests made in conformity to the USYRU rules including:

- Display of protest flag
- Notification of protested yacht
- Notification of Race Committee
- Submission of written protest within 72 hours
- Citation of rule or rules allegedly infringed

Protest must be addressed to the Chairman of the Protest Committee and hand-delivered or postmarked within 72 hours of the conclusion of the race in question.

Written protests for the Ocean Invitational must be submitted immediately after the race.

SBCC RACING PROGRAM AND INSTRUCTIONS

IX. SAFETY

The safety of a vessel and her crew is the sole and inescapable responsibility of the skipper, who must do his best to ensure that the yacht is fully found, thoroughly seaworthy, and manned by an experienced and physically-fit crew. He must be satisfied as to the soundness of hull, spars, rigging, sails and all gear. He must ensure that all safety equipment is properly maintained and stowed, and that the crewmembers know where it is kept and how it is to be used. He must have all safety equipment required by the U.S. Coast Guard and he should have the racing equipment suggested by the United States Yacht Racing Union (USYRU). The South Bay Cruising Club disclaims any liability for the seaworthy condition or operation of a yacht, the safety of its crew, or the absence of suitable safety equipment aboard a yacht, for which the owner has sole responsibility.

It is the exclusive responsibility of each skipper to decide whether or not to start, continue, or drop out of any event. The South Bay Cruising Club does not assume any liability for the decision of any participant. Because of the increased costs of all vessels and the tendency to litigate all accidents, whether liability exists or not, the Board of Governors of the South Bay Cruising Club recommend that all owners and skippers carry liability as well as hull insurance to protect all parties from the financial consequences of an accident.

OCEAN COURSES

Ocean Course A: Start between committee boat and Red Whistle Buoy No. "4FI" off Fire Island Inlet; to Black and White Gong Buoy No. "J1" off Jones Inlet and return, leaving No. "J1" to port. Course Distance; 26.5 nm.

Ocean Course B: Start between committee boat and Red Whistle Buoy No. "4FI", off Fire Island Inlet; to Nantucket Sea Lane White/Orange "NA" and return, leaving Buoy "NA" to port. Course distance: 22 nm.

Ocean Course C: Start between committee boat and Red Whistle Buoy No. "4FI" off Fire Island Inlet. Course description to be provided by the Regatta Committee prior to race. A numeral pennant (1-9) will be flown by the committee boat to denote particular "C" course. Course distance to be determined after placement of SBCC buoys.

Notes on Ocean Race:

1. Harbor start from Sore Thumb one hour prior to Warning Gun.
2. If adverse weather conditions necessitate cancellation of the Ocean Race the committee boat will signal abandonment at SoreThumb one hour prior to the Warning Gun.
3. If the Ocean Race is abandoned, there will be a "Bay Race" if wind and weather conditions permit.
4. If the committee boat is unable to remain on station at the finish line, finishing yachts shall pass No. "4FI" to port for course A or to starboard for Course B. Yachts shall record their own finish times when the buoy bears abeam of the stern of the yacht. Such finishing times shall be reported to the R/C. Observers may be stationed on the beach to verify finishing times.

Bay Race Course A: To Red and Black Quick Flasher off Saltaire; to Flashing Red No. 8, leaving it to starboard; to Flashing Green No. 15 off Point O'Woods, to Can No. 5 off Nicoll Point; to finish line between committee boat and Nun No. 2 in North Channel. Leave all marks except No. 8 to port. Course distance depending on start locale.

Bay Race Course B: To Red and Black Quick Flasher off Saltaire, leaving it to port; to Nun No. 10 off BayShore, leaving it to starboard; to Can No. 3 off Heckscher Park, leaving it to port, to finish line between committee boat and Flashing Green No. 11 off Brightwaters. Course distance depending on start locale.

WATCH HILL COURSES

Course A: Start in vicinity of North end of channel to Watch Hill; to Nun No. 2 in North Channel, leaving it to port; to finish at or near Nun 10 at the entrance to the West Channel. Distance: 10.1 nm.

Course B: Start in Vinity of North end of channel to Watch Hill; to Flashing Green No. 29 in Nicoll Bay leaving it to port; to Flashing Red No. 18 in East Channel leaving it to starboard; to the finish line in the vicinity of Can No. 5 off Nicoll Point. Course distance: 7.2 nm.

THE CRUISING YEAR IN REVIEW

ONE WEEK CRUISE 1991 — From the logs of *Second Editlon*, *Emerald Seas* and *First Light*.

SUNDAY, JULY 14 Winds were 18 knots from the Northwest. The Fleet had agreed to meet at Atlantique for the first stop-over of the Cruise. Those who arrived early greeted yachts as they arrived in ones and twos during the afternoon. At 1700 a Captains' Meeting was held to discuss the ocean trip tomorrow.

MONDAY, JULY 15 Another beautiful day on the Great South Bay with winds from the north at 12 knots, changing to southwest around 1300. At 0930 the prospective ocean trip was rediscussed by those interested Captains and a decision was made to scratch this adventure due to adverse wind and current. Most enjoyed a day at the beach where even the ocean water temperature cooperated. At 1700 another Captains' Meeting was held and a majority elected to stay another day at Atlantique in lieu of sailing to Hemlock Cove. At 2100 Merritt Warsaw roasted marshmallows on the beach and conducted a sing-along with the younger set.

TUESDAY, JULY 16 A gorgeous day with wind at 12-18 knots from the southwest and bright sunshine. Those who stayed enjoyed the warm ocean waters at Atlantique while Emerald Seas and eight vessels voyaged to Hemlock Cove. Joyce Gotard served an incredible rich clam etc. chowder to which many had contributed ingredients. Due to increasing winds the raft-up broke for the night at 2015. Meanwhile back at Atlantique, First Light had organized 3 other yachts and had an informal race from Bouy 18 in East Channel to the Patchogue River. Batyan was the clear winner. At the river they tied up at "On the Waterfront" and had a terrific lunch. At 1400 the First Light contingent with winds from the south at 15-20 knots had a screaming ride to Great River for dessert and coffee at the Snapper Inn..

WEDNESDAY, JULY 17 Once again, sunshine and blue skies were the order of the day. The Atlantique fleet had a brisk sail up the Range Channel bound for The Suffolk Museum joined by the yachts from Hemlock Cove who were enjoying a magnificent broadreach sail down the Bay. After 3 vessels went aground trying to enter the Museum basin, this approach was abandoned in favor of the deeper water in Great River and motoring (by car) to the Museum grounds for a most enjoyable picnic. Many thanks to Walter and Sylvia Raskin who did most of the cooking and the Mourino, Dunleavy, LaBella, Finkle and Lowy taxi fleet. Later, back at Great River, while Merritt Warsaw treated the younger cruisers to a dinghy tour of the Grand Canal and the sun set in the west, many enjoyed a lovely evening at the Snapper Inn's outdoor bar and dining room.

THURSDAY, JULY 18 With weather reports of temperatures soaring to 100 degrees and winds blowing at 25 plus knots, most decided to bypass Bellport and head for Watch Hill and secure a slip for the weekend. In the AM, after a very pleasant sail from Great River, all managed to obtain slips at Watch Hill. Adults enjoyed a cool afternoon at the beach while the children explored the Bay under the direction of our spontaneously ordained saint - Merritt Warsaw. Emerald Seas, who had engine trouble, arrived later and reported the fine treatment he received at the Crowley Boatyard adjacent to Snapper Inn. That evening, after cocktails, all enjoyed the remaining Museum picnic ingredients ferried over by Wanderlust and Sea Dream and tastefully cooked by Jennifer Poulos and Joe Fili who manned (personed?) the grills.

FRIDAY, JULY 19 What a lovely day and all were thankful to be at Watch Hill rather than on the 90 degree mainland. Barbara Peter, Diane LaBella and Joyce Gotard took the younger set clamming and reported a harvest of over 90 clams. Others played ball on the beach and were subject to the Hartzell killer pitching arm. At 1700 the Club

burgee was flown over the picnic area for the End-of-Cruise Captain's Party. There was much agreement from these 34 Captains that this was a fine cruise with superb weather and good company.

OTHER CRUISES 1991 — South Bay Cruising Club yachtsmen often rally together and go on impromptu cruises.

From the log of *Black Petrel* On August 12, *Black Petrel* and *Sea Jay* cast off from their Amityville dock and had a beautiful sail to Bellport Bay where they anchored for the night. On August 13, they steamed (motored) eastward through Moriches Bay, West Hampton, Quogue to Shinnecock Bay and anchored behind beautiful Cormorant Point where they remained for 2 days sharing the anchorage with *LaPaix* and *Estelle* who were enroute west. On August 16 they steamed west to anchor off the Bellport Y.C. for the night and then on to the Snapper Inn Dock on Saturday, August 17. Next day they made their Amityville dock at 1030 just 24 hours before Hurricane Bob struck.

TWO WEEK CRUISE 1991 — From observations by *Horizons*

The two week cruise for 1991 consisted of a number of cruises separating and meeting along the way as members followed their individual preferences. Nine yachts left Great River on Aug. 3, 1991 nominally bound for Cormorant Point, Block Island, Tarpaulin Cove, Newport and Orient. They were *Broadbill*, *Horizons*, *Karma*, *Kitty K*, *Our Time*, *Silhouette*, *Soverain*, *Summer Whim*, and *Uptick*. *Loki* and *Perry* joined the fleet at Cormorant. From there, the paths began to diverge with only *Loki* and *Kitty K* going as far east as Tarpaulin Cove.

The second morning found *Broadbill*, *Our Time* and *Perry* safely through the Shinnecock Canal for a cruise in the Peconic area. *Horizons* and *Soverain* were on their way back to Babylon and the rest were heading through the recently improved Shinnecock Inlet toward Block Island. *Summer Whim* left the fleet at Montauk Point to cruise into Peconic and then to Newport and Block Island. *Karma* and *Silhouette* returned after a short stay in Block. On August 14, the rendezvous at John Reiger's home in Orient was shared with the three week cruisers and others who came by land. There were also brief encounters with *Doxie* and *Raclette* who had been on their own adventures during that time. Sometimes cruises are like that.

THREE WEEK CRUISE 1991 — From the log of *Wanderlust*

SATURDAY, JULY 27 through SATURDAY, AUGUST 17 — *Wanderlust* and *Lady Barbara* departed via Fire Island Inlet on Saturday morning, sailing and motoring in a light NE breeze with occasional sprinkles and calm seas to Shinnecock Inlet. We anchored behind Cormorant Pt. for the night and on Sunday sailed and motored with fair weather and light winds to Great Salt Pond, Block Island where we rendezvoused with *Barba*, *Nephele*, and *Sea Dream*. Not long after anchoring, we were joined by *Jubilation* who had motored all the way from Bay Shore that day. Plans for the next few days were discussed from the dinks at *Wanderlust*, after which some of the crews dinked in to Dead Eye Dick's for an enjoyable shore meal.

On Monday our small fleet sailed and motored to Cuttyhunk on smooth seas with light east winds. Enroute we exchanged greetings with *Charisma*, west bound from Boston. We had our first cocktail party of the cruise under the awning in the cockpit of *Wanderlust* as it rained lightly. On Tuesday it was on to Marion, Mass. with light winds on the nose and warm weather. After mooring we all went in to town for ice cream, then returned to *Jubilation* for cocktails.

Wednesday we motored through the Cape Cod Canal and set a course toward

THE CRUISING YEAR IN REVIEW (Cont'd.)

Provincetown. In mid-afternoon we got the first favorable winds of the cruise when a light south-wester set in, in time to give us a nice sail in to Provincetown Harbor. After mooring we all went in to town to browse around. Thursday saw a parting of the fleet as Wanderlust, Jubilation and Lady Barbara sailed for Scituate, Mass., while the remainder of the yachts decided to spend an extra day at Provincetown. A light southwest wind gradually built to 12 knots providing a very enjoyable beam reach all the way to the Scituate sea buoy. After mooring and dinner we made a quick dink to Lady Barbara for coffee and cake.

Friday saw a further splitting of the fleet as Jubilation lay over in Scituate while its crew made a quick auto trip back to Long Island. Wanderlust and Lady Barbara sailed north on a beam reach in a light breeze toward Cape Ann and Annisquam, Mass. Wanderlust enjoyed a spectacular spinnaker reach for several hours. After a very rough motor sail across Ipswich Bay we entered the Annisquam River and moored off the yacht club.

Saturday morning saw us motoring up the Annisquam River through some very pretty countryside, then through the Blynman Canal into Gloucester Harbor and on down the coast to Marblehead where we picked up moorings at the Eastern Yacht Club. The weather on Sunday was calm and foggy with intermittent rain. Fortunately, it was also a scheduled layday. In the evening we had a superb dinner with Marblehead friends at the Eastern Yacht Club, one of the oldest and finest Yacht Clubs on the eastern seaboard.

Since Lady Barbara had departed early for a private rendezvous, Wanderlust departed Marblehead alone Monday morning, Aug. 5th, bound for Boston. We ran before the wind on Genoa alone at better than 5 knots. In the early afternoon we tied up at the Boston Waterboat Marina at the foot of the Marriott Hotel, just across the street from Quincy Market. Here we rejoined Jubilation, Barba, Nephele and Sea Dream. In the afternoon we walked to Quincy Market browsed and watched the filming of a Steve Martin movie in the park adjacent to the marina.

After a sumptuous buffet breakfast at the Marriott, our fleet of five vessels departed for Plymouth on Tuesday morning. We motored east to Cohasset, then set our spinnaker for a lazy sail south to Plymouth. Taking moorings at the Plymouth Yacht Club, we launched in and walked to town to see Plymouth Rock and the recreated Mayflower. Wednesday we motored the entire time to Red Brook harbor, Cataumet, Mass. where we enjoyed a leisurely cocktail hour and a half on Wanderlust, followed by a launch trip ashore for an excellent dinner at the Chart Room Restaurant.

Thursday, Aug. 8th, with two long port tacks and a short starboard tack we entered Narragansett Bay after one of the best sails of the entire cruise. Soon we were moored at various points in Newport Harbor. The Garben's yawl Snowgoose was moored just two boats away from Wanderlust. Shortly thereafter we spotted Summer Whim. On Friday, all joined for a cocktail party on Jubilation followed by dinner at Christie's. Early Saturday morning the rain became torrential and the wind was gusting to 30 knots. Fortunately, the weather improved and we had a restful layday.

We departed Newport on Sunday morning and headed for Fisher's Island. We motor sailed most of the way to Point Judith. Soon the wind had built up to 12-16 knots from the west and we were pounding into increasing swells on a close haul to westward. With slow progress and rumblings of a mutiny we decided to take a beam reach to Block Island. There we met Nephele, Sea Dream and Barba. We anchored next to Yellowbird, which was headed east on the start of their cruise. Monday we headed for Three Mile

THE CRUISING YEAR IN REVIEW (Cont'd.)

Harbor when a wind shift prompted us to change course for Watch Hill, R.I. By mid-afternoon we were moored off the Watch Hill Yacht Club.

Tuesday morning saw Nephele, Sea Dream and Barba enroute to Coecles Harbor, Shelter Island, Wanderlust remaining behind in hopes of repairing a burned out alternator. On Wednesday morning all yachts went to Orient Point Yacht Club and by 1430 were tied up at the Yacht Club dock in addition to Jubilation and a number of other Club Yachts from the two week cruise. All of the crews were joined by numerous other Club members who had come by auto for an enjoyable pool party at the home of member John Rieger. Many thanks to John and his able assistants, the Garbens.

On Thursday, Wanderlust headed for Lake Montauk along with Broadbill of the two week cruise. The rest of the Club yachts headed west into Long Island Sound for the trip home. Friday morning both yachts departed very early for the long run to Shinnecock Inlet. The seas were unusually rough considering the wind and it wasn't until we were inside Shinnecock Bay that we learned of the rapid approach of Hurricane Bob. Wishing to take full advantage of high tide and get as close to home as possible, we powered westward through the inland waterway to Bellport. At that point we were able to sail westward until we anchored in Great River at 2030. Saturday we sailed home to Babylon and tied up at our home dock at 1230, to officially end the Three Week Cruise, having logged 687.4 miles.

THE 1991 RACING YEAR IN REVIEW

By Barry Pittman

The 1991 Racing Season might best be remembered for stiff breezes and for what it bodes for the future for the SBCC Racing Program. I am sure that those who have been around our racing program longer have seen it before, but I must confess that in 1991 I thought I had a look into the future and liked what I saw.

The spinnaker class has become extremely competitive, whether measured by local standards or when they have raced in "off the bay regattas". The J-boats sailed by Doug Davies Reichel/Kennedy and Jim Ryan have for the last few years been dominate in the class as the first to finish and often the time on distance corrected winners. They, and our old friends in the C&C's (Crocker/Baldwin, Frank Marinaccio, and Bill Cook) and P-26's (Bill Grauer and Greg Schneller) are the boats to beat. But if Bob Foreman in Jacqueline II or Alan James in Outlaw appear for the prerace activities, all bets are off and the spinnaker class has a real "horse race" on its hands. Although Doug Davies won the Spinnaker Class Championship again in 1991, it is clear he faces an uphill battle in holding off his competition for a repeat victory in 1992.

The non-spinnaker class is both a training ground for the new racer and a place for the experienced racer to hang out. For the last few years, Howard Hamstra's Slim has been the boat to beat. Barry Pittman's Drumshanbo and Bob Van Tassel's Quest are also past Class Champions and while at times inconsistent, both are still capable of winning. Jerry Dunnells was this year's Class Champion with a very strong effort in Chanson. This year also saw Kevin Padden in Ericsean and Tony Jones in Langniappe move up in the pack and Lee Christensen in Catharsis move to the front.

The Memorial Day start of the racing season brought beautiful skies and moderate breezes. A great day for the Creepstakes. The 28' and over class was won by Drumshanbo followed by Jerry Dunnells' Chanson and Mike Goodman in Bionator. The under 28' class was won by Jim Reichel on Silver Bullet followed by Amethyst and What Me Worry.

What I remember most about the rest of the season was the wind. There was lots of it except for the Around Long Island Regatta.

The Foulke Trophy on June 22 was a real rock and roller. The leg from Babylon to #31 was a tough beat in a stiff breeze but the "ride home" was nearly dead down wind with gusts to 30+ knots requiring some hair raising jibes. The knockdowns and death rolls in the spinnaker class were eerie to watch in the night as the masthead lights swung back and forth violently. The spinnaker class was won by Bob Foreman in Jacqueline II followed by Amethyst and Outlaw and the non-spinnaker by Jerry Dunnells in Chanson followed by Nessie and Slim. The best (or worst) was still to come. Race Week Wind-up was sailed in 30-40 knots of breeze. The committee boat (a 41 footer) had great difficulty staying on station and the finishing mark (pin end) blew away before the finish. Silver Bullet won the spinnaker race followed by Amethyst. The non-spinnaker race was won by Catharsis with Chanson close behind. In fact, the entire Race Week four day series was sailed in moderately strong breezes producing outstanding sailing. The series winners were Crocker/Baldwin on Firewater II in the Spinnaker Class and Drumshanbo in non-spinnaker.

IN MEMORIAM

Life! I know not what thou art,
But know that thou and I must part;
And when, or how, or where we met,
I own to me's a secret yet.
Life! we've been long together
Through pleasant and through cloudy weather;
'Tis hard to part when friends are dear —
Perhaps 'twill cost a sigh, a tear;

— Then steal away, give little warning,
Choose thine own time;
Say not Good Night, — but in some brighter clime
Bid me Good Morning!

Anna Loetitia Barbault

Thanks to Mike

Members of our Club eagerly participated in the Town of Islip's K.I.C. program by cleaning up the shores of the Connetquot River.

Thanks to Bob

A late summer hurricane by the name of Bob caused damage to members of the SBCC fleet.

FLAGS AND SHAPES

Flag Etiquette

The correct display of flags, signals, and ensigns is one of the more obvious marks of a yachtsman. This code is steeped in the tradition of the sea and promotes uniformity in communication and identification between yachts. The following flag etiquette covers the signals that are used daily on small or medium sized sailing yachts.

THE ENSIGN

The ensign is displayed between morning and evening colors (0800 and sunset) only:

1. At anchor or under power: at the stern staff.
2. Under sail: at the stern staff if not racing and if the boom does not overhang; or at the after-peak of a gaff-rigged sail; or $\frac{2}{3}$ of the way up the leach of a after-most genoa-rigged sail.

THE BURGEE

The club burgee is displayed whenever the ensign is displayed, but may also be displayed separately, between morning and evening colors, or by day and night, while at anchor or under way on:

1. The masthead of single-masted yachts.
2. The forward masthead of 2-masted yachts.

AT ANCHOR OR UNDER WAY

FLAG ETIQUETTE (Cont.)

THE PRIVATE SIGNAL

The owner's private signal may be displayed by day and night on:

1. The masthead of single-masted yachts in place of the burgee.
2. At the after masthead of two masted yachts, at anchor or underway.

FLAG OFFICER' FLAGS

A flag officer shall display his flag both day and night in place of his private signal.

RACE COMMITTEE FLAG

The race committee flag shall be displayed at the main truck, in place of the flag otherwise there displayed, only while acting as the committee boat.

SIGNAL FLAGS

The starboard main spreader is to be used only for signal flags and specific flags, such as owner absent flag and guest flag.

DRESSING SHIP

When dressing ship on commissioning day, Independence Day, and on other special occasions, the following order of international code flags is recommended (starting from forward): AB2, UJ1, KE3, GH6, IV5, FL4, DM7, PO 3rd repeater, RN 1st repeater, STzero, CX9, WO8, ZY 2nd repeater. Ensigns, burgee, private signals etc. should not be included.

REQUIRED SHAPE DISPLAYS (Daylight)

1. When anchored in an area other than a designated anchorage, sailing vessels must display a single, black spherical shape. For lesser craft (those under 20 meters) the size of the shape should be "commensurate with their length."
2. When under sail and power (motorsailing), vessels are required to fly a black cone with the apex down.

CRUISE SONG (Tune: Whiffenpoof Song)

*From the sandbars at Moriches
To the Shoals of Tuckernuck
We have pressed our painted
 bottoms and our luck.
We've assembled at Great River
With our burgees raised on high
and our anchors settled safely
 in the muck.*

*Yes we've been to many places
With names we love so well,
Shelter Island, Martha's Vineyard
 and Cape Cad.
We will sing about our cruise
And drink each other's booze
And we'll dream about the good times
 we have had.*

*We're sailing folks who have found our thing
 Blow, winds, blow.
We like to laugh and we like to sing
 Blow, winds, blow.*

*We like the seas when the breeze is right
We like the glow of a harbor light,
Blue skies by day and the stars at night,
 Blow, winds, blow
 Blow, winds blow.*
